Naman Chindaliya : Kem topa! Jee ke time se aisa hi pagal hai. If someone reads our chat(99% stickers) they might send us to the mental asylum. Whenever I feel like doing something crazy and need a partner, you're the first person to pop in my mind. I had some of the most enjoyable time in insti with you. Also, I love sledging you. You are very helpful and supportive. Malto raheje.

Shruti Iwanati : Assignments ka jugaad or last minute tak pardhna koi apse sekhe. Kaafi study sessions kiye hai tere sath (ps mere marks improve hue they usse toh thanks). Best Lab partner ever <3 (pata nahi kaise jhela hum dono ko tune :P {u know who}). Remember apna light door sensor kaam nahi kiya tha toh prof ko pura ulta samjhaya tha!!! Will surely miss you bro <3

Abhay Tomar : Yo boi sup! Although just once but no person can deny that our trip planning was the best which we did together 😊. Kushal P Yadav : YK sir! How to write senti for YK sir xD. Instead, I challenge you to remember the first time we interacted :p The best gujju friend in the insti!

Shubham Punjabi : Kothari brooooo...tu nahi hota to entertainment hi nahi hota bhai 4 saal mein..Sule ke saath ladne se lekar, secret TSC tak 😊(infinite indirect fun karwaya hai tune). Apne regular cricket sessions h4, h18 har jagah, kya mast the (teri spin ko ek din khel paunga mein). All those late night crush reveal sessions will be missed yaar (sule ko to convince karna near to impossible hota hai 😊). Please agli baar mile to bring that kele ke chips waala packet with you, god hai vo. Har ek department trip saath mein hi lagaya hai apan ne, will surely miss them.Keep smiling, as always!

Pujan Biswas : Kotha Kotha, wrong vibes with this title XD Bhai zinda kaise rahoge itne se khaane mai? Gazab ka chakna store karte ho tho. Yaad hai "My friend typed it for me", Sule ki lene mai toh generals rahe hai H16 mai, teri GPL mai darr ka chehera yaad rahega, Aero mai kuch jyada bakchodi nahi ki? aur usko aise kaun puchta hai be :P H16 mai tu toh shayd 6th floor ka hi tha, woh RCplane ka gum waala issue toh hai hi crax, the grand patta games. "Kuch gile shikwe bache ho toh nikaal do" aise 1 baba ne kaha, shayad Kuttch ne kuch kar diya mastt sa. 1st se last tak chalo tera random maarna toh kam hua but jugaad game infi strong ho gaya XD 1 saal mai aalas hatane mai aalas mat dikhana. Your motu, Bisso!

Varun Sule : Teri senti ek session mein yaha khatam kar nahi paunga, so I'm gonna do it over texts and in parts (ek part toh ho gaya already, tujhe pata hain). Just a few things for us to look back on when we see this yearbook later - I know tune nahi likha tha wall pe XD - It's almost a year to that time when you found out what I let you find out - And finally, thanks for being a part of my life. Apne kaafi saare plans khatam karne bache hain, milte toh rahenge hi

Apurv Tiwari : A lot of insti people don't know your name, but they can recognise you as 'acha Apurv ka apple'. And you are definitely the apple of my eye <3 Such a sweet and innocent kid, who is the eternal Jon Snow (ye bhi samjhana padega dm mein uff :P), but has grown up so much in these 4 years and I hope keeps growing next year as well. Tumhare sath lukkha kaatne mein infi maza aata hai, especially finding all your innocence funny at times, and har bday par appy fizz to parcel karunga hi tumhein don't worry :P Paneer parantha kab khila rahe ho fir, aur anand stall ka dosa, aur rainbow ka mango juice, aur marine drive chalo jaldi!!!!!! safrruuuuu

Adarsh Rathi : Aur kotri potri, jain hakka and eccentric tattti, bahut hi calm aadmi hai tu and infi pampered. Tujhme hamare wing mei sabse jyada maturity hai and tu waise hi behave karta hai but normally tu itna majak masti and carefree rehta hai dekh ke mood lite ho jaata hai <3 First year mini militia to NCC times and patte and TF Hospi, kya sahi tha. ITSP to apna kat hi gaya, lol. Teri shakal dekh ke sabse jyada khushi hui thi coordinator tenure mei H16 mei, bhai kitne saare instances hai jab tune help ki hai, trip times were awesome, wish we will have one more soon. Aero and gujju ka naam roshan kar aur sampark mei bane rahenge, bhai bhai mumbai mei. Your Neighbour of Maverixx

Arjun Rahar : Apan to abhi ek saal yehi hai but kya pta aage kya ho jae isilie bol hi deta hu 😊. Constant mohini and maddu partner, late night study partner during exams, merko cricket khelne ke lie push krne waala, roz corridor me mere saath bowling krne waala, meri infi lene waala, mere saath beth ke future plans bnane waala😊(jo kabhi pure nhi hote) Or mere saath milke countless cheeze krne waala (except that secret TSC😏) . Kaafi machau bnda hai tu(ik Tu isse sarcasm me lega but it's true) . You are one of my closest friend and i am sure you will remain close after we graduate too. ♥

Bhatt Maulik Chunilal : Hey you, kothe upar Kothari, stop asking people to change their name to 'Go corona Go" and start working on your DDP sincerely. Baaki next year likhta. Bye Bye.

Waise to apne jeene ke tareeke kaafi alag hai, par choti se choti cheez ko feel leke karna koi tere se seekhe :D. Also, hamesha yaad rahega ki tune us din support kiya tha(worst day of my life). Late night cricket , fifa matches and all those masti we used to do in our wing was simply awesome. Best were those random discussions we used to carry out in Sule's and Engla's rooms. I know how much effort you have taken to build yourself up throughout the insti years whether it be acads, language or anything. I just want you to know that you shouldn't give up on those dreams no matter what. P.S. : you are never gonna beat me in FIFA
