Ravi Kumar Kushawaha : Yo Kwin. It was nice to have you onboard Team Rakshak. You were very passionate about the team and helped us in every possible way. I won't forget when we went to buy parachute material in Thane. You are very passionate and skilled in your domain. Keep up the good work. Best of luck for future endeavors. Keep in touch.

Animesh Singh : The first Master guy of our team... You truly are a master of jugaad... Your experience was a boom for our team... Aap se kya kuch nahi seekha maine, Mech vala banda toh aapne hi banaya mujhe :P.... Thoda guide selection mein idhar udhar hogaya warna saath mein aur bhi kaam karte... Issi tarah haste raho aur dusron ko seekhate raho... All the best for Dubai....

Tanmay Nagar : Yo bro apna vapi wala launda!!! Jo har hafte daman trip ka plan banata hai ;p, koi chale toh thik nahi toh friday bag bandhke akela nikal padta hai. I really admire this quality yaar, you bring confidence in others to make sure anything planned from roadtrips to camping is pursued at moment and not postponed. Lekin tu rota bhi boht hai bey(tbh), lekin utni hi jaldi bhul bhi jata hai phir vo bhale zakir khan ke standup ki queue ho chahe phishing mails se teri phati ho (:p :p, still can't stop laughing on that). Launde ne placement me pura effort lagaya hai, airbus se leke startup tak dum lagaya hai. Fuck off to startup, aakhir m halcon machaya hai. All the best bro #dubai wala seth ;p

Parth Parmar : 'Ae kevin, Kya kar raha he be!' I'm sure that this sentence will always bring you so many crazy memories. The king of night outs. The planner guy of our trips. Ek time k bad to lagne laga tha ki zoomcar terko sponsor karti he :p. Will miss those night outs, late night tt matches together. The controller wala juggadu labmate. I wish that you vs vijay matches ho gaye hote! Aur to kya, cycle thodi kam bar service karvaya kar be! Dubai me bi ese hi machate rehna. With the enthu that you have and that 'improve productivity' no doubt you will be a suuccessful person. Bas contact ma reje khali! Much love to you brother!
