Sumit Singh Yadav : This is coming from your roomie What I most admire about you is how you wake up early everyday and take a bath, while I have skipped entire weeks without taking one. You and she often got too cozy in the room, while I was still in there, that were surprising for me. Wish you the best for your MS and future.

Adithya Iyer : Taxxxiii ! I dont know how I would have survived my 4 years and how I'm gonna survive my 5th without you carrying me and probably the entire batch through each and every lab and course. Surprisingly you never said no to anything we asked for, albeit the occasional "Saaaaaaanp", but that's just what makes you the best person to probably know. US me jaake Ditto se mil lena, and keep playing pokemon broo!

Mohanish Verma : I know you will be moving to US soon but can you do me a favour. Just for the last 2 more semester can you teach me through video call.

Bohra Ankit Narendra : Taksh...i guess the only sane person to some extent in the wing😂. Bhai 4 saal ki bahot memories hai ..but the best one was Casino in Goa!!!!♥ Subah harroz breakfast karna...saath mein lecture jaana...freshie year mein saath mein lecture mein baithna...tere haath mein glass kaise ghoosa wali story😂...Goa mein same room share krna...uske liye shopping karne jaana😂 ...common courses padha dena...cricket discussions and endless memories. Ab US mein jaake machayega tu All the Best!! Touch mein toh rahenge hi!!

Arpita Mishra : 700 characters m fit nai hoga what I feel for you :(You were my first dual friend (who isn't dual anymore XD) And you were so sincere in class and so hardworking. And all the labs that we couldnt have done without you. I am so glad that mess closed XD This last year has been more than awesome for me. You are so caring, kind and understanding, helpful and sweet. I never thought you will, one day, become such a huge part of my life and I am grateful for that. You have helped me innumerable times to go through a lot of situations. Thank you. We have so many great memories together! Even eating lasagne and watching a movie with you was one of my favourite things to do. I will miss you.

Himanshu Goyal : Taaxxi!!!! ♥♥ Finally wing ka hissa bankar kaisa lag rha hai. 😂😂 Thank you for trusting me with all you secrets, ♥ kabhi bola nhi but it means a lot to me. 😊♥ You showed me that it's okay to not be okay at times, just hang in there and you will be swinging in no time. 😂♥ (Very strong pun intended ♥) Sorry for being so dank and making all those jokes on you, 🙏 window glass waale incident ke baad toh jaan hi nikal gyi thi (iss baar meri 😊😊). Beating you in FIFA and card games, then saying "But, did you win?" was pure bliss. 😊😊 I wish teri saari weird fantasies purri ho jaye. 😂 Love you bhai! ♥♥

Rohan Kaushik : Taksh tu bohot forgiving and accommodating neighbor hai, and I don't know if anyone else would put up with the stuff you have. And no matter what Sarthak, Himanshu and Rishabh say, I've always seen you smiling and cheery. Good luck toh kya hi bolu, machata toh tu rahega hi. <3

Sarthak Khandelwal : Taksh bro, I agree we got off on the wrong foot by mentioning common friends XD However, it didn't matter much later. I hands down owe my CPI to the second decimal to you. Every course, every midsem/ endsem, every quiz, every lab, every assignment, bhai tune pass karwai hai XD Thanks for bearing with my stupid doubts and explaining the lever rule before almost every exam! Bas bhai big boss dekhna band karde XD Thank you for being so helpful always, stay in touch.

Adwitiya Rao : Bhaaaiiii, Tujhe meine bhand hoke senti tere birthday ke din di thi but thodi aur lele. I really love how you work hard towards what you want to achieve. Tere andar kaafi insane drive hai. Really proud to dance with you and bhai Gyra and Dance mania would be always close to my heart, especially third year wala. You've grown a lot as a person(you and I both know what I'm talking about) since your third year and I am really happy for you. Thanks for helping me out a gazillion times with so many things and i wish you all the best for your future <3
