Rahul Verma : Miss siddhi garg, an emotional girl. I have seen very few girls who are emotional and you are one of them. A talented, simple living, kind hearted and loving personality which makes you different from others. Tu mainu bas punjabi sikha de.. Always keep smiling and han ye tumhare liye. Shayari likhne ke mood mein to nhi tge lekin profile pic nein majboor kar diya... Always be in touch. All the best for your future endeavours.

Adane Sahil Ravindra : Ek min... ye Siddhi Garg kon hai? Aap to sirf Siddhi ho! xD Anyway, aapke saath kaafi accha time tha Luxembourg mai. You were always the mediator as Sagar and I kept fighting like kids. You tolerated us, thanks for that ;) We've had some interesting discussions and it was a pleasure knowing you. All the trips were fun, but Amsterdam was the best. Will always remember the time we were thirsty all the way from Prague to Leipzig and then we bought sparkling water by mistake :(Whenever I go back to those Europe memories, you will be a part of them. Wanted to meet you once before graduating and remember those. I hope it happens when you come to Mumbai again. But, we will stay in touch anyway :)
