**Abhirup Majumdar :** Harshita didiii...i am so glad ki aap bs ke bachche ban gaye from being an msc. Life me chahe jo bhi ho jaye, I'm never forgetting that night, how we passed that course and of course those songs :P. Mugging was too much fun with you around and thanks for being so kind and helpful. You know which song I'll be singing while studying all alone from now on?? "Tanhaiyaan!! Tanhaiyaan!!"

**Alok Kumar :** Yo Harshita!! Great to have known you for the last 2 years. Walk talks back from LHC were definitely fun and even more so were the mugging sessions with Valay (\_^\_) and baba( the melodious, melancholic musician). Stay cheerful as you always have been. Enjoy your journey ahead and stay in touch.

**Mudita Rana :** Hi Harshita!! I've known you only through the team, and we've had limited conversations. You're very sweet and ofc, pretty 🥰🥰 I love how you always smiled whenever our paths crossed. Hope you keep smiling 🧡

**Aprajita Shukla :** Hey Harshita! I have a lot of respect for your confidence! You are an opportunist! Keep laughing out loud! Best wishes! ❤️

The sleepless nights at PO, bitching about courses, coffee, Maggie, internship news and long gossips of our trio, they will bring back flashes of memories for life. The handovers were crazy nights which brought our Delhi shelves. Above all, your dedication towards work and the perfection with which you complete it has always motivated me. Keep up with your good work, achieve great heights and definitely stay in touch. 💜

**Neha Chhikara :** Hi Harshita !!! You have been one the constant person in my life during these two years at insti. You have always been there to just talk your heart out whenever i was down and also when i cried, though it was only once (it is so embarrassing to think about it now) and so many memories together. I'm still missing going to H5 for chesse maggi and chach with you and just walking around the campus talking about everything. Hope you do you best at whatever you do in future. tons of wishes for you

**Harsimran Kaur :** Harshita! I remember the first time we became friends was on stairs during the IC groundwork thing. **Vijay Ramchandani :** Yo Harshita! Aap se zyada baatuni person maine nahi dekha XD Aapke notes ne 3rd year pass karaya hai uske liye bohot bohot shukriya. H11 ke andar ke jaasoos ho aap jisse har baat ki khabar rehti hai. Life me kabhi kabhi kuch logo ka saath thodi der ka hi hota hai. The best we can do is be glad that we know each other and could make each other some fleeting moments of happiness and memories forever. Wishing you luck, success and love <3
