Animesh Singhal : Stud launde/ Love guru :P I wish we interacted more in the previous 7 semesters, but jitna bhi time tha epic tha. Kya fun nature hai bey tera XD. AIDS mein tero punishment aur daant jab padti thi toh kasam se bohot maza aata tha but bhai ki priorities hi alag thi XD. MI fundae aur insti ke last din ke fundae toh yaad rahenge! Ab toh poore Mumbai mein macha denge college ke baad :D. I wish ki ek din tu bohot bada model bane <3

Krishna Wadhwani : Bahut time tak socha hai iss post k liye. Bhai thank you mujhe jhelne k liye, saari help k liye, unneeded gyaan k liye aur unintentionally pranks karne ka chance dene k liye (Sorry tere saare hacks Abhinav aur main kiye the😅). Tere exam se pehle 16 hours sona, har dusre exam k pehle mazak (assuming) mein washroom mein milne bola, har dusre week chill marne bolna, apne life goals pe lecture dena jo hamesha IIT pe rant pe khatam hota tha, wierd movies dekhna, aur baki cheezein jo yahan nahi likh sakta - Hindsight mein kafi entertaining tha tere saath rehna😄. Tera chilled out+helping attitude kafi sahi hai👍👍. Baki tu hamesha bhai toh rahega hi♥♥♥.

Abhinav Jain : This is that one person jisko aaj tak life mein sabse jyada pareshaan kiya maine, I am so ungratefully happy about it. We might not have talked for long times, but every time talking to you was as comfortable as it was in the first year. Krishna ne bata toh diya hi hai saare pranks ka, I take responsibilities of those, and yes I am not sorry about it. But I want to thank you, for you might not know but you did let me come out of the many barriers of tradition and culture in the institute. I cannot forget when you motivated me to talk to my crush in the first year and there are yet many more such memories. tune pareshaan bhi bahut kiya hai waise, nalayak koi assignment khudse nhi karta tha bu

Apoorva Singh Gangwar : Apan first time orientation start hone se pehle mile the. Bada sajh dhaj ke aaya tha. Bsdk orientation tha, ramp walk nhi karna tha. LHC se tera cycle ko paidal leke aana. Exams ke liye notes jugadna. Exams ke baad tera randi.rona. Har samay kisi na kisi bandi ka msg aana. Sudhar ja. Final year me bahut Masti kari hai apan ne. Placement me alag hi foda. Bhai ka swag. Yaad rakhiyo. Bandiyo me itne busy mat ho jana ki hume bhul jao.

Vinod Mewa : Hello bhai! ab tere lie kya likhu...likhna chalu kia nhi usse pahle teri bandiyo ki list yaad aa jati hai 😂😂 From 1st year's DJ night to last year's MI humne bohot mazze kie hain saath me...jab kabhi mood off hota tha tab koi aur saath me ho na ho par bhai tu jaroor aa jata tha<3. Agar tu nhi hota toh sayad me insti se kabhi bahar hi na nikal pata bhai, chahe next morning koi quiz hi kyun na ho phir bhi hume late night tak canteen me baithke bakchodi karni hi hoti thi bhai XD! Baaki ladkiyo se baat karne me tu kitna daring hai wo sab jaante hain :p aur bhai tujhe abhi tak us insti waali bandi ka reply nhi aaya uske lie I'm still feeling bad for you! Baaki stud toh tum ho hi. All the best

Luv Nainwal : Gupta Ji. Hum itna late ku mile? Last days MI ke ekdum epic the. <3 'Eye contact' and 'Smile' Done and dusted. Ground level se cheeze karna seekha diya hai mujhe xD Late night cheese maggie, bean bag talks, Animesh ka room, :p Satish ki faded fantasy, MI's concert, Banda Railway station drop (Kitna effort matlab?), AIDS ka back pain ("Mai nhi karrha, itni mehnat kon karta hai"), Yaar 14-15 to yaad hai aap safety ke liye 50 likh lo. Duniya kuch bhi bole, Tum Machau the, ho aur rahoge. Afterall, it's difficult to see the worth of a diamond in a coal mine. 😊 Abhi to Mumbai infi machana hai. Waise, R15, Duke ya Pulsar? IAS chahiye bas xD Jaldi hi Milte hain, Cheers! High Five!
