Yagna Teja Reddy Velagala : yaay brooo! I will cherish all the memories that you have given me....I already feel nostalgic about those nights spent having long long discussions, late night canteen visits, and watching movies together etc etc and of course those things that cannot be put into words... I am really glad that I met you broo... couldn't even believe how we became friends without any common features... I will never ever forget you in my life brooo...lots and lots of <3 hugs brooo..

Rushabh Vora : Yo Sattu! Right from the first year, I have had infi memories with you, poker nights, pool,carrom, lakshmi, gullu, apna pretty much koi bhi cricket match dekhna and post match analysis, discussing maths♥♥. Mujhe yaad hai ki me infinl baar bina kisi kaam ke tere room ajata tha just bcoz it felt like home♥ and fir meena mujhe nikalta tha zabardasti 😊. Passing DIP would have been impossible if you hadn't given me each and every one of your assignment to copy😁. Your suggestions for movies and TV series are always spot on👍👍. You are very dedicated towards your goal and thanks for always being humble and helping. I hope ki I can have the chill level that u have during endsems.

Chinmay Kalra : Sattu bhai!! Jo bhi maine Varun Meena ke liye likha hai woh sab aap pe bhi applicable hai. 3rd year mein hum ek dusre ki PUBG mein mast kaat te the. But honestly, I still think tu aur Meena zyada tattti khelte hain 😂. Aur English movies mein tu alag hi level ka expert hai. Aage Jake bhi aise hi chill aur mast rehna. Will stay in touch.

Amit Gangurde : Yo Satyam bhai!! Marvel fanatic👍! Will definitely miss watching the last few overs of cricket with you man. Tera cricket mein enthu dekh ke mujhe bhi accha lagta tha. And tera room hamesha lab reports aur books se kyu bhara rehta tha?😂 And I will never forget your reaction when you listened to Kim by Eminem for the first time😂. Tu kaafi humble and machau banda hai bhai. I was glad that we were in the same wing in the last year and it was amazing to be your friend👍

Pushan Bal : Sattu! Samundar me tatttu. Our love for movies like Phir hera Pheri and Welcome always led to some of the best discussions. Arjav Shah : Sattuuu, yaar! First year was so terrific! Kitne maze kiye humne. Teri sincerity is at altogether a different level! Really loved studying with you & discussing lots of stuff around! Gautam ka 'Pills' vala incident yaad hai? xD Panna ke saath maze karna was a different feeling altogether. You got the best bday present on May 23, 2019, isn't it? ;) Loved to have all sorts of political and logical discussions with you. Kitne keede pakadke daraata tha bhai tu! :(xD I am glad to have constantly interacted with you throughout and hope aage bhi karte rahe! Best wishes with everything. Will miss you! Love, Kaju? xD xD

Varun Kumar Meena : Satyam bro, yaar ek baat toh bolne padege that you are most helpful guy in the insti Bhai sach me tune bahut help kare hai meri acads me en 4 saalo me (infact poore wing ke) and moreover you were very kind You were the best roommate I would have got (padne me accha, disturbance se koi problem nahi, space sharing me very understanding) Aur bhai en 4 saalo me kya game khele hai-who thought wordament aur missiles jaise game bhi interesting ban sakte hai aur 2 sem toh alag hi level pe pubg khela hai Life in the insti wouldn't be so much fun without you. Aur wo late night discussions ke topic kabhi kisi ko disclose mat karna ;) Bro always just stay the way you are and stay in touch Best of luck :

Raj Gautam Kumar : Sattu!! From the beginning of the first sem jab bhi bore hota tha tere room pe pahuch jaata tha phir pata hi nahi chalta kaise time pass hota. Phir Gandhi jee ka chhidna..xD. you are such a down to earth and easily approachable person. Saath me milke panna ko kya roast karte the. Tumse Jo bhi TV series ya movies ke baare me pucho either you have watched it or you know about that. Though our insti life is over now but deep down we both know the bond we developed between us will be forever. Milte rahenge🥳...ye bhi koi bolne ki baat hai😊

You were slightly sincere with your acads but you have great knowledge on maths too. You soon became a pubg pro. Yes those night outs playing pubg were love. You were like the encyclopedia of movies and tv series atleast in Netflix. Not seen any hardcore Marvel's fan actually you went for many first shows of many movies. You also have interest in reading books and newspaper which has blessed you with incredible amount of knowledge. How can I forget Anime Thanks for those recommendations. Cracking placements in the first day itself pure genius and deserving. Best of luck.
