Mrunal Chavan : Yo Nandan!! I have unintentionally managed to annoy u a lot and that too a multiple no. of times. I don't know why tera department yaad he nahi rehta mujhe.😂 Elec hain na?😁 Now rest assured 5 saal main I finally got that right. (Just kidding) EP se hain tu pata hain ab.😁 Teri har painting har sketch dekhke yahi socha hain ki awesome talent nd alag level of creativity hain tere main.🙏 Ye to waise Freshizza wall painting ke time he dikh gaya tha. I will always cherish that wall painting jo Shivani, tune nd maine banaya tha tb.♥ Hamesha mast paintings banate rehna nd keep inspiring ppl like me.😁 I hope we stay in touch and all d very best.♥♥

Ashutosh Kumar : Nandan aapke saath toh kaafi saari memories hai.....first time yaad hai hum AIDS ke time KD ke letters lagate hue mile the.....aapse baat karke laga hi nhi tha koi senior se baat karra hu because you have always been so welcoming. Hamara tenure, summer mein woh nails thokna and then KD ke endless meets, everything will be very close to heart.....aap hamari kitni care karte the, har choti chiz ka khayal rakha aapne aur hamesha guide kara. You are one of the seniors jinke liye infi respect hai. Thanks for all the treats. I'll surely miss hum sabke hangouts, PFA room mein movies dekhna and the gossips, your awesome artistic skills aur ideas and aapke playlists!!!♥

Pattisapu Divya : Ukulele partner, Netflix partner and Your Highness, your exquisite brushwork amuses your subjects. Your light-hearted humor makes you a friendly senior and an easy target for many jokes. How you infiltrated our wing and started looting Netflix is an open secret. But what people do not know is where your enthusiasm to participate in all art events stems from! The most recent hangout we had was so much fun, let's go on a Ukulele and art spree again. Or better yet, a netflix watch party? I'll miss bugging you !

Bakhshish Preet Singh : Bhai apan kitna randomly connect krte hain yaar cheezo pe. Mere lie best painter to Razi hi rahega but :p. Tu nhi hota bhai to ghanta koi KD mei achii cheez ban paati. Mere aane ka sole purpose to bakchodi krna hota tha. Aur obviously tujhe acche aesthetics chamkaana taaki execute kr de tu :p. Research mei aata to US mei Rang sessions karvaate :p . Arey haan, Pichle saal Bangalore mei help krne ke lie dhanyavaad <3.

Bhuyashi Deka : Yoooo Nandan Rajkumar. Freshie year se hi dekha hai ki aap bohut sahi sketching karte ho and ek dum chillax insaan ho. Kaafi maza aata hai aapse baat karke. Although bohut baar the conversations are drawing posts we share :P. Thread art was a pretty new experience so thanks for asking me. Uski treat de dena bas :p. And placement ki bhi. Jahan bhi jao art mat chhodna, ab toh iPad bhi hai aapke paas :p

Pranav Thakkar : Yaar Nandan last sem aur ye (aadha) sem kitna mast tha. I love your taste in music dude, your songs vibe so much. Your window was the real shit (even though it was used against you by Patil XD). In our baddy group you're second only to Mandar, aur tere saath chill karna bhi best tha. I hope we get to hang out once when we vacate insti!

Risha Agarwal : Nandan 💖 you're so so talented, but I guess the whole insti knows that already. Hamesha help karne ke liye ready rehte ho, aap jitne sweet dikhte ho usse kahi zyada funny ho and I really like that quality of yours. I really hope ki aapka art gallery ho kabhi like I used to say earlier. That gallery would definitely be my place of peace 💖 Please paint karte raho, machate raho, and do stay in touch :)
