If you could pack up a bunch of things from the institute to keep with you forever, what will those be?

The muscular doggo of H12, the road that leads to the boathouse, the calm around Vihar Lake, and the peace from the DESE rooftop/VMCC highest floor.

Aditya Chalisehar : Hello Mr. ISAA (Masters)! Thank you for all your help with the Council this year, and listening to me rant patiently about anything and everything in this year... Ab din Khali lagega. Suffice to say, we have seen almost everything in this past one year. It is sad tho we have never been able to really chill as much as I would have liked. Let's try to do that before you leave... All the best for everything! Stay in touch! :)

Shivam Sharma : ComSki Mam ka definitely crush tha tu. 🤔. Insti mai koi bhi rule puchna ho. You're the rulebook. Insti ka drafting committee ka tu bhai chairman hai 🤔. Remember. Bachelors party. Mosquito Badminton, Jo fek diya tha. Uske baad walk and chai. Epic tha. Muje toh sofa samaj ke kutiya ho rahi thi. Akele raat ko cycling matt kiya kar, leopard bhi non vegetarian hai.

Deepak Mohapatra : First night out with u and Rahul, solving assignment (although last day stuff 🤔). Room 339 will always be remembered for its unlimited madness, full day night Bakchodi, arguments with Bhatta Nd Gautam Nd U had ur first fire shot with bartender Rahul and me as extinguisher 🤔. Shirdi trip Mai tereko forcefully liye the 🤔. Cycling partner, explored every corner of IITB. Thanks for being present in almost every outings including Navi Mumbai 🤔 (bechara bore hogaya tha). Useless cab rides(with DnC) from hostel to marine drive and worli sea link and returned in that same cab 🤔. Har time Tayar reh ta hai, bahar jane keliye. The memories that have been built over two years, are precious to me. U r

Mouli Hazra : Hey Himnashu...the most memorable one is the first meeting with u..A very joyful and nice personality u have.. Maitreyi Rajeev Madhavi Redkar : Himanshu, you are one of the best friends IIT has given me. I truly treasure you and your eccentricities. You will always be my favourite colleague to work with, you do keep inspiring me to be so meticulous in work and so carefree in the personal space. Warm hugs always, please do keep in touch. I wouldn't lose you for anything, including a baby yak (a new favorite)

Harsimran Kaur : Hey Himanshu! To be very honest when I joined PGAC team this year I was not expecting to make such good friends. Working and ranting with you has been awesome especially when our opinions are quite similar on so many matters xD (IYKWIM :p). You are both inspiring and funny at the same time which in itself is a paradox. The hard work and dedication you have displayed during the entire tenure is commendable. I hope we stay in touch to share our sticker stash and tittle-tattle :P.

Shweta Naik : I will always remember that once incidence where Nidhi and I were bitching so much about you on your face! And you like always were smiling and taking it sportingly. Tera Warli art and chocolate collection is what i envy. You have been a great friend and have helped me a lot as well. And you will surely get someone who will make you a "Birthday Bride" :P P.S. - Rocky is way cuter then you think he is :P Also the council Tshirt is pending :P

Khaire Abhishek Vinayak : I still remember repeatedly asking you "why don't you go for IMR?" and finally you did at last moment of last moment :D it was fun filled journey. Wish you will fulfill your dreams. We will cross our paths if destined. Bon Voyage.
