Bhatt Maulik Chunilal : Hello Tiwari sab, aapke liye toh senti mai ek puri book bhi likh de toh kam rahegi. I can say without a doubt that you have always inspired me right from the first year. You're literally good at everything. Bhai kaise kar lete ho itna sab. Let's start from our first interaction. Tumhare mom-dad samaan jama rahe the tab pehli baar baat hui. Fir dusare din mai tere room pe aaya aur baatein chalu hui. Maine bola mai padhai nahin maze karne aaya hu! 😂 You were like ye banda pagal hain kya. Fir jo God pe discussion hui uske baad toh apni bonding aasman tak chali gai. Fir ek chhoti se ladai ke baad toh pakke se bff ban gae. Tumhare sath literally koi bhi topic pe discussion kar sakte hain ghanto tak and fir bhi bore nahin honge. I never thought ki koi bande se iss level tak frequency match ho jayegi. You have been an extremely good friend. Always helped whenever needed. I can't believe ki abhi bhaagne k liye tu sath mai nahin hoga. Tune inhi machaya hain life mai aur tu hamesha machata rahega vo pata hain. Kaise manage kar leta hain be itna sab? I will miss those small hikes to Sameer hill with you. I will miss you while attending some epic talks. I'll miss how I used to come to your at random times and spend hours discussion politics, indian history blah blah. You have been and will always be a great source of inspiration to me. San Diego jake mujhe bhul mat jana. Always stay in touch. Bas ek baar insti chhodte time milke jana please. Will miss you a lot 🥰 bahot likhna hain lekin baki ki senti personally milke mar lunga 😊

Pujan Biswas : Hi pseudo bong. Abey matching dress code ke liye kaise maan gaya tha tu?XD Haan bhai Mech is the daddy branch of Aero but Aero waalon ke paas <3 hai. Lagta hai aapko philosopher banna tha, galat country mai paida hogaye yaar but ab sahi jagah jaake firse sabme fodoge. Guitar skills ka kya bolu bhai, mai hi head over heels ho gaya tha. Yeh sab toh theek hai, aapka discipline bhai sahab. You are one of the people I have not only respected but looked onto everytime, however much you deny it! Woh cycle waala, papa ki watch waala humble insaan ko kaise bhulu. 26/11 ka insider info nahi hai tumhare paas XD Aise inhi mess talks ke liye dhanyawaad. Milke senti karte koi bhi staircase pe. Yours, Bisso!

Yash Shrivardhankar : Tiwari ji! I still remember the surprise on your face when I tracked down your location in Lonavala xD. A true hard worker. The fact that you do stuff because you like it and that too with hell lot of dedication is truly commendable! And discussions with you were always interesting. Keep up the innocence in you! The fittest driver of our team! Bhai Birmingham Wheels pe jo bakchodi peli hai apan ne! And raat ke packup ke time neeche gire hue bolts aur washer dhoondna xD. Tere aur Namya ke kisse to alag level jaate hai! Cheers to all our batch 1 memories <3

Sriganesh N : Yo Nitin sir! You are a very sincere and secretly naughty guy :D Tu mostly busy rehta tha, but wing me tere sath milke kiya hua masti sahi tha. Kabhi time waste na karne wala banda 3rd year midsem k pehle wali raat kisi k sath LCH mein 3 hours baat kiya ;) aur uske liye hamara chota sa book business duba diya :D The stunt you did with the Racing wala car was epic {though it happened by accident, but why should anyone know ;) } I enjoyed discussing books, movies, issues of the world, careers and everything else with you. All the best for your future and do stay in touch..

Namya Bagree : Infinite pictures hai teri mere paas, never lived together in insti but have lived together everywhere outside insti😂 Mumbai and Pune ke beech mein ek chhoti si gao (Lonavala) bolke tune kitne log ka give up kiya hai! But thanks for the amazing chikki shop. The best days were when we got to test EVoX and will always be a special time in my insti life!

Shashank Kumar Sahu : Nitin brooo... 1st year me kyu nhi mila be tu, nhi to m Mech BTech me hota 😞 Thanks for patiently explaining me last moment pe. Jab bhi tune padhaya hai meri ek grade badhi hai 🙌, be it Elec or Eco or Philo. Tera Gulabi aankhe 😊 Revdanda trip ka best part tha. Itna organised aur ahead of time kaise rehta hai be tu. Koshish krke bhi seekh nhi paya tujhse 😞 Apna basketball khelna, gym jana, cycle me sath LCH se hostel jana, racing me sath me firewall katna 😂 yaad rahega mujhe. Aage bhi meri aise hi help krte rehna 😊 and all the best for your future. And sorry for that time jab Kapasi aae the 😞
