Anurag Dwivedi : Yo Rohit.....the complete padhaku....Rajasthani boy.....sabse se pehle.. to kitna bore karta h tu apne gande jokes se.....but tu bahot caring and pure hearted h...that I know well. Bro...mai janta tha ki jitna mai chahta tha ki mera Indiana me selection ho jae... usse jyada tu....and tune apni taraf se puri kosis b ki thi....Jb hum Career me mile the to mujhe ni pata tha ki tu mera itna accha dost bn jaega.....Ab thik h jyada ho gya...US me to sath hi rehna h abhi bhi...

Harishankkar GK : I still remember the first day we met..that bewildered face when u understood that I don't know Hindi...the sight of the horrendous condition our room was in..to be honest I never thought we both could stay in that room..well now I really miss those days @D-278..ur hardwork knows no bounds my friend and I am sure u will reach great heights with that..ur looping of "dekhte dekhte" had the effect that it became one of my favourites! thanks for coming to my home and staying here..we had a wonderful trip..all the best for your future!

Mouli Hazra : Here's the Selfie Man...who may take Selfie before he die... jokes apart..u r a very hardworking and dedicated guy in my class..u be the capability to make things happen whatever u want..I love ur energy about everything... stay connected and selfie 📸 lete rhina...

Chainika Chauhan : Hey Photographer!! Really you have photography skills. You're a good advisor. You were always there to click pictures and surely we all will miss those days spent together. I have seen you at the Kalsubai trip, Kothaligarh trip, the way you helped me, Pooja. You always motivated me whenever we interacted. You're too diligent. No doubt, you are going to rock one day. Good luck dost!!

Lovish Gulati : Mr. Rohit kumar..!...u have set an example...k bahar jaa k thodi hwaa to lagti hai....after coming from US...u have turned on your chill mode...bhai party abhi baaki h teri....apne sasur g k pass jane se pehle..oops...sry...apne guide k paas jane se pehle..party de dena..😂😂😂😂...u always stay determined...u will succeed surely...best wishes...for u bro

Sonia Rani : Tere naam se to Chegg hi dimag me aata hai. Haha. Tu bahut sahi bnda hai yar. Kaafi zyada hard working. The way you are concerned about your friends is too good. Plus your photography skills are really nice. US jake DSLR khareed liyo abb. Best of luck for your future and keep doing what you love.

Manoj Manohar Karnekar : Your are the coolesttt person and thats why your are the most attractive hubb. You always help people in need and motivate them...I enjoyed every moment with you. You always like to climb for success, keep it up..

Pooja Choudhary : Hey Rohit, my trekking partner😂😂....u r so helping and caring.. I think I first noticed you from Dibyendu sir's class😂 you were his most cherishing student😂😂 very hardworking and always come up with doubts😂😂. You helped me on both Kalsubai and Kothaligarh treksso nice of you😂😂 I owe you for this😂.....from class se aate jate haal chaal puchna to your photography sessions on every birthday party we share a lot of memories.😂😂 u are very down to earth.....always stay happywishing you gud luck for yr future 😂😂 Ab to Idka amrica ja rakhoob naam roshan kriyo....nd Stay connected😂😂

Writasree Maitra : Hey, lab partner! You never hesitate to ask questions- this is an amazing quality. I've learnt a lot of things from you in the lab. You're funloving and positive. Stay the same. All the very best. Have a beautiful life ahead; accomplish everything you desire and do great research.

Dibyanandan Bhowmick : Rohit ji, what a cool person you are.. 🥰🥰 You made our IITB journey unforgettable, literally, by your skillful killing pics. Always eager to learn and committed in study. Oh, how could I forget your jokes and pranks 🤣🤣 The way you speak, whether to ask a doubt or to clarify to us, the no-nonsense approach of yours will forever stay with me. Keep going to be the Astroboy, that you are always meant to be. Be Well.

Amrit Prittam Nayak : To the person who can solve all your problems. You have always provided me the inspiration to cover the extra mile to achieve dreams. I always wondered how selflessly you stood behind anyone who is going through a difficult time. I whole heartedly thank you for being a noice friend and fun loading the life at insti. Keep spreading the positivity and needless to say, stay in touch.

Jaydeep Lohia : Rohit, you remember that message you wanted to know who wrote it? Now you know it 😊. Hey bro, I have always been a fan of your passion for almost everything you pursue, that brimming excitement, a naturally hardworking and humble soul, you have always been yourself, Something that I appreciate the most. Never lose that zeal, that passion for life, for knowledge, for friendship, for connections beyond. Not that I will not miss you, but you can never be forgotten!

Neeraj Kumar : Rohit bhai... The first moment I saw you, you were the most desi person in class. Look at you now, londa US bhe Jaa aaya.. oh, sorry US Jaa rah hai. I am very proud of you, brother. Keep working hard, make us proud. We love you. US jaane ke baad hame bhool naa Jaana.

Rahul Verma : Mr rohit kumar urf THE BABA. Finally mil hi gye aap. Bahut ki kisse or kahaniyan hai...kahan se shuru karun or kahan khtam. Pehle to banda bahot serious tha na jane indiana walon nein kya gyan diya ki banda ek dum badal gya...or ye naya wala rohit kafi aacha hai...tention less, worryless. I always admire your desi living style, hardwork, kind hearted, down-to-earth personality. I am always with you. Keep smiling and all the best for your future endeavours. Miss you

Chigicherla Venkata Sai Prasanna : Hey Rohit ! you are the only friend who always called out my full name 😄.... Your persistence and dedication towards your work or anything you want to achieve is phenomenal bro. I will always cherish our interactions under the guidance of Sneha Baba 😊. Have an awesome time @ Indiana. Will stay connected with you professor.

Marnya Lomi : Dear Rohit! I know ,right? Indeed, we never had a proper one on one chat . But,you know what? I have always looked at you as an inspiration in every aspect. Name it! Be it academics, conversations? Your approach to any events/circumstances,or how can I forget? -- my doubts and uncannily my way of asking you notes. Hahahaha! Also you're a very good explainer. I'd love my kids to have a mentor and explainer like you . (Considering I bear child in future 😊) Gonna miss every bit of you and everyone. Let's make this world a better place.!! 🥰

Sandeep Jangir : Rohit bro, I must say that you're the person with persistence, you just don't give up at all. This is an extremely admirable quality. The success you've had very well deserved. You're story From a small village in Rajasthan to IIT and then PhD from USA will surely be on the front page of a newspaper some day. Best wishes for your career as a physicist.

Nitin Kumar : Hardworking guy... Ur behavior is nice to everyone be same... Umid krta hu yad rakhega USA jane ke bad... vese teri update toh milti rahegi USA se bi.. teri adat ki vajeh se... Itni pics click krta h... Maze kariyo bhai tu vahn... Anurag toh h hi tere sath 😂
