Mufassir Khan : Hello Krishna, I am glad I had been ur batchmate, we didn't share much time together, but whatever I spent with, every moment was full of knowledge. You are really unbiased person and have the courage to stand with the truth whatever it takes. I am quite impressed with your this quality. I am sorry that u couldn't take part in secret santa due to my negligence. I wish I could act more mature. Your learning rate is just amazing, how fast you learn things. Wish you all the best buddy.. hoping to keep in touch :)

Vartika Singh : Krishna, I'm glad we became friends and had those nice conversions. Specially that one in Goa, by the pool. You are really so good at heart, unbiased and true. And your intuitions, mtlb waah 😊 but in my defense, mai har game me mafia nahi hoti hu 😂. Jokes apart, you really lifted my spirit! You might not know, but you've said some of the nicest things to me and I noted them down and I read them whenever I feel low, thank you so much for that 💙

Jaideep Singh : Krishna bro, i had no idea you would be soo much fun when i was in first sem, fir tumhari bhavishyavani sach hone lagi..fir 2nd sem se tumhare saath jo maja aaya ..ye poori zindagi saath rahega..mafia khelna aur gaana specially..infact..ab sabse jyada aane wali chij ye song singing wala karyakram hi hai..anyways..you were too good to me..kapde wagarah dena..ya koi help krna..even suggestions and opinions..sab bahut acche rehte hai tere..Thank you...

Pankaj Kumar Sahu : Hii Krishna! You are just like my brother as well as my best friend. I had a great time with you working on our MTP simultaneously. you helped me in MTP up to a very large extent without your help MTP was seriously not possible on the way/level it is now. You are kind hearted person and lovely person. You are also a astrologer for all of us. Hope to meet u soon in future . I feel proud to have a great friend in my life. Love you Bro. Take care. Thanks Krishna!

Mayur Zadbuke : Hey Krishna! You are one the first friend i met from the insti and then we became roommate too. Thank you so much mujhe apna roommate banane ke liye 😊. You are a very good hearted, caring and focused guy and i learned a lot of things from you. You were a very good friend and roommate to me and i really enjoyed our late night talkings about life and i will miss that in future. Jab mai first year me bahot kam baat karta tha, tum un logo me se ek tha jisne hamesha mera sath diya. Thank you for being there for me at that time. I wish hamari dosti aage bhi aisi hi rahe aur touch me rehna. Wish you great happiness in future bhai. Love u. Hope to see you soon 😊

Tarun Raj Anugula : Krishna, I will never forget our daily discussions. And your suggestions were always helpful for me. I am so happy that u got your general mills. ALL THE BEST for future

Ratnesh Srivastav : Hey Bro..! Agra ka alag alag delicious petha aur mithai khilane ke liye dhanyavad ♥ Hamesh tu shy hi rha hai... Ab corporate me ja kr bold ho jana 😊 but apni cute smile change na krna.. 😊 Thanks for those long talks in lab and entertaining in "Mafia" game by your logical "intuition".. 😂 All d best..!

Aman Srivastav : Agra ke paithe, Your Intuitions, your management of every IEOR event, Your audacious shirt choices, Your inclination to handle every situation, our discussion on every social, non-social, controversial issue. There is so much memories with you. And its great feeling that our time together haven't come to an end, at least for few more year :) Looking forward to upcoming days !!!!

Industrial Engineering and Operations Research

Ankush Kumar Singh : Bro , Ham Akg me mile nhi par vha bhi tune mera hath dekha tha. Jo reson rha ho par hmesha mujhe lga hai ki hm log ke bich ek alag bond hai. Sbke bare me acha sochna , sari responsibilty ko 100 percent dedication se uthana aur mafiya me inttution se hi mafiya ko bta dena (ye charo hai) Tumhari bhut sari quality me se kuchh hai. bro you are a great human being . Love you bro. Hope to see you soon.

Ankit Raj : Apna heera bhai !! Teri yaad to hmesa yaad aati hai jab bhi gana sunna ho tab, apne group ka singer jo sama band de, jiske gaane 2 line me change hote hain. Tune hmesa se hi motivate kiya bro or sabko future dikhaya. "Kisi kisi ke khatarnak future bhi bataye" maza aaya. Thanks for Agra ke petha and khane ki cheeze. Sobhit ke baad tughe hi itna serious dekha. Be the same and be in touch. Milte rehna or yaad se mobile jarur charge rakhna =D

Padigapati Mallikarjuna Reddy : Hey Krishna, how are you? I can say that Goa trip brought us close to each other. I enjoyed the time when we were in water after scooba diving and you predicting future by seeing hand lines (Palmistry) The things you told surprised me and I hope some good things come true. You are both cool and serious when it comes to studies. I loved the snacks you used to get. One advice I would like to give is to spend some time on sports and lead a more healthy life. Enjoy the life ahead and thanks for the memories

Shiksha Singhal : Sarovar udyan, the place where we first talked. Then all those small interactions in teaching lab, mess or while studying. Aur han ek bar laptop gir gya mere se iska mtlb ye nhi k ab tm hmesha laptop dur rkhne wale ho mere se 😞

Sandeep Kumar P M : Dear Krishna, your are always a kind and helpful person. Agar mujhe apna naam chun ne ka mauka diya hota toh, mai 'Krishna' rakh leta. Sahi me, mera favourite naam leke ghoom raha hai tu. Apne ghar se aate waqt doston ke ghar walon ke liye bhi kuch leke aane wala ek akela banda tu hi hai. Aur tumhari bhavishyavani me ummeedein tiki hai meri. Hope to see you soon 😊.

Jayeshkumar Dayma : Thank ♥ u so much krishna bro... 🥰 bhai ye padh ke sach much mai emotional ho gaya... 🥰 i don't know whether all my friends will miss my snacks or not but mai for sure miss karunga ki mai ab kisi aur ke sath share nahi kar paunga... 😞 I never forget ur jolly face... ❤️ keep shining 🌟 bro always & all the best 🙌💯 for ur future... 🌊 & yeap I'm kind of part of IEOR department like 12th player in cricket... 🏏🤣🤣
