Nautatava Navlakha : Yaar kitne crazy moments hai hamare life. Wo 4am ko MI me propose karna 🍷, tenure ke aakhiri din pr H12 ke chat pr jaana, wo 3D glasses churaana(xD), Yash ke saath infii time prom ke liye ladhna, damnnn, prom cancel ho gaya. Oh oh oh, and bitchings ka to alag hi experience (ykwim 😊). Arre, How can i forget the time when tere baal kaat diye the tune. Face expressions ke liye to tu famous hai hi, bhai uss ke expression, God! Wish time machine se mai abhi wo time agar dekhunga to I perfectly know ki Ek inch bhi khushi kam nahi hogi, such are our memories. Abhi ek baar ghoomne challenge and group ka kuch naya naam sochenge xD. P.S: Ab mat katana. P.P.S: videos ki to aadat bana le 😊. By: Nobita 😎

Anurag Dwivedi : Pratyush...kash tu internship ke pehle mil jati.... It was such a great time at KLA with you people. We have an endless list of memories at DnA as well as at the Insti. I can remember Astro ki class ka wo din jb tune Prof. Bhalerao ki shakal me Deepak ko dikha diya tha.... and we are laughing continuously...Aur fir class ke baad tere hostel jakar tiffin karna.....You are such a sweet and mature person...but at the same time...you are childish by heart....Bs bhuliyo mt kabhi...

Kavya Bhandari : You are such a sweet person Pratyush. I wish I'd met you properly earlier, nevertheless, I enjoyed your company a lot those times we hanged out. Some people you just gel with without any effort, and it's so easy and comfortable, you're that person to me. Hope to see you soon and again and again...

Mayanka Medhe : Hey Mom, I am so lucky to have found such a caring mom like you :*. I don't know who says that you can't choose your family ;). First year mai mujhe pani peene ka reminder dene ke liye thanks. Also thanks for telling me (over and over again) all the benefits of drinking water. You have a great sense of style as I have already told you so many times. You may be an introvert person most of the time but I feel so lucky to have gotten to know the real you. Humesha ase hi cool and smart rehna. All the best for your future and stay in touch <3.

Navnit Kumar : Agle saal milte hain yearbook pe :P
