Rashi Gupta : Heya Rishi!!! Thanks for introducing me to the world of reading, and a lot more (including alcohol 🍷)! Ik we have already cleared things out, but in case I've ever hurt you, made you uncomfortable, or wronged you...I just wanna say I'm sorry!! I had been a super immature person in the past (not like I'm mature rn either 😊) You've been a constant support, and inspiration, specially in our first year!! I remember when you said you want to be happy in life...So I wish you all the possible happiness in your life 💜
