Yearbook
2020

Bhishma Dedhia : Anything I write here will be too little. You are the gift that keeps on giving. Tu solar cooking buddij aur wing ki jaan hai and I can't even count the number of shenanigans that we have pulled off together. Jab wing mein har bandha rr kar raha hota hai, tu hi ek hai jo chill marta hua milega. Thank you for Premu deewani, Coldplay and the "premu-dance". Jitni bakchodhi tu pel sakta hai utna hi seriously you can have heart to heart conversations. Dikhta shareef hai but bahut bada gaandu hai. Final year macha dena and east coast aajana. Insti mein jald hi milenge to conduct experiments on that leftover absinthe. Love you bro <3

Apoorv Srivastava : Yo Premu. Tu hi ek aisa banda jisse jab bhi sunny k liye bola to mana nhi kia. Mujhe to kch din phle pta chla ki tu H3PL me itna sought after hai :p. Shunya se at least bta k to jata, dhoka dia hai tune. Insti aane k baad fir se chalte sunny. Machate rhna, aur bhul mt jana.
