Bhavya Garg : Meku mekla goatle pagal 😊 Hi Sheldon Cooper! Ab to gana suna de nalayak. Itni epic item hai tu kya bataun. I thought I was the most introverted here but then I met you. Nobody can forget how you popped out of your shell suddenly that day. Glad you did tho. Humko hamara popatlal mil gaya. Tera obsession with umbrella and your logic behind it cracks me up everytime 😂 mujhe pata hai tum shuru majboori me kiye the par ab tumko bhi maja aata hai 😊 last few months me kuch zyada hi maje kar liye apan ne 😊 movies ka silsila chalta rahega. Jo trip pending hai wo bhi pakka karenge. Ghost mat kar dena, tere maje lene me bahot maza aata hai. Sab aa gaye ab to aaja yahan 😊 (nahi to neptune magnet mall gir jayega aur teri chhatri bhi nahi bacha payegi)

Himani Gangurde : Mekhala cakelaaaa 😊 You've never failed to surprise me. 1 semester into insti and you tell me ki tu pehle se jaanti thi mujhe 😂 Weekends pe kab gayab hojati thi, kisiko pata nahi chalta tha! Your logics and priorities have always been beyond my understanding. Aur tere stalking skills to bhai 🤖 You transitioned from an idle statue to a drunkard uncle real quick in 2nd sem, and that was real fun to watch! 😂 Weird as it may sound I'm gonna miss facepalming to your "God I just hope I don't get an FR" after every lecture 😊 Before you fly away, ek aur baar chalte bowling. Just so we can enjoy your swag one last time ♥

Vaishnavi Gupta : mekuuu...aka mr bean goatlenso singing me thi but kabhi maani nhi gaana gakar sunaane k liye...itne hidden talents aur quirky personality traits measuring daily water intake, reading weird, geeky things online, using 'superfluous' words all the time xD ... most mysterious character of the wing...all of us kept poking you to open up and im so happy to see you starting to share more through last few sems :) all the best for you phd and stay in touch <3
