Amlan Ghosh : Peetuk ka Chicken Biryani ka handi se chawal le kar ek bolied anda dalke Egg Biryani hota hai, matlab tune bhi chicken chakh liya. Sed lyf 🙄. Bangalore mai aisa galti mat kariyo

Vanessa Beddoe : Adsu! Lalchi baccha. You've been such a constant with the little drops of tantrums you throw. I'll miss random pizza days and random conversations with you. I saw you from grow from a studious child to 'I don't want to look at books' anymore kind of person. I think I'm a little to blame there. No regrets at all. Thanks for always being there when I needed you the most. You're a cutie <3

Khushboo Agarwal : Adsu! So much to say ya! Starting from "padhne do mujhe, disturb mat kro bhayi" to "chodr na khush, ghum kr aate hai bas wha tak jaenge (pointing at a tree) and then we'll come back in 10 minutes (never happened, bro)". Love the quirkiness and innocence in you. Dharam toh anda kha kr bhrasht kr hi liya tumne. LOL! Come with aunty for convo, I will tell her about your "bhaiya, ek anda franky" (would love to see her **dropping the thali** reaction). Lot more to say, but keeping it short, love you bro! Keeping coming back to us in Bombay 🍷🍷🍷
