Vibhor Sarawagi : Hey Sudhakar!! Our friendship is memorable. From you being a junior to first roommate of my only hostel life, everything was so special. I really haven't seen a foodie like you 🤩 One should learn from you on how to get best deals online for having chicken. You are a very humble and caring person. A master's pursuing boy who is liked by every teacher (especially female teacher). Great achievement dude!! I know we had a lot of difficulty of FAN during first semester 😂😂 but all those moments are cherishing. You will always remain special to me. Let's see how much dowry you take and how many wives you make 🤔🤔🤔 Enjoy the life buddy. We will meet soon

Dharmendra Kumar : Hi Sheefu! Tumse bada chicken premi na mila tha aur na milega. What I love about you the most is, you keep on upgrading yourself. You're the most changed person in the batch in the last 2yrs. Tu kbhi peechhe ni hata mehnat se, aur naahi kbhi hatega. Bhaai, salute hai tere ko, how you dealt the placement time. It speaks a volume about your calmness. Ek baat tumhare bare me pta hai, tum chhahe kitna bi keh lo dowry ke favour me but ant me tum naahi loge. Shaadi me jrur bulana. Batch ke asli kanhaiyaa tum hi ho, bhuton ko mohaa hai tumne apne dheemi muskaan se ;).Keep upgrading, keep feasting, keep solving rubic cubes.

Sonali Singh : Hi sudhakar, tumhare jaisa insaan ni dekha maine hmesha always a first seater even in exams. Mujhe tumhari ek baat bhut achhi lagti hai ki har situation me itne calm and stable rhte ho. Kafi help ki hai tumne meri hmesha Thanks for everything and All d best
