Sakshi Pandey : If someone asks me whom I love the most in CTARA.. It's you and Reshma! I still remember during the orientation day, you were the first person in college who said ' Hi' and talked to me. From then till here, we shared a lot of memories. We both had our own ups and downs but still you were the person I could go and cry in front of. From our bitching to feminist talks.. Our bonding kept growing. Always be like the way you are..and dont let the negative people take you over. They don't deserve you! P. S. I will always love you! 😊😊

Khaire Abhishek Vinayak : Aaspas hoti tere humesha chahal pahal, dinbhar dekhe ye ladki korean serial, gaane bigadne aur PJ marne ki shaukeen, chalte hue lage tu pakki penguin, khaane aur ghumne ka tuze bada khumar, afavaye hai badi ki tu achhi chitrkar, tere saath har din tha shaitaniyon se bhara, muz maasum ko bandariyaa ne kitana maara 😊, behan banke pagal ne diya muze bohot pyaar, sambhaal ke rakhna 'Khaire' ki yaadon ka uphaar. Love you sis.

Shweta Naik : Jisne hamesha ek hi sawal pucha ki "tujhe kisne bataya yeh?" The girl who is always interrogative about everything and wants to know about everything. Joh hamesha breakfast skip karte hai but sab kuch khate hai. Mere art material supplier. And haa TD609 mai maine tere PJ's jhele hai, tune mera gussa nahi :P And haa apna Sameer Hills reh gaya :(

Reshma Sahoo : Should I write? Don't you know already that I hate you?

Gagan Gautam : I will miss the way you used to flirt. Par date leke gai nai abhi tak promise karne ke baad bhi...Tumara dil sisa nai hai jo tut jaya..Tum samajti nai ho hamari paristithi..Nai to hum aama ko usi din mana lete, yaad hai na..

Akanksha Chavan : Tu hi akeli insaan thi jo mujhe chinna poda lake deti thi... Baad mei mile na mile, lekin chinna poda bhejte jana 😊😋

Sunny Johari : aa jaana warna jaha rahegi waha milenge aur haa wo tunday ke kebab hote hai tinde ke nhi...waise tereko pareshaan toh karta hi rahunga for your advice 😊

Rohit Kumar Prince : oye bitwa (ab song soch le man me). To a girl who spoiled me by training about bitching selectively: hum aapke abhari hain. waise to bahot kuch hai but jab bhi Neer Prabandhak kaa kaam karenge jivan me, tera and pandeyji ka yaad sabse pehle aayega. And I can burst into laughter just by looking at you and gogo from far far away. Also, whenever I will have my proper first drink, I am going to make a drunk call to our OMM group, you know why. :p

Swagatika Priyambada : Natkhat, saitani smile, full of nautanki, and doing crazy stuff on the outside and inside you are extremely caring. You are an over planner , I remember you and Shweta would always recite a list of things that need to be carried before going out. I will miss our outing, food hunt and telling each other lots of stories about Bhubaneswar.

Thirumal Reddy Vennam : Anyay... Apna sahydri farm ke first field trip se aaj tak tera seedha moo se photo keech nhi paaya. Ye tho adhura hi rhega. But ye aise hi rhne dho tere smiling ya irritated wali chahre. Thu hi ho jo class wale sabko daudaye lab mei. Aur Aunti ki khana best tha, I didn't hope veg bhi mei itna interest se khaunga. Orissa wale trip mei tho leader banke shah sir ke shyish hogye ho. Ye unknowingly muje bacha liya... Is baar acha se plan karo Orissa ka trip and show us the the hidden treasures

Lahari Yaddanapudi : The first girl to talk to me (during orientation itself), you introduced yourself and asked about me. Since that very day, I've found you to be the sweetest and most welcoming! P.S. Have I ever told you, you have beautiful eyes?

Aman Lonare : I searched in Quora 'Why Aman Lonare is so sexy?' but still abhi tak koi answer nahi dikha. Tu hi anonymously koi answer likh de na :p Tera phone lene me pata nahi q andar se itni khushi hoti thi, maybe because tujhe yeh pata ho kar bhi ki Aman aas paas hi rehta hai fir bhi tu pattern change nahi karti thi. Though last me tune change kiya tha but jo hona tha vo to ho hi gaya. Shakal hi bhagwan ne aisi di hai to main kaise 'Tatti' wali discussion avoid kar sakta hu. You were really fun, chill and one of the most TOLERANT in our batch. Tere jagah koi aur hota to mujhe billi ki tarah mere right hand pe nails se attack karta jiska mark pata maybe kuch saalo tak rehta :p Anyway, Best Wishes :)

Jayeshkumar Dayma : Yeap we didn't talk that much but it doesn't affect our bond... 😊 There is no doubt in that in our class, u have a very good collection of earrings... 😊 & yeap I always love to share snacks with my friends... 😊 I never forget our talks during TD 609... 😊 Maybe there will be chance ki in future ki I'll forget u but u can't becoz in ur life whenever u listen gujju; u remind me for sure... 😊 & #Chill hai...now learn #lite le also; it's new one... 😊 All the best for ur future 🌟

Shubham Jain : Hello ananya didi!! Well i have done the only ctara course of 654, and I really cherish to have you as a group partner. You are a very sweet and chill person. Well during the survey you got your perks of being a girl, all the manual labour was left to us boys to do. Well, it was the course that i have enjoyed the most and possibly the one in which I worked the most (by hours) during my stay at IITB. I am really grateful for your cooperation and the learnings i could have with you in this course. And yes thanks for the advice on 602 course else my one slot would have gone misdirected :P. All the best for your future endeavors. Cheers!! :)

Sameer Kulkarni : Lsat day hi kiya account open, credit goes to Prathamesh. Hum hai hi yaadgaar banane wale, mera bhi first year yaadgaar rahega hamesha. :) I was astounded to see your GIS proposal/progress presentation. You were the inspiration for changing my presentation style to better. Thank you. You are one of very few I was or still am connected to, bass hamesha confused or tensed lagati thi. Orissa/Odisha me aane wale cyclones tumhare turbine power ki or hi attract ho rahe hai shayad. Jake mil lo ek baar, shaant ho jayenge. And the door (Pune) is always open. :)
