If you get the chance to meet freshie self again, what is that one thing you will tell him or her?

Maybe try more beard styles. XD

Kirtesh Ajay Gadiya : You will never forget me because I demotivated you every time. I think you may have sorted what you have to do in near future. My 2 treats are pending though. Well your funds for Indian to western is getting utilized and we will get to see new hostel in 2-3 years. Be wild always! All the best!

Mrigank Ashesh : I don't remember how we got to know each other but it was definitely in the freshie year. Those brief interactions we had were amazing. It's always nice and entertaining talking to you. Aise hi rehna. Stay connected. All the best for your future.

Pushan Bal : Its not just your friends that you learn from. From your rivals, you learn so much more. Until you meet again, just knowing that they exist helps you withstand the loneliness. Those who compete, even if they're enemies, they help each other out. Thank you for doing what you did everyday. It pushed me beyond my limits. Your experiments on your beard were awesome. I wanted to see so many more styles but alas! You are a very chilled out guy with a laid back attitude which I love. Never seen you freaking out. Hope to stay in touch and thank you for being possibly my biggest rival and the guy I always saw from behind, trying to catch up with :D.

Abhirup Majumdar : Abe ra***, kya kahu tere liye?? Wing pe mil kabhi agli baar...

Mrunmayi Mungekar : Aayush sir! Ab AAP-ke baare me hum kya hi bole? :P Matlab agar infinite swag possible hai to you are the only person who could possibly own it! We probably pestered you a lot mostly thru the summers which we surely don't regret :-P To being my partner in eating pizza, to being the only sane person in the group, to keeping us coffee freaks under control, to quite an accent I must say, to randomly singing old (remade *rolls eyes*) songs to the randomest of jokes! Arriving the latest of all, you sure were a classic addition to the intern group! And aap kitne bhi bade ho jao, the fact remains ki you still owe us donuts, don't you? (I don't even remember now for what :-P)

Rishabh Raj : Aye haye! The first thing that comes to my mind is your beard (especially woh gunda waala jaise lagta, maar mur doge!) and your slow walking while your body sways from side to side :P. Thank you for the amazing photos that you took of us there in the States. Still remember what you said, so, hopefully you'll propose to her on 4th July :P! Big fan of your attitude of not giving a single damn to anyone. Doesn't matter how weird it is, kasam Bhawani ki, kar ke hi rahenge! Thanks for being the only person to have made a meme on me :P. Please itna kyu maarte ho Ludo me :(, Itna toh Ashu or Mrunzzz bhi nahi maarte! All the best for your future. "Cheers mate!"

Aryan Aryan : Yo Aayush Don!! Sahi me bhai, kitne zyada similar hain hum dono! 🤪Wo magnet wala raat to kabhi nhi bhoolenge when you could legally show middle finger to literally anyone 🤔🤔.Ghar aate rhna. And I'd never forget your experiments with your beard. Corona khatm hone pe milte hain bhai! ♥

Yash Lakade : Americans and Aussies: Jimmy Jimmy Jimmy, aaja aaja; Jimmy: Aa rha hu bc, gaand mein ghus jao insaan ke 😂 Had to write this down for eternity. Bhai Itna sab machake bhi kitna stress leta hai. From dual and PhD conversations to non core job, your life is nothing short of a roller coaster. Yahi discussions karke maja aata tha mess mein 😊 Kabhi US challenge saath mein and thanks for that aromas treat, even though we didn't like the food (I still don't remember why you gave that treat) 😂 Aise hi machate raho life mein and treat dete rehna, kyuki mai toh nhi de rha 😊

Aditya Venkatraman : Brooo, tumne bohot hasaya yaar pichle 2 saal wing mei hokar xD Especially with the different beard everyday, your jokes in the mess and your quirky observations, kaafi entertaining tha xD Really glad that you were a part of DN and that we spent time playing Catan and talking about research. All the best, and keep in touch!

Nithin Kumar : Bro, ye kya hai yaar, tune beard wali picture nahi use ki. Jk.. Hope the beard game's going strong man. Honestly, I regret not being able to spend enough time in the wing. It was actually the only solace where I could relax a little. Tu jab bhi room mai aise hi ghus jaata tha to it would always end in an interesting discussion, wo alag baat hai ki you would leave midway to fill your water bottle kyuki tera aur padhai bachi rehti thi.. Yaar, tere liye to I wholeheartedly help out cz I know how much you put into everything you do. You deserve things bro, just reach out for your indecisiveness TM, I'll be there anytime. To hopefully more such fiascos, photogenic pictures and Catan, Cheers!!

Pranay Raj : Aayush bhai, the one with the most charming personality and greatest beard style ofc. Bahut mazey aaye bhai tere se baat krke. Dekh k laga apne jaisa hi koi aadmi mil gya. Aur aapne mere assignments chhaape, isse zyada saubhagya ki baat mere liye aur kya ho skti h. Itna machane k baad bhi itna humble kaise h bhai tu. India k saath saath US aur Australia me bhi apne jalwe bikher diye. Aage aise hi aur bhi countries k tours krte rho and ho sake toh ek do me mere ko bhi saath le lo. Aur aapko bhul jaaye ye toh mere liye possible hi nhi h bhai. Tu mat bhul jaana. Let's meet again in near future and all the best.

Divyanshu Chahal : Kaisa hai jaan . According to me you are the smartest meta guy I know. I respect anyone who is clean from heart and u are one of them . And your laugh is still stored in memories . Thanks for everytime you helped me . Keep smiling because that's your USP . Bhai teri bowling wahh wahh vo to kabhi nhi bolunga , it either goes for six or you get staright out . I love your style man. Jaroor milte rhenge darling aur masti ja mahool banate rhenge 🥰

Anant Taraniya : Pandey bro♥! Teri penguin ki chaal mei bhi Sydney thik speed mei ghum liye. Pub crawl ke time kitna tharka tha bhai goriyo pe tu😂 aur raste mei koi random banda tujhse tera phone mangne lga tha apna todke😂😂. Tune ghar ki yaad nahi aane di ek din bhi aur crocodile pizza aur Kangaroo fried rice khilane ka aabhar to zindagi bhar rhega. Canberra ki gaa*d kanpane wali thand mei agar raat ko mei akela fansa hota to embassy jaane ke kiye ro deta shayd par tere sath sab haste haste guzar gya. Aate time ka airport ka 5\$ ka massage was the best way to end the trip😂. We will always be on second name basis! PS vo Malaysian restaurant wali bandi aaj bhi tere naam ke karva chauth rkh rahi hai

Mahajan Devavrat Shailesh : AnuRage. Tumhare bare jitna likhe utna kam hai bhai. Among The guys with whom I've interacted the most. You were the guy who had analysed every future career in detail, yet it is a shame that your actual path is still undecided :P I really began admiring your intelligence since the first year itself, but still, you had me fooled till the end of the 7th sem by pretending being an underdog before each and every exam :(Tum room pe aajate the, kuch bolke chale jate the to bada accha lagta tha. Either kuch informative ya fir bohot funny. Never a waste of time. Aur gaming ke bare to kyahi bole, mini militia, psych, battlefield aur FIFA sare games khel ke pel chuke hai tumhe. Sharam karo life me

Sarthak Khandelwal : Aayush bro I'll always remember you for showing up with weird af beard styles always! Attending minors and electives with you and figuring how to clear them was super fun! I loved your chill attitude in tense situations, it used to calm me too! It's too bad our Sameer Hill plan couldn't happen, but I'm still here for another year! maybe we can still do it, monsoon is coming too :P Have fun at your job and then do a PhD and make Sir proud okay? Take care man, always stay in touch!

Arya Mithu Garg : Bhai thanks to tumhe bolna chaiye, you were one of those guys jisse mai relate karta tha zada and similarities thi (Except you are more hardworking and also were DR :P). Accha tha apni wing 2 ke samne khade rehke baat chit karna, to be honest, relax hota tha ki haan abhi hi MS ke liye apply karna zaroori nai :P Bhai Battlefield khelne aur aya karo and breakfast karke hi soo better hai :P Kabhi kabhi zada chill marne me burai nai ;P Sath hi jenge tum chinta naa karo MS and tension naa liya karo bhai, abhi to shuruaat hui hai zindagi :P

Ashutosh Kumar : Aayush you were always a special person for me! I don't think I can ever explain in words what you were all these 4 years. I was very excited about roommate & now I can happily say that yes I had got the one I always wished for, those days were just awesome & sometimes I really miss those times, miss our discussions which got faded somewhere with time. I still recall tumhare jokes pe hi mujhe sabse jyada hasi aati thi, might be because you expressed them so well♥ Thanks for taking me out to Juhu & caring & supporting me itna jyada. I'll miss you and always cherish every memory of us. PS-Maggu toh ho hi, CPI aati hi phir PPS- I don't know if I have changed....but I know I miss few things a lo

Nishit Nagar : I would miss har roz tere room mein ghoos ke Ae ra*** bolna aur tera mujhe bhaga dena. I would miss tera plan sunne se pehle NO bol dena but jab sab maan jaae toh apni baat se palat jana. Teri roz ki nayi meme-able lines, monthly naye beard styles, man se banaye tere facts aur unpe apni arguments. Teri first world problems sunne mein hamesha maza aata hai, ab DR2, placement, medal pe kon roega. There are too many small momemts where you helped me, cheered me which I can't write. Happy ki tune kabhi mere mazaako ko seriously nahi liya. Be the chreeful, chill and easy going self, that you are now, always.

Adwitiya Rao : Bhai mujhe lagta tha ki bhai DR 2 hai toh kaafi maggu hoga but honestly bhai never imagined that you'd be so chill. Bhai paper chapa toh tera naam obviously daalunga bhai. Tera beard kaafi dope hai sport it properly and you'll be a total chick magnet. Also let me clear ki insta scroll karke grades toh kabhi acche nai aaye. Anyways I hope you do a PhD too XD and wish you lots of luck and success for your future. All the best <3

Ishan Tarunesh : I have been a part of the hostel council for the last two years and I have been able to help the students in many ways. I have been able to help the students in many ways. I have been able to help the students in many ways. | Yours was my goto room in the first year and the subsequent years to come. Sabse jyada time maine insti mein tumhare saath hi bitaya hai random activities mein - mini militia, dumb charades, songs, catan, monopoly and discussions. I feel proud seeing you do so well at college. One thing I like about you is your ability to live in the moment - by forgetting all worries you enjoy life doing crazy things. Tumhare machane ke kisse to kam nahi hain but most importantly you are a genuine person. I have been a part of the hostel council for the last two years and I have been able to help the students in many ways. I have been able to help the students in many ways. I have been able to help the students in many ways. | Find your own path, don't succumb to the pressure of other's expectation and you'll achieve everything

Prasham Agrawal : "Aaaayushhh Bhaiiii...bacha lo.." I will miss saying this man. Kaafi zyaada machau ho DR bhai aap. All our labs had been super fun, bhot maze kiye hai 😄. Ab toh bade aadmi banne waale ho aap, bhulna mat hume ♥

Pravin Raut : Ayush sir.... aap ka exam ke pahale and baad wala rona I won't forget. Bhai kafi kuchh sikha hu tuzase iss 4 sal mein. Your ability to pick up things quickly and think rationally has always inspired me. We enjoyed your rivalry with Ashutosh XD. With two research interns, bahut machaya hai sir aapne. Thanks for the help in acads. I will remember our Matrix wala discussion. And I will miss our cricket matches, especially your bowling style. Hope to see you soon.
