Saloni Deodhar : Parmar Dhairya Dinesh, it's been a fun ride from acads to geeking out on pop culture. I could not have done half my exams without your help and all of my assignments xD. sobo night was super fun and I wish we could have hung out more in the last sem. You're super helpful and kind in life, I hope you go do great things! Ek beer (corona) baaki hai bas :D

Swapnil Agashe : Bhai first year and final year me hi apna jyada interaction hua hai shayad. Dhairya in first year- Mai ye bhi magunga, wo bhi magunga, sab kuch mag lunga. Dhairya in final year- Mai ye bhi game khelunga, wo bhi game khelunga. sab kuch khelunga 😂😂 Apne PUBG room matches ♥ I still remember tere favourite camping place jaha tu M416 aur 3x scope laga ke baithta tha 😂😂 I hope ki mai tere saath tere non noob phase me bhi khel paata. Forgetting our differences if we had any (apna recent spades game :p), keep in touch bro ♥

Aditya Dev : That transformation from boring infi maggu to a cool but still infi maggu ♥. perfect beer partner hai tu. Dude I never thought we were gonna go to Goa tbh. Those long af scooter rides and bro codes were epic. Doin slow dancin in a burning room at fnm night was so much fun. Infi selfless. Shame u had to end up in a different division 😂. Hume bhi help kar deta. Keys practice karte reh. Let's cover more stuff once we meet. Also, it's ok to be noob at pubg. Har cheez me machane ka zaroorat nahi hai 😂.

Arpit Kedia : People may call you a maggu, but I daresay you are an entertainer (of course, still a maggu :P). I never expected to feel at home in a foreign country, but you, didi, jiju, everyone treated me as more than family (even if I couldn't speak or understand Gujrati lol), and I wouldn't have had half the fun without you all. Thank you for coping with my experimental cooking, although that was pretty much your only option xD. I will always remember our dinner table chats with fondness, especially Maulik's stories xD. Stay being your big-hearted self, and keep in touch. All the best!

Shubham Jain : Hi maggu (Dhairya Pratap Singh-hope you remember this!!), pata nahi kaha se chalun karun. You are really kind and sweet person. The transition of yours from being a maha maggu to a not so maha maggu is phenomenal. The fun moments that we had starting the first year till the final year has been a great experience. You were so susceptible to other influencers but non to my suggestion (i guess due to the hostile intentions due to acads rivalry-one sided declared by you in first sem:P). Your song suggestions really helped me lift my mood. You are really hardworking and dedicate person and keeping up that, I hope we will get along together in the near future!!!

Animesh Singhal : Dedh Maggu and my fellow Lycan <3 Aint no baaady telllll me naathinnn XD XD Buddy, you have a heart of gold <3 Wing mein aate hi teri room se bajta hua amazing gaana, your love for rap, your shoes XD, our late night discussions at each others rooms, tera keyboard bajana, dev ke room pe lagaye hue peg, catan khelna, cards, Goaa trip <3 (i'm glad tune hamari pitai nahi dekhi XD), and mutual love for music! I really appreciate the amount of hard work you've put in studies. You say that you weren't active in cult, but bro so what? Look at the academic foundation that you've built! You're going to kill it in life! Thanks for being an amazing friend & always being there for us. Stay cute :D

Desai Darshil : Maha Maggu Dher Pratap Singh! Dost se kab bhai ban gaya pata hi nahi chala. I will forever cherish our Montreal trip especially our "Night club" and Casino adventures, visiting your house in Vadodra and the MLA heartbreak. Freshie year Physics lab me "help" ke liye dhanyavaad. You are a pure soul and have the fiercest "Never give up" attitude in life I know of, always stay the same. Until tonight's Boom bam :p PS - "The music stops and echoes on in sweet refrains, for every joy that passes something beautiful remains"
