Himali Mhatre : Hey ,Thank you so much ! In your 1st sem, you and Swapnil almost seemed lookalikes and there were more pink slips than your signatures ...so there was no chance of figuring out who Shailesh is! But later we often met in Mtd Lab and I would like to remember the all geared up Shailesh for his first Pocra meet !😎 All the best ! 😊

Swagatika Priyambada : Hi Shailesh, we got few chances to interact with each other but you seem to be a cool and intelligent person. The only time that you look little worried was during placement but you did great and landed yourself with a job. Congrats and hope you enjoy the times ahead!

Jayeshkumar Dayma : Hahaha...sure bro...😍 & my TD 609 partner 🧑🏻 but u still don't understand me at all...😂😂 but we really enjoyed a lot in TD 609 chahe vo movie ke liye jana ho ya outing ke liye ya resort par...😂😂😂 & bhai thoda confidence la aur bol de use jo bhi tuze kuchh bolna hai...😂 bro thoda kam socha kar aur logo ke liye pahle se hi opinion mat banaya kar...😂 All the best 🙌🏻 bro for ur future...🌊

Lahari Yaddanapudi : When I think about you, I always remember that you were not present for the first few weeks in class :P. Because of that, I had assumed you to be silent, turned out you're not. Thanks for being a part of these two amazing years. :)
