**Raghav Goyal :** Meowwwww! haha! Bhai, if only i could limit this to 2 to 3 lines! Love you bhai! from being strangers to being such close friends, I have no idea how that even happened! Thank you for everything bey! for listening to my BT, for helping out during elections, for watching horror movies (nun was pretty badass), for having lots of maggies, for h1 mei late night dinners, for "please class le chal", for "aur randii :p", for helping me with my very first drink, for "bhai duty free le aa please", and definitely for sorting my shit out! :) colaba wale mc! milte rhio

**Rajat Kadam :** Bhai we have come a long way from sitting on the last bench in 9th -10th to insti. I still hate you for canceling our dinner plans(you would also feel the same XD). You still owe me a treat for your birthday though. We always ended up in sigree thinking koi acchi jagah jaana hai for catching up XD. Let's grab a drink once you are in Pune.

**Veerupaksh Singla :** Tanny bro! Apna hi hello to first year se chal hi raha tha, thanks to Rajguru and Kadam as mutual friends ig 😊. Got to know you better as lab partner and now the design project. Kaafi chilled out yet sincere person hai tu, and mujhe bhi chill karna sikhaya h tune 😊. Labs and presentations were always fun because of you. Us din sunny se kaise dum dab ke bhaga tha, hamesha yaad rahega chahe tu kitna bhi deny kar. Apan PBS challenge na, hausla rakh - umeed pe duniya kayam hai 😊 Meoww!

**Ishita Shah :** Meow! XD All that natak, the 'tu kataati hai bas', the Ahm drives, rants about ICC, and H18 studytime led to so manyy memories! The sunny nights (especially the ones that ended at apna dhaba), the laxmi lunches, marine drive seshs, gymkhana, are some of my favourite insti memories ♥ Maybe we'll get to have one more gymkhana night, as we always planned, and hopefully tu us raat toh at least royega nahi. :P PS: Let's always remember, tu kataata hai, mein nahi (ily 🧡)

**Pranav Thakkar :** Tanny G! Man final year would have been incomplete without window chilling XD thanks for always setting me up whenever I needed your help, and accompanying me to Kanjurmarg hahahaha. I always loved chilling with you and listening to all the junior ICC, Inter IIT and polt rants :P let's hope we can do one more time when we go back to take our stuff! Sabse chiller banda hai tu. Meoww!

**Dhwaj Singhal :** This is where the word limit really stings so I'm going to make it count. Tanny, you trash-collecting, pot-smoking freak of nature, having you as my roommate has been fucking wild. We have seen things, and been through things that no mortal being could comprehend. Looking back, I'm really glad we ended up as roommates because that triggered a series of events that can only be described as unfit, for being shared on a public forum such as this. From almost burning down our room, to storing incomprehensible amounts of substances, and many other memories (some greatly disturbing), room 179 of hostel 4 has had quite the legacy. Its really been fucking wild and I'm super grateful for that <3

**Animesh Singhal :** I don't know why I laugh in almost every second line of our conversation. 1st-year ki cult council ka time toh amazing tha bhai Tanmay yaar. Kuch toh karke hamne Solaris pull off karva hi diya tha. Thanks to saviour squad, fourth year mein hamne kaafi reconnect kiya. Us group ka name jo tune rakha tha toh epic tha XD. Aur uske baad vo nirvana ka state acheive karaya tha tune, vo toh bhai next level hi tha XD. Vo din toh bohot hi eventful ho gaya tha. Lastly, bike dilvaane ke liye thanks :D. I really want to be in touch in the future, investments ke bahane hi sahi. Chal, kabhi firse nirvana attain karte hain :P

**Aayushi Baheti :** Yo! Thanks for making those wahiyaad labs bearable. Those Ludo sessions in the lab, TA ke saath panchayti, daaru parties(jo kabhi nahi huyi), hilarious viva sessions, will miss all of it. Hum shayad pehle group honge jo honesty pe viva nikaal aaye 😂😂 Even the DE meetings were epic dude. Thanks for taking efforts to complete that video. Maza aaya tere saath kaam karke. Stop complaining to Pranil that I bully you. Hope we stay in touch. Keep doing what you love!

Tere sath CAT deke wapas aate time teri 'job nahi lagegi bhai Cpi kam hai' wali baat ke baad jab tu Kotak crack kiya toh bahot khush hua mai♥ Apan charo ka ek baar bahar jana reh gaya bhai bass! Tere design lab me witty comments will be missed, Leja kya mast confuse hoti tere aur veeru me! 😊 Chal bye, Take care♥ Also, Cu\*t council best hai♥

**R Aditya Narayan :** Dude, I'm so sorry I dropped that contraband. We have to do a shesh at some point to make up for that. Thanks for messing up IV and being a never ending source of entertainment.

**Samruddhi Dodal :** From ttmm orgie to hanging out with the group during ECell tenure and final sem me failed plans banana, it has been fun knowing you. Hope ek baar toh work out kare apna plan! Stay in touch, wish you the best <3

**Abhishek Rawat :** Tanny Yaarrrr I am gonna miss you sooo much.....Bc jitna terse gaali khane mei mazza aata thha that is irreplaceable. I wish mai thoda pehle se teri wing mei hota aur terko meri aur batamiziya dikhata :P.....I just cant think of what to say now there are soo many great memories we have shared in just short time.....Apni woh daaru wali deal abhi bhi on hai and dont forget bros for life.....Chacha k saath bethke plans bnaye thhe woh bhulna mat meri powers ka full misuse karengey xD.....I really Hoped for that last couple of months to happen but dont worry we have rest of our lives ahead to catch up. Tere kaach fodna ka sapna toh adhura reh gya..... Also I will always remember that Fifa match you quit in 35 mins xD.....Really Gonna miss not having to see you everyday those random life talks in the corridor, those death threats from you.....Gonna miss you Tanny

**Mukul Jangid :** Tanny bouy tujhe sab kaise pta rehta hai re? Kaha se milti hai saari khabre? You are one of the smartest and extremely talented(only in few things election included :p) friend jiske drive folder ko pura tenure benchmark banake chala tha main. Tere room mein sirf enter kar lene se mujhe hit aa jaati thi. I wish tere saath jyada dosa plans execute ho paate. Aise hi time to time mujhe content dete rehna hai Musketeers pe bitching bhi karte rehna sabki <3.

**Abhay Tomar :** Yo bro! Meow really?😄 so one of the best buddies in insti I have is you. 1st year me wingie se lekar last sem me buddies tak kaafi maze kiye hain. There have been many times when I needed some little helps and tune kabhi mana nahi kiya and idk why but that felt very supportive at times 😊. Ik 2nd year ke end me kaafi nakhre kiye the maine road trip jaane ke liye😄. But if I do get one more chance, maybe after this when we meet again lets go for sure. This time ill drive as well haha :p. Oh btw, on a parting note, teri image meri mummy ke saamne achchi bani hui hai😄 itna bhi bura nahi hai tu jitna tune socha hua hai so chill.

**Vatsal Khetan :** Tanny you were the jolliest person I met in insti. One of the most hardworking secies, you started the IITB UD which till then was just a manifesto point being passed from one secy to another and you also saved it from getting discontinued. From debsoc practices to sunny nights to organizing IV 2018- the best version with literally no fuck ups in accommodation, tabbing, breaks announced on time, most perfectly organized tournament. It gives me a laugh by remembering how petty our fights used to be during IV. We should have hung out more definitely and I hope we stay in touch

**Aashay Biyani :** Tanny G, first when I heard someone say this, I thought they said it out of respect and later I realised the Pun. You were simply the jolliest person in DebSoc. Being chill with everyone and always ready for party are still your qualities. Though Aapne abhi tak ek bhi treat nhi Di: first year MI Coordie treat, second year IV, and bday treats to bhool hi jao. And you also ensured that we've unlimited supply of memes on IV :p (apologies if it's offensive) And btw, funniest thing was when you told me E Summit was your idea and I believed it too :)

**Saumya Birla :** Sirrr! From being one of the smartest and the most hard working secies to being the laziest baap secy :P, you have been there at last moment intern preps and last moment event fuck ups (although after some drama, but you were there). Even after ignoring more than half of my rona, I knew you would always have my back in the end. Debsoc hangouts and Sunny will be incomplete without you pulling my leg over my tenure and eventually taking my side. Pure sem plans hi banate reh gye Sunny ke, who knew possible nhi ho pyega :( Please keep giving goss, making plans for Sunny/Apna Dhaba and stay in touch! To the best baap secy!

**Rishabh Dsouza :** Tanny boi, I'll miss that "aur randi" and waft of smoke every time I enter your room. Kitna seekha hai tere se...messages ignore karne se leke truly chill karna. You've always been there for me with a solution to every problem: from "mein sambhal lega" to "uski aukaad kya hai". Tere bina ab gossip kahan milega, woh deep conversations kaun karega. Thanks for all the amazing memories from that first sunny night, the birthday sesh, Pro-Am😄to that crazy AD night. Bas apna road trip reh gaya. PS: Love the way you roll bud..meow!!

**Shubham Khoker :** Tanny, My bitch . Kaisi si h yr tu. Koi bong ke liye itna insist kaise kr skta h. Still, post cult meet, bht lit scenes hue h yr ranging from GSCA to JD. I am always gonna remember "meow"

From being my Ganja bhau aka smoke angel to being my real bhau you have done a lot of things to me and for me. Thank you for everything bhau! I'm gonna miss all our CL meet seshs, you screaming 'aur randi', aaj mai bike chappal se rokega, apka Ravi dealer, your tool kit in the right drawer, aaja fifa me gand marlunga, 'paisa paisa paisa', khud ko jyada smart samjhta hai kya and definitely all our 4:20 trips which ended up with a mild doze of moda XD. You are one of the smartest and coolest I have ever met. Bas isse jyada accha nai likh sakta aapke liye. Okay bye. P.S. - Hum toh harre hue log hai <3

**Arjav Shah :** Tanny! It has been so much fun having you around! Your ability to finish a task at hand until perfection is amazing! I've seen how hard-working and dedicated you're in ICC and of course, the design project :) Will miss those impromptu presentations and lab banter so much! Stay the same ever-smiling person you are! Best of luck with everything and hope to keep in touch. Cheers!

**Yash Kothari :** Tanmay Boi. Our 1st year scenes were insane. Pehlaa puraa sem Mini Militia to dusra puraa sem Bombsquad khele bhai apan chaaro. Yaad hai MA ki koi to exam ke liye padhne mile the apan and aadhaa ghanta padh ke 3 ghante MM khelne baith gaye the. Bhai, I wish baaki teen saal saaath me hote, sahi me kaafi maze karte.

**Adarsh Rathi :** Tanmay bhai!!! Tu bahut hi bakc\*\*d raha yaar starting se hi and bahut maja aata tha saath mei. Kaise apne mil ke sharma aur tomar ki lete the, 1st year mini militia was lit be. H4 mei alag ho gaye but H18 mei wapas mil gaye, saath mei nahane ke liye? oh, god how did you guys came up with such ideas? Thanks for helping me bro many times and I really liked when you appreciated me twice or thrice when we used to meet in mess. Tu bahut diplomatic and manipulative banda hai, tere jaise dost paas mei hone se maja aata hai. Mom jokes banane mei bhi bahut maja aata tha kutte tere saath, cause there was a sync, teri m\*\* takli, haha. Keep in touch and all the best bhai. -Rathi
