Namita Soni : Tanyaaaa, I don't know me placement sem tumhare bina kaise survive krte. Kitna time last year ka blog dekhte hue nikala hai apan ne. Diwali shopping, rangoli banana, going for those PPTs and tests, mera roj bolna ki subah utho tab mujhe bhi utha dena :p Tum bangalore aa jao pleaseeee :/ Lots of love.

Patel Sayan : Akeli na bazaar jaaya karo.

Kushal P Yadav : I'll be very sad if you forgot the groot in the insti and didn't take it home 😞

Arush Gupta : Hi there! I wish we had chatted more often, and I hadn't been so stupid to ignore the huge possibility of there being a great overlap between our philosophies. I'm hoping that I won't get a chance to miss out on those chats, because it feels like we might talk a lot more now that insti is gonna be over (for you xP) Text ya on facebook :P :)

Ayush Dubey : Hello the CFO to my CEO! Thanks a lot for providing your immensely helpful support that day (you know which day :-p). I'll very fondly remember the Dumb Charades games at my favorite vacation spot - Hostel 10. We have become better friends over the years and hope this curve never flattens! Hopefully, we can complete the remaining trips and outing plans someday as working professionals. You're more helpful and understanding than you seem! The final memory with humans of the Insti I have before leaving was our Laxmi outing with Pujan and damn it was cherishable. I'll remember the Dumb Charades in my favourite vacation spot - Hostel 10. Thanks for all the food and treats too!

Kriti Kamna : Tanya, I think we go back the longest, right from our Delhi days! I loved the way we used to have fun and I admire the way we smile at each other, everytime we meet, even if we haven't talked in ages. There is that comfort. All the best for the coming years and keep dancing 🌻

Utkarsh Chandra : Tanya! That IDC course was the coolest dassi i ever got. Kitna clueless hota tha me un meets me XD. Aur end me jo wo 10 saal ke bacho ki tarah thermcol ka project submit kiya tha wo to kabhi bhul hi nahi sakta. Thankyou for helping me pass that course. Stay in touch.

Ishita Shah : Tanya Mamgain, I know you've still not watched Fleabag and you suck. But I still love you :(you've been my (only?) constant date from freshie year :P and I miss coming to your room for brownies and clothes :(Hopefully we'll meet in insti soon :(Love you 'cutie' ;)

Pranav Thakkar : Hi!! Thanks for the help in MA214 :P you're sweet and it was always nice to chitchat with you. All the best for your future, and keep dancing :)

Apoorv Kishore : Yo Tanya... You are one of those very few people who have made a permanent impact in the way I live and think although I think you already know that. I don't think I could ask for a better partner in my tenure. Your work ethics , the way you handle pressure, the way you are honest no matter the situation and true to yourself have brought about a lot of respect for you in my third year and I am glad that I got to know you personally.... I don't know if I have been as good a friend to you as you have been to me but I know there are a lot more fun times to come :P and we will have more "Trips" :P.. so no goodbyes :P

Krishna Wadhwani : Hi Tanya!!! my forever lab partner. I know that I was a terrible lab partner in first year so thank you for bearing with me and handling everything ♥. And I was not exaggerating when I said that no one has ever shouted at me as much as you did in the first semester😁. Over the years, I have really liked your company and hopefully can stay in touch😁. #DreamTeam

Patel Harsh : Tanyaaaaa...! Though we have interacted mostly in the last year, I found you a very kind, sweet and cheerful person. Wish we had talked more. Apni pehli mulakat freshiezza video banate time hui thi vese.! Uske baad ek baar 24*7 me bhi mile the freshie year me in case you remember any of these, baaki D2 to tha per kabhi baat-chit nhi hui..😁 Those placement gossips, insights, khaane ke orders, ppts, findae talks(especially vo epigamia wala😁) tests etc sab yaad rahega.. Bahut tang kiya h mene aur Namita ne tumko.. Ab hum log kiske saamne jhagdenge? 😁 kabhi 2 burgers thoosunga tab tumhari yaad jarur aayegi! Chalo fir se kabhi order kare sath me.. Be in touch!

Anusha Dubey : I will love to share my room with you for my whole life Tanny ♥ You are the sweetest and most understanding roommate anyone could ever get. Pure insti me tune sabse zyada jhela mujhe, koi bhi award kam hai uske liye. Thank you for sharing and tolerating everything with me, our rooms, your dresses, our dance video fantasies, my alarms:P, my mood swings, your troubles, my troubles, and most importantly your love. I don't think the space is enough to write the innumerable amazing memories we have created together. Though you are an introvert for the world but you are that little dancing girl for me who will come hopping to me every time she is sad or happy or excited. Thank you for all the care😁

Harshita Verma : Hello bache!!!One of my most reliable secy :P I know meine tum logo ko bahot daanta hai :P but apart from that I enjoyed the fact ki after a point you started taking up responsibility of an event and would get it done perfectly...shayad yeh in person nai bola hoga but my CO tenure would have been a hell without you :P :* And also H-10 ko itna acha Dance secy nai milta :P Socha tha yeh last sem I'll try to hangout with you guys but this corona messed up pretty bad :(. Let's try to make up for it whenever possibly. You're a smart girl keep progressing in life and stay in touch(and I mean this part :D).

Neeraj Sohani : My pancake buddy. I seriously love how much you love pancakes. We've gone on some memorable foodie endeavors with Theobroma being my favourite. <3 Now changing the topic from food :P I've seen you grow since your second year. Pehle we didn't talk so much but I'm happy that we got closer year by year. My two day trip to Bangalore was so fun because of you guys. I'll miss you and I hope that we remain in touch. Also, you should know that even after 50 years, if you randomly call me up asking me to accompany you on another pancake extravaganza, I'll say yes no questions asked :P <3 <3

Animesh Singhal : Hey Tanya! Thanks to AIDS'2020 we all got to have so much fun. Even though tum logo ne mujhe podium banaya, aag vaala dance karaya, frock mein photo kheech li, aur vo Aladin vaali jacket pehenne ko di but kya fun tha yaar XD. I had a great time chilling with you! I must admit, tera classical dekh ke toh mai surprised tha hi but jab pata chala ki insti mein aake seekha toh mind blow ho gaya _^_. Stay in touch :D Hamara dola re dola vaala dance video leak mat karna plis :P

Piyush Gupta : Hi Tanya Mamgain :))) (thx for ruining this emoji for me -_- xD) You are one of the chilliest and fun company I had. It was always fun hanging out with you indeed. Design project was super fun too. Miss our random dessert outings. And yes it all started with that freshizza video. I won't ever forget our 4th year holi and that UNO game. Pushkar Saraf : We didnt interact much lekin.. kitna khush insaan hai tu :p 5% respect badh gayi. Mumbai mai rahegi toh milena kabhi :)

Shubham Punjabi : Yoo Tanyaaa! Our interactions have been limited but I have always found you to be a very genuine and sweet person. Seriously matlab, 4 saal college ke baad bhi itne respect se sabse baat karti hai (aap use karke Xd 😊). Thanks for not ditching out on that awesome ALan walker concert when your fat friend(bisso) did! Ek aadha dance moves bhi sikha hi diya tha tune concert ki itni bheed mein bhi😂. Always keep smiling and the positive person that you are! Also HIMYM >> FRIENDS 😊

Abhinav Jain : Yo, we never really talked to each other, and hence me writing this post would be a bit weird but I want to thank you for being that one last girl in the aerospace batch who actually acknowledged me and smiled when we crossed each other. Idk if you're really aware of what all happened behind the scenes but that one little gesture of yours when we used to cross each other turned out to be somewhat valuable in the 4 years of this institute. It is one thing which I don't think you would have ever given a thought about but small gestures are really important sometimes, thank you!

Abhinav Dhakras : Arey Tanya Ji! I don't really remember the time since our friendship really grew. I guess Insync was involved somehow. Maybe it was AIDS or maybe freshie year ka PAF, but itne saalon mein achhe hi rahe ho tum aur aise hi raho. Also next party mein apan dono ki turn hain na peene ki infi :P.
