Sonia Rani : Yo pooja... I remeber jb we joined that athletics group tb tera haalat. Aaj bhi hasi aata hai. When I saw you for the first time, you looked really mature in that short kurta..poora IAS wala feel aa rha tha meko. But then we got to know you.. tu bas gusse me dikhti hai hoti ni hai xD. Tera mithai k liye pyaar... yar tu bhut mithai kha but exercise bhi proper kiya kr. Anyways... you were there when I needed someone the most. You will always be there in my heart for that. Good luck for your future.

Harishankkar GK : I noticed you first in the convocation hall..u were sitting next to jayadeep, and I was sitting next to him..I noticed that u were not talking at all..I guess well we never talked until u teamed up with Anagha :D you gave the impression of an "I mean business" type person..all the best for your future!

Nehal Sadmake : Ghani Khamma! Poojaji 🙌. I used to think you are rude 😞 but as I interacted with you I realised you are totally opposite of that. Our friendship is also unexpected. I didn't think we would be good friends but thanks to summer project and H11 mess. The way you actively participate in every event shows you enjoy every little things. You are determined, kind hearted, straightforward and honest girl. Keep enjoying every little thing. All the best for your future....

Writasree Maitra : You're curious and hardworking. I always loved the way you speak; you maintain a rhythm when you talk- that sounds really nice. You once wanted to attend durga puja in Kolkata. If you ever come to Kolkata, I'd love to show you the city. Stay happy. All the very best; hope you achieve every single goal of your life.

Rohit Kumar : Pooja Ji, when I think about u the first thing come in my mind is "fear". Esiliye kabhi aage se tere se jyada bat krne ki himmat bhi nhi hoti ;) U are the 2nd person in the class (after avari), I'm scared the most. Bhut dar lgta h yrr terese or vo fb wala comnt (remember?), I understand ur concern but uske bad to or dar bad gya 😊. But I know u r kind and good at heart, with this we have shared beautiful moments from talking while coming from class to kalsubai and kothali trip. I always wish that you reach the great heights. bs jyada tension na liya kar everything will fall in line, keep smiling always. Hope our friendship will last till 11 hours. All the best dear for ur future endeavor, keep in touch

Rashmi Bala : Dear sweet Roomie It's great to have someone who understands you, who cares for you and listens to you when others don't have time for that. The day when I met you for the first time on that rainy evening venturing into our new nest, I knew that whatever this institute might give (good or bad) one thing is sure that you will always be there. Whether good or bad, smart or stupid, I shared every little thing that happened to me and you were there to listen patiently and support. You always pushed me to rise up from hard times. I'll always remember everything-the giggles, your nonstop laughter and all. I wish for your success and promise to be with you in every happiness and sorrow. Lots of Love

Neeraj Kumar : Poo.. you are the most mature person among all of us. You are soo sweet, perhaps because you eat lots of sweets.. 😊 Thanks for giving me well written notes, it helped alot. I remember my promise, I made the beginning of 2nd semester. Will surely try to keep it. I wish you a successful future ahead.

Avari Roy : Hey Pooja! I still remember the day you waved your choli (if I remember it correctly) in freshers party, standing on the highbench! I was stunned by your guts!. That was the first glimpse that I have of you ;)...after that we slowly became friends. Don't know if you remember it or not but once you had told me to try to connect with my classmates slowly, expanding my boundaries. It was my birthday. That made my day bro.. I will always thank you for that. You were such a pretty classmate! God bless you with all it's heart :)
