Aniket Prajapati : Insti life ka aadha time tere sath hi kata hai. Same state xD, same wing, same lab group sab same tha. I know maine projects time disappoint kiya hoga tujhe, but tera patience .. College life school ke last benchers type ban jati thi tere sath. Tere fatti mai dekh ke mai bhi thoda bahut padh leta tha xD And the best part, you were always there to listen my stories, my bekhayalli xD.

Aayush Sahu : Vo to hostel alag hogye warna to lagbhag sb kaamo me aapne sath nibhaya hi h, project se leke train ki backchodi tk. Aj bhi movie ka shauk pura krne ke liye hum apko hi yaad krte h, prr kbhi kbhi bina bataye malad ya bakery nikal lete ho vo bhi subah ki pheli local pakad ke. Aur jitna mazboor aapne hume h6 ki canteen bulane ke liye kia h, umeed h utne hi mazboor aap bambai aane ke liye ho jayenge😁 xD

Sushil Khyalia : beastuu miya dua karte sab khairiyat hai. sangh ke log hai to saath hi chalte rahenge aur thoda capacity aur badhao

Sannyam Khandelwal : Beastu!! Kya mast aadmi hai yaar tu. Apan ne sath mai infi bakchodi kaari hai. ITSP aur MAC life ka best time tha. Wing mai random gaane and DJ lallo ke light effects par mast dance karte the yaar. Hyd mai uss din bike se na girane ke liye aur meri college life ko mast banane ke liye thanks bhauu xD. I will cherish our friendship forever!

Phuntsog Wangchuk : College ke 3 saal ek hi diwaar ke opposite sides pe kaati hai apan dono ne, bc apne gharwalo ke itne kareeb nhi raha hu lol. It was always great to have someone jisko mere 2000-2009 waale hindi movie references chamakte ho. Bangalore mein machayenge bistuu.

Pruthak Joshi : Sirjiii _/_ Thank you for being the senior with whom I could talk about anything! Thank you for the gyaan, the laughs, the memes, the movie recommendations, and the 'important documentation'. Will miss trips to Sanjay bhai's workshops with you xD

Animesh Singhal : Made some good memories with you during 2nd-year ki solid lab. Thanks for helping out with the lab work. I used to admire your tech skills! Good luck for your future! :D

Aman Mishra : Bokri bhaaaau, it seems so unreal that we could relate to so many things from our childhoods. The best part was the excitement of finding such completely unexpected things. I'll always cherish that feeling. Aur asli maja to yaar second year summers me aaya. One of the best periods of my life hands down. Pangu veerji introduced us to Ginni ji, fir to un summers ne bas att hi kardi. Yaar, kitne dino tak vo playlist suni thi XD, fir unke analysis bhi dekhe the. Vo time to yaad rahega, thanks for making it possible. Bokri bhau in one line - an extremely hardworking person who knows his memes well. For future Bokri: Agar bohat dino se nahi ki hai, to karlo thodi Shaitaaaani.

Pranil Joshi : Ayan Bhau. Dear beastu. You are very friendly, right at the outset. 2nd year ke start mein tujhse sirf jhaadu lene aata tha xD, fir third year tak random timepass karne bhi aane lag gaya. Insti mein tech and mars rover toh machaaya hi hai tune, life mein aise hi bahot kuchh machaana baaki hai abhi!

Somansh Chordia : Ayaan miya Salaam Alaikum _/_ SRK ke baad kisi ke style ka deewana hu mai toh woh tu hai. Thanks for coming down (ghamand wise bhi) in the last year. Couldn't have enjoyed that grilling sem without entering your room every half an hour. Anna ka ganna with you always tasted better. I wish zyada electives sath me lete. But I'm glad I was able to complete the streak of scaring you every semester. Tolerance and maintaining composure in stressful situations is what I've tried to learn from you. I don't think the world has witnessed a better combination of movies and memory. Keep recommending good content

Aditya Patki : Bakri bhai, aap ke saath jo bhi aero ke bahar tp kiya hai woh kaafi sahi tha. Aapke kaaran hi techconnect ke samay lukkha kat paaya tha. Baaki placement ke waqt ka daudna, common area me baithna aur aage ke sapne dekhna yaad rahega. Khoob machao aur sapne phod do!!

Kratvesh Pandey : Beast bhauuuu! Aaj bhi yaad hai woh cricket ki first year wali practice. H1 se short cut leke gaye the. MP se kuch hi sahi log mile the and you were one of them. Let's catch up as soon as this stupid virus dies.

Kartik Bilolikar : Hey! You've always been a great person to get along with. I admire your self-motivated attitude towards getting things done. The insti tech-life has been a somewhat bumpy ride for me |^_^|. I am glad that you guys managed to alleviate and get over any adverse consequences that some of my hasty decisions may have had. I hope that we'll stay in touch to continue those bicycle-ride talks in the future too :D. I wish you all the best, and I am sure that great things lie ahead for you!

Meri teri sahuji aur pp ki gullu boathouse trips bohot God hotii thi 😂. Wohh first year me ed lab k pehle waali raat apn chaaro kaa h16 canteen me jaana bohot yaad aata h. Tune bas kutto vaali baat me bro code todtaa thaa xD. Tunee aakhire Juhu me bakwass karne ki jagah kuchh kaam ki baaten ki thii woh jaan kr kaafi khushii huii thii xD. But buckkss yaarr bharii hh tuu tere jaise dost kaafi kam logo ko milte h. And finally lockdown khatm hote hi milne kaa kuchh jugaad karte h xD

Maitrey Gramopadhye : Ayan bro! Apan almost humesha MRT lab mai hi mile, and last sem gym mai :P. But jitna bhi time spend kiya tere sath, it was always fun. Keep being the trustworthy and dedicated person you are :D and machate rehna!

Abhijeet Banthiya : Ayan bhoai! Guess we were meant to meet otherwise how did the three of us ended up working on the same table wo metal ghiste ghiste on the very first day of our very first lab :) and us ke baad se toh bas apne Madhya pradeshi mil gaye :p. After coming to the wing you became my go-to guy with whom I can share everything, and you are great listener who genuinely tries to help others in whatever possible way and of course you will always be the go-to guy for sharing wholesome comics with. Also you are truly the maverick Ayan. Keep working hard buddy, I know you can reach any heights. All the best for all your future endeavours ♥

Swapnil Jayant Kumar : Ayan boi, you have one of the best team skills I have ever seen. Insti ke tech me bhi kafi contribution raha hai apka. Going to the shady areas for manufacturing was quite fun. Hostel tak ki walks aur baatein to yaad rahengi hi, saath me tera bhand wala dance bhi yaad rahega :P. Ab apke dog-lover ka jaadu dikhane ke time aa gaya :DD. Meri zaharili bate sunne ke liye thanks!! Aise hi machate rahana and be in touch :)

Yash Shrivardhankar : Bokri Bhau! You are lub <3. Apan ne normally kam aur references mein hi batein jyaada ki hogi xD. Your taste in stuff is always something to look up to. Best movie and TV series recommendations ever! True Rick and Morty fan <3. And more importantly, Chicken bros for life <3. Connoisseur of memes and Panjabi songs. Tagging game too strong! The Macainchi I will always relate to! You have a special ability to bond with people based on common interests. Every person shares a different bond with you and that's no joke! The very fact that you can do that shows how versatile you are in connecting with people. Thoda Urdu humein bhi sikha deta yaar.. ussi tarha jaise maine tujhe marathi sikhaya xD.

Pragun Badhan : Bakri bhaiya laundiyabaaz. Bahot bahot bakchodi ki hai yaar saath main. Hindu sangh, los pollos hermanos, tharak wala group sabme apan xD. Magical summers in 133, Despacito all day to punjabi nights, GMFL ke scenes to Ram Ashray UP bhaiya transformations, khatam hi na ho list. Sorry tere bed pe aake pad jaata tha whenever slightly bored xD. I envy your diligence and headstrong perseverance, there's no doubt your bound to flourish in whatever the future holds for you. That is, agar laundiyabaazi pe dhyan rakhoge thoda bhaiya xD. Milte hain soon <3. Anna ka legendary Burma Toast miss karenge bey :'(

Drish Mahnot : The best insti birthday I have ever been a part of xD Itna themed birthday tha. Apna interaction kaafi late hua but I have always been in awe of how close all your friends are to you and how genuinely they love you. Especially PP Nanga, love your placement story :D Hope you do well (and start respecting India!)

Apurva Chavda : Helio 🤖♂ My chirkut friend. Ab merko kon sambhalega 😂. Mera bachpana jelne aur usme sath dene k liye shukriya. Apan hai na vapis T shirt mangayenge aur PP ko include nahi karenge 😊. Har exam me madad k liye shukriya. Hope apan milte rahe aage bhi♥. I am very good at adapting to changes but I don't know apni wing and specially tu aur pp k bina aage kaise chalega 😊. Aur vo AK-47 aur granades 6upake rakhe hai na? Aur ha sutli bomb fodne me 20 min lagana is very common ye baar Gupt hai me kisiko nahi bataunga pakka 😊. Bahut ku6 hai likhne ka but you know I am lazy ass. Bahut machayega tu aage. Have an awesome life ahead Bokri.

Shubham Khoker : The bhopali boi. Somehow we got along well with all the bakchodi and tech stuff and not to forget bitching about team ke traitors. Honestly, I got to learn alot fom you when I was a newbie in the team. And yeah that rover of ours which never actually worked properly :p is always going to hold a special place in my life and so do you. Kbhi mauka mile toh ola ride dilva dena.

M Vishnu Sankar : Mr COOL...Interviewer banke meri fat jaathi thi, jabki jo freshie interview de raha hei uski nahi fathi thi, Lol. Thanks for teaching how to conduct a cool interview. Unforgettable memory...Paglon ke tharah Cavalry mein jo naacha vo tho kabi bhool hi nahi paungaa XD...Have a fun and wonderful life ahead...

Viral Shah : Beastuuuu.... Asli Bhopali !!! Sabse zyada meaningful discussion tere se he kiye honge maine. Har kisi ka connect baith jaata hai bhai tere saath. ITSP and 133 me teen log ka rehna kaise he bhul sakta hun. Sabse zyaada maza toh raat ke 2 baje tere room me gaane sunne aur buckchodi karne me aata tha. Midsem waale ayan ki bhi alag he baat thi. All rounder nikala bhai tu BCBzz ka. Acha hua end me Ramashraya chale gaye the apan, warna aakhri sem ye corona ke wajah se sukha he reh jaata. Aag laga denge bhai banglore me apan.

Deep Karman Pal Singh : Bokri bhoii, aap best ho. Hamesha bakchodi ke liye ready. Tech and mars rover machaya, milte reha!
