**Patel Harsh :** Patil!!!!!! Bhai vo ED sheets, exam ke pehle ke night outs, h16 me patte, meri bina birthday ki GPL, tech indingo and aur bhi kaafi cheezein h.. And Aparna ka crib to bhai irreplaceable :p bahut padhaya h be tune and acads me kaafi help kari h meri.. 4th sem to tum log ki wajah se hi nikla h. I am really sorry election ke time pe jo hua uske liye. Even I seriously regret that. Us time pe situation alag thi yaar. But please don't consider me as palti maarne wala. I am really a man of word. Thank you so much for always helping me out. Be in touch!

**Pushan Bal :** Bhau! First of all, let me just say it right away that you are probably the most enthu guy about our branch. "Agar mera AIR 1 aata to bhi mai meta hi leta". These were your first words to me. Honestly, at that moment, I had almost decided that I was never going to talk to you again. I am so glad that I didn't do that. Part of it is because you never stopped interacting with me, sharing information. That one major clue that you provided led me to solve that huge mystery (you know which) ;D. I am sure that your light will shine the brightest wherever you go. Stay in touch.

**Abhishek Rawat :** Patil yaar bhai life toh apanne jee hai bhaiyyo waali.....Mujhe hamesha ye dukh rahega ki apan ek wing mei nahi reh paaye halaki dhvaj omkar naman aur tu ek wing mei hote toh aaj mera memorial likhra hota tu.....Nahi yaar tumhari mastiyo mei hamesha mazza aaya and sorry yaar agar kabhi terko left out feel huya ho mjhe hmesha bura lagta thha last k time mei ki tu Alag hogya wing se.....Prime ka password toh wing waalo k liye forever hai bhai aur apan touch mei rahengey hamesha.....They can remove us from our hostels and wings but they can never un-wingie us... Abhi toh meri sigdi treats bhi bachi hai :P

Yahi dua karunga tuje jaha PHD ke liye jana ho waha mil jaye. Abhi ek aur election haarna hai tuje next year ka, mai aaunga pura support dene :P. Red Bull ki kya aadat lagwai bhai tune, wo din hamesha yaadh rahega jab Autowale ka bill Red Bull se mehenga pada tha :P

**Dhwaj Singhal :** Man, you were the backbone of our freshie wing. I doubt anyone in their freshman year has racked up a fine as big as we have. The things we've done has cemented the legacy of that wing, and it has become reminiscent of simpler times when we were a bunch of impulsive animals who never thought about boring shit like consequences. I will definitely remember it for as long as i exist, as a renaissance of sorts :p i really wish we had been in the same wing throughout college, but as Rawat said, we would probably be writing his obituary today :P Stay crazy my man, can't wait to meet you again soon

**Mustafa Ali :** Arre Patil bhai. Tu contact 4am food supplier hai bhai. Abhi senti to nahi likh raha coz ek saal aur baki hai. Bas khana rakhna hamesha tere room kyuki mai to ate rahunga 🙏

**Atharva Surange :** Ek banda tha jisko sem 9.5+ maarna tha kyunki supervisor ne last warning di thi aur intern/phD enthu tha, wo banda Jan'19 mein mere sirf ek baar bolne pe sab kuch chhodke apne poore 2 mahine lagane H7 aa gaya tha :) Tujhe maine bohot pareshaan kiya hai, but bhai dil jeeta hai tune har baar :) Thank you so much for everything, but ye kabhi kaafi nahi hoga to all that you've done for me, elections se leke uss sem mein acads mein notes aur help ke liye <3 Apne gullu lunch, breakfast, lectures ke beech kresit jaake bakchodi kaatana, zindagi bhar yaad rahega :) Techindigo se leke abhi tak bohot bakchodi ki hai aur hamesha karte rahenge, graduation ke baad bhi <3 Meta macha dena life mein <3

**Arpit Agrawal :** Patil sahab aapne bahut gareebo ka pet bhara hai 8109 me and bahut punya kama liye hai... Bhai tere saath patte khelna and alag alag strategies banane me bada maja aata tha XD. Bhai tera dedication towards meta lit hai :P. But bhai tera dedication jaldi sona and jaldi utne ka woh bhi college me..Respect be..... Bhai mast aadmi hai be tu saala last moment pe ghutna todh liya aur Goa miss kar diya be.... Bhai milte rahenge yaar aur chalte hai kahi trip par saath me kabhi....

**Amit Gangurde :** Patil Sir!!! You are one of the most enthu person I have met in the insti and that enthu is contagious. I can not even thank you enough for the times you helped us all in almost all of the Kritika events. The Udaipur trip was quite fun and eventful with you. Kaafi toh macha hi dega tu life mein. Keep in touch!

**Vipul Ramtekkar :** Pratham bhau, its been one hell of a journey! Had it not been for the wings getting all separated, we would gotten a lot more chance to interact in the later years. We have had soo much fun from going to marine drive to restaurants and whatnot. Our debates were soo much fun XD. New wing was fun too with all the birds around. That distinctive "Bhaiiiiiii" will always be in my mind, and the thought before ordering for food! Thanks a ton for standing by my side during placements. I hope you excel in your research and get what you dream for as I have your hard work and your passion towards it from the very beginning and always remember that I am one call away!

**Chinmay Kalra :** Are Patil sir!! "Agar mera JEE Rank 1 hota tab bhi meta leta" starting mein lagta tha tu chutiya bana raha hai...but ab lagta hai tu legit meta hi leta. Your enthu towards meta and its profs was evident from the conversations u and Bal had in his room, in which I would be just sitting and listening and not understanding a shit 🤔. Mera toh core enthu kab ka chala gaya, but u keep going buddy. Thanks for all those memories bhai!!

**Sarthak Sharma :** Patil Bhai !!!! Pune ki woh trip aur election ke din hamesha yaad rahenge!! Tu jab wing mai aata ta toh kya epic football discussions kiye hai apan ne ♥ tera hardworking nature hamesha banaye rakhna ! First year ke baad jis tarah aapne Acads mai machaya hai uske liye bahut respect hai \_/\_ Aapke liye dua karunga ki mann pasand jagah PhD ke liye select ho jao and haa gossips share karte rahenge <3

**Toshan Kharumnuid :** Patil bro, how i would always wish to be on the same side as we played football cause you are one of the most formidable players with your scary ass crunching tackles, nevertheless i always relished the challenge when we were on opposing sides too. I really wish we had the opportunity to play one last time but alas, that wasnt to be but I'll keep holding on to that hope that we will yet again. I always have a lot of respect for the passion that you have not only on the pitch but off it too, with astronomy and the sciences in general. Keep at it bro. Take care and enjoy the one more year you have in insti my brother.

**Rishith P Agarwal :** Arey bhaiiiiiiii, mast banda hai bro tu... Hamare saath passive to pakka hua hoga tujhe... Hopefully jab lautega tab active karega... Have fun in Europe man... Will definitely stay in touch bhai

**Anusha Dubey :** Mujhe kaafi recently pata chala that tera naam Pratham nahi Prathamesh hai :P Bohot sorted insaan hai tu life me aur teri priorities set hai and I really admire that. Mile to apan MI me hi the aur tere organizers ke wajah se hi me kuchh kaam kar payi thi 🙄 Uske baad hamesha LCH me hi mile jab tu sabko Meta ka gyaan batta tha. I really wished tu Goa trip par aata, bohot maze karte! Good luck for your future and stay in touch 😊

**Rushil Heda :** Aapko insti me dhundhna kaafi aasan hai - gullu ya morning 6 bje running karte mil hi jaoge. Dabral kiske first contact hai vaha se jaan ne mila tha aapko. Viraj Singh ko pass karwane ke pure credits aapko hi jaate hai xD. Surange ki sem dassi aur grade analysis bhai alag hi moments. Gullu pe hi milte hai insti shuru hote hi!

**Adwitiya Rao :** Gandu tere liye senti next year

**Mohit Deshpande :** Patil bro! Aisa poore insti me ek hi insaan hoga jisme itna talent ho ki 1 sem aadhe courses me 10 laye aur adhe me 4 \_/\_ . Teri na padhne se PHD enthu tak ki journey bohot inspiring rahi hai. Patel ki maarna, H7/18 me milna, logo ko crib me RR ke liye gaali dena, monday gullu plans and TI are some memories I cherish. Goa trip pe bhi sath chalta toh kya hi baat rehti. All the best and TI forever!
