**Shubham Jain :** Hi Satish, what can i say about you, the person who has amused me the most after coming to IITB, i think positively it would be you. Agar tu na hota, to IITB ka aadha maja khatam ho jaata. Tu mujhe pehle innocent lagta tha, but jaise jaise teri harkate dekhi (satyam vala incidence xD) mujhe vishwas ho gaya tu harami hain!! Peene ke baad teri pic stories aur images mujhe hamesha yaad rahengi. Maine tujhe se ek hi cheej seekhi, how to fearlessly(shamelessly) stand in public and do what your heart says. And haan tu gaata acha hain, so keep up with music!! Finally, Thoda serious hoja aur behkawe mein aana band karde, uske alawa enjoy and best of luck for your future!!

**Animesh Singhal :** Satish bhai! Kaha tujhe wing mein nahi aane de rahe they launde aur kaha yaha se jaate jaate bhai ban gaya hai tu <3. Bohot pyara gaata hai yaar tu. Bas guitar seekh ke covers banana shuru karde. Sophie treat ke din toh bhai vo Ghana Pallbearers vaali feel dila di thi tune XD. Aur final room ka scene toh oho! Nashe mein vaise tu idhar udhar kaafi jagah paaya gaya hai XD. 1st year ki photo ke bhi kya hi kehene :P. Aur yaar, tu kitna bhi haramjada ho, hai toh tu apna hi, aakhir deewar pe apne haath se tune apna name likha tha. Tere upar jo poore gaon ne jokes banaye hain vo toh bhai poori zindagi bhar tujhe ham sunayenge :P. Fatfat IAS ban fir Goa 2.0 karne challenge tere saath :D

**Vivek Sehgal :** Bhai you are the nicest person I know in the insti. You don't have limits you have proved this again and again. It just amazing to talk to you really feels nice. Just keep you honesty intact. I admire you as a friend and hope the best for you. May God fulfill all your dreams ♥!!

**Saral Mittal :** The Ideal Council Member, never seen anyone fighting harder than you for his duty. Sabse zyada down to earth senior ho aap. Gyra m poora prod sambhal k hamari jaan bachane k liye shukriya. H5 k sabse bade Fuckboi (wannabe) ;P Thoda aur naach lete to shayad ban bhi jate : ) Bhot hi Solid dancer ho aap. Aapki hip hop choreography ka H5 ko hamesh inteazar rhega XD All the best for the exam.
