**Ramakanta Behera :** Priya, kuch na kahoon toh gali padegi, kahunga bhi toh gali padegi. Kitna sochti ho yaar tum. 😞 Wo lab me taang karna, maarne 🗣️ ki baatein sab yaad ayenge. H10 me tumhare waje se kitne sukh prapt 😊 hue. Our journey of internship is the one that makes a difference in the understanding 🧡. Wo night chat, late n8 dinner, dance, party, birthday celebration bhi yaad ayenge. I think our eyes speaks a lot. Sab samajh jati thi tum. Han wo bhula hua birthday toh haar saal yaad ayegi. Par gift bhi mile the tumhe, yaad he na. movie toh soch samajh ke hi jaate the tum, pata nahi itna kya sochna. 🌈 the trip to raigad fort bhi bohot sahi tha, enjoyed a lot. I will miss ur friendship yar. Mujhe bhulna nah

**Ankan Karmakar :** Well, you are a DON in disguise. The girl, who made me feel that nakhrewalis are just disgusting. Where will I find another coolest friend like you? Who will be as caring as a mother and also able to sing rap in same harmony? Who will be able to read eyes? Your art inspired me in learning illustration. I even copied your laptop color but, was not courageous enough to paint on it. Bdw, the CTaM design was really cool. Thanks for stepping up. Thanks for all those H10 meals. But, please don't cut your hair. And..... abhi bhi ek treat baki hain tumhara.. !! Kab bula rahi ho??

**Nikhil Pisal :** That communication class...😂 Would have never thought we'd become such good friends. Sure I'm never gonna forget that walk on Marin drive 😂.( Secrets nikalwana koe tujhse sikhe). But seriously thanks for all your (much needed😂) guidance and wisdom. Aur ha thanks for all those expert opinions ( for all karname😂). Just stay as you are 🙌. Aur next karname ke liye ready rahna 😂

**Tejaswini Satya Chinthagunti :** Hey Priya! AE Madam. Even I was relieved to have a girl in my class initially. But later found out that I was wrong😂 You are a perfect Tomboy and I like it that way. May be that why we couldn't connect in terms of girly stuff 🤔but I've enjoyed your company in the initial phase, Salman sir classes and few outings. Anyways all the best and hope you achieve IES one day.
