Rajat Kadam : One of the nicest people i have known in insti. Inter IIT Camp and GC matches mai kaafi mazze kiye. Couldn't have asked for a better secy for tennis. Rematch done, though mai ganda haarunga iss baar 🤔😭

Dhwaj Singhal : HEY man! I honestly feel that you're a super fun person to hang out with, and playing Minecraft with you has simultaneously been the most hilarious and traumatic moment of my four years of college lol. I hope we continue to play some more pvp minecraft where i take away your in-game privileges and bully you :P

Mudita Rana : Mishra!! The only thing that makes me happy about college being shut now is the fact that I don't have to wake up to your post midnight calls and messages 😂😂😂 infi notes exchanges, RG, "yaar kuch nahi hua hai pls padha de" conversations in LCH, and the treat that hasn't happened yet 😭😭 humesha chemical ko leke roenge yaar hum dono. Stay in touch ❤️

Animesh Singhal : 1st-year summer night outs playing AOE, CS Go (XD edit kiya) to making a band in 2nd year to ending up playing Catan together in 4th year, bohot games khele hain tere saath XD. I wish ki hamara band aur tik paata :P Insti gaming aur 1st insti band ke saath AD performance kabhi bhi yaad karunga toh tu zarur yaad aayega :D

Ayush Puri : Bhai intern ke 2 mahine kab nikal gaye pata nahi chala. Tumne sabse zyada machaya intern me (if you know what i mean). World Cup dekhne me to feel aa gayi thi sabke saath, aur mahabaleshwar ki trip bhi bahut memorable rahegi. Kaafi masti ki apan ne saath me , especially on the last day of the intern. Sab bahut miss karunga. Hopefully we will do some more trips someday.

Aditya Dev : Damn I miss those silly fights we used to have about south indians and northies. (Anda gonda vs balle balle). Your perception about our whole language being a PnC of Andas and gondas. Mind blowing. Those sleepless nights playing CS and AoE and having breakfast before sleeping and ditching classes. Disturbing swapnil when he tryna sleep. Your remarks about my music being ZNMD. Also, Better than our performance at AD were those jams we had. Please learn something other than "my heart will go on". Jokes aside thanks for helping me change when I came to insti and being an emotional support at times.

Swadha Sanghvi : Hey Aayushman! it been quite nice knowing you recently and exploring the unknown half of insti people with you. Thanks for helping me getting close to tennis and the team, it means a lot! Your sense of humour will be cherished for long. And stop calling me maggu and meet me with better comeback next time you want to roast me. The dinner is still due so not leaving you this easy. Lastly, I will teach you dance in future so don't worry you will have all the skills for a prom night!

Sahil Pahal : Mishra bhai, FIFA toh word hi mat bola kar. koi insaan itna haarkar itna confidence kaise rakh sakta h. hearts khelna ruka nahi hamara corona mein bhi. milte h jaldi, mumbai nahi toh dekhi.. apna saath baaki h abhi launde

Nutan Megu : u r a very kind person . i know that . u have a pure heart. always stay happy . we believe in you and i will alwyas eb wishing yu success. u were a part of my frst ever band.

Viraj Singh Parihar : Bhai, events conveners and events team. Dono saal mast kaam kiye. One thing I have always admired you about in the tenure is your ability to take stand against anything which you felt wrong irrespective of the situation. Awards meet mai kya mast awards dilwaye the (katwaye bhi the) :P . Bhai but teri Lawn Tennis team ke liye senti was next level," meri puri team saath mai jayegi, ek hi flight mai jayegi"

Parmar Dhairya Dinesh : Misra!!! the first time I came into your room and saw you playing keys, you were so good at it and you make a very cool first impression. About your pointers 😂😂 : Pubg mein lootne se ek false sense of satisfaction aata hai isliye inherently zyaada loot ta hun, catan main tujhse kaafi baar jeeta hun "on board" who tu janta hai, hearts mein phak karne k alawa aur koi sense nai hai best strategy ever. On a serious note you've been my go to person as well, jab bhi kuch khelne ka man kiya ho tu kabhi mana nahi karega yeh trust tha. UPSC phod dena bhai "rank no.1" aur haan pact maine hi banaya tha so bhulunga nahi abhi bohot boom baam karna baaki hai!!!

Atharva Surange : Mishra mere bhai!! IB bolke bc H5 waala SOAP yaad dila diya tune XD Tere maine bohot kisse sune the Alind se , tu apne room mein rakhe newspapers ka kya karta tha XD yahan likh nahi sakta wo XD Bhai tere jitna apni team aur apne sport ke liye dedicated/senti koi nahi dekha maine, Inter IIT ke samay khelne waale se jyada tensed tu rehta tha XD Thoda chill maara kar :P On a serious note, yahi dedication aur senti banaye rakhna bhai poore lifetime! Bohot maza aaya bhai tere saath kaam kar ke, I hope kabhi waapis ye mauka mile :D Aur tune abhi tak S.Par. se milwaya nahi mujhe, request tak accept nahi karwayi :(Baaki toh apne ko handing over pe machana hai hi :D

Swapnil Agashe : Misra bhai! Idhar sirf acchi baatein likhunga kyuki gaali toh tu roj hi khaata hai mere se. Amount of bakchodi jo hamne ki hai in 4 saal me can't be quantified. I believe ki ham dono ek team me ho toh FIFA me kisi ko bhi beat kar sakte hai, and shayad spades me bhi :p Thanks for waking me up during classes otherwise ek na ek DX toh lag hi jaati. Few things that I will never forget: Apne PUBG games jisme tu teammates ko hi uda deta tha 🤔, Apna 1 v 1 desert eagle vs shotgun (noob sale), Sahil ko FIFA me harana, Apni Goa trip, Exams ke waqt "Ek ek haath ho jaye?", and many more things but won't be appropriate to write them here 🤔🤔 Insti life would not have been same without you♥ Wrd limt KMKB

Hardik Murarka : Mishra !! Damn yaar kaafi majja aaya tere saath and kaafi yum yum rahe gaye tujhse lena. Tere mein itna confidence kaha se aata hai itne games haarne kai baad. Jokes apart tennis toh tune nahi sikhaya but maine tujhe cards khelna sikha diya aur tune phir apne wing mein sab ko iski lat laga di XD. UPSC mein phod dena and we already know Rank 1,2,3 kiske aa rahe hai. Hope we meet soon and ek baar aur YUM YUM ho jaye .

Umang Chhawchharia : Yo dude. It was fun playing the GC with you too. I truly admire your dedication towards the sport. Honestly jab apan pehli baar NSO mai mile the I never imagined tu Tennis Secy banega. Your growth both as a tennis player and a leader is out of this world. Always stay in touch dude :)

Karan Kothadiya : Extremely senti, responsible and such a frank guy you are brother! I have huge respect for the way you managed to turn the Tennis team into a family. All the best for your chosen career path. Bada aadmi banke bhul mat jaana :) Love, K

Kumar Saunack : Unexpected people, unexpected events and of course, the resulting unexpected changes. I'd say we've covered all 3. The pace definitely picked up when you became secretary. You also grew more opinionated and lazier. But thanks to it, I learnt a few things. Quite a few things have happened since then. And will keep happening too, I guess. But no worries, we'll keep chugging along, like always.

Puneet Kaur : Hey, same birthday guy! Kitne exams assignments mein tang kara hai tune? :)))) XD Infi motivation di tune FB dp ke liye xD chemical ko leke kitna roye hai 😂😂 stay in touch 😊

Priyanka Lakku : Mishra Mishra!!♥ Thanks to intern which led to meeting some amazing people like you. You're always up for every plan and sbko saath rakhne ka try kiya. Those games, khana, world cup, mahabaleshwar (ye kaise bhul skti) are so so much fun. But contact toh mere se acha nhi khelta. Tch tch. You're a sweet and an honest person. I know you've been through a lot but everything turns out right at the end. Wish we had hung out more in the last sem. Milte hai jldi whenever possible. All the very best and lots of luck. Stay in touch 😊

Vibha Srinidhi : Hey Mishra! Intern ke times were fun! I didn't get to know you that well cuz you were busy somewhere else, ahem ahem, but I liked that you made time to hang out with us too especially trying to bring ppl together for that Mahabaleshwar trip which turned out to be awesome. Playing Uno, dumb charades and contact, never knew how time passed. Also, I realised I have that Mishraji smiley ball while packing for home, idk how it ended up with me haha. I hope all of us interns meet once more and all the best for everything ahead! :D

Vijay Ramchandani : Mishra :) For people who have been through sports conveners, secies and then intern too we don't talk enough. But that's okay I guess. Bohot hi unique and quirky hai yaar tu. Glad to have known you all this while. Do stay in touch and wish you luck! Love ♥

Pallav Banka : Itni ladhai kyu karte ho, pure time meri branch ke peeche padhe rehte ho. As you are passing out I will tell you a secret that I was looking for bc into Chemical, but apko aur Triesha ko dekh kar I thank God nahi hui. Bohot yaad aayegi yaar apki, socha nahi tha yaha sports ke through itni achi team ka part hone ko milega, specially aap jaisa baap secy. Bohot maza aata hai apke sath debate karne meh. At the thanks for always guiding me towards the right direction be it decisions of ILTS or anything else. Milte rehna and IAS banne ke baad toh pls badi si treat de dena!!!

Kumar Saurav : Well, that sprint race remained pending. And the final GC showdown. Can't let down that tennis agreement now, can we?

Luv Nainwal : Yo Mishra. Yaar, apni first year me ad making ka video to epic tha and the random talk with your parents were just amazing, kafi cool hai woh. Kitna mast time tha first year me. First year me MA padhane ke liye thanks. Cheers to the infi chess games, jammings, Mafia nights, hangouts, Canteen treats, squash games, TT matches that we had. Vivek Pendharkar : Hello Mr. IAS Officer (to be). Kya batau, I don't think I have met a more kind person than you in the entire insti. You were my original secy in tennis(still remember our first chat on the phone 😊). I loved sharing the court with you and hope to do so many more times in future. You are amazingly funny as well which makes the other person enjoy conversations with you. I would like to wish you all the best for your future. Kill it in UPSE and don't forget your dear friends from insti once you have a bungalow of your own and happen to see us on your way to someplace 😂😂😂. Take care and cheers mate!!

Aditya Raj : Mishra meri janeman... Insti ke first day thode introduction ke baad humne teen din baad bat ki kyun ki tu teen din phone pe busy tha. Mujhe laga ye kaisa roommate mila hai. Fir humne first sem me saath me tatti ki acads me(yaad hai na organic chemistry ka course..bc Swapnil ne bhi machaya tha) taab jaa kar mujhe samajh aaya ki tu bhai hai apna. Fir after midsems tune dhoka de diya maggu sala. Aur bc wo Times of India wala kya episode tha. Kaun karta hai aisa. Things changed. We went on with our interests, commitments (Tu S2 me chala gaya aur free ke marks khata raha besharam). But bakchodi common rahi. Life was simple and good. Hum lade fir mile(aur karte bhi kya.. saath me hi rahna tha ha

Devesh Garodia : Hey Mishra ** everyone will appreciate your efforts jo tune Pune mea kiya Matlab Ek din mea hu bhai nea macha diya 😊 Aur sun next time people are there with you in a cab control karle Bhai Kaafi maze kiye bhai Kaafi World Cup se lekar sab cheez apan saath kiye Bhai wish you all the best things ahead All the best :D

Desai Darshil : Final tally is 5 cavins and \$100. Paytm bhi chalega bhej diyo. Jokes apart, I have thoroughly enjoyed hanging out with you these 4 years. CL 152 prep, CH 107 me tujhse better grade, solving random math problems, water fights, tujhe tennis me own karna, squash me 11-0 chodna, countless card games, CS Go, PUBG rooms me Dev Dher ko own karna are some of my fondest memories. Zyada nahi bolunga warna raatko pubg me awkward ho jaega. Always stay this humorous fuck that you are and good luck for the future! Until tonight's boom baam :) PS- "The music fades and echoes on in sweet refrains, for every joy that passes something beautiful remains"

Bidish Ghosh : Bro aaj tak nahi chamka kyun faltu ke pange lete the apan Chemical ke group pe; magar koi na, fourth year me kaafi mazey kar liye. Waise, abhi bhi PUBG khelta hai kya?

Adarsh Rathi : Mishra bhai, bahut saare memories hai tere saath, sabse jyada lekin acads se hai. Hamesha teri ek doubt dikh jaati thi group par, ya PM and tu khud hi unhe solve kar leta tha. Tune bahut funny moments banaye hai jab bhi mila hai. Thanks for being a good friend. All the best for the future, and keep in touch!
