**Saket Milind Kothalkar :** Ganesh da! Jab bhi teri yaad aayegi tab 2 cheeze jarur yaad aayegi, first tera wo Maafiya game and second apni Daru parties. You are really a royal person bro. Most chill banda of aero. Har kisi ke baare me sochta hai bhai tu. Person with pure heart and no show off.. Piece of advice: dusro ki itni bhi mat care karte ja sale kabhi apne taraf bhi dhyan de dete ja. U are really a wonderful person bas thoda aur confident ho ja khudke liye. U are much more talented & deserving than u think u are. Will miss u but surely we will keep in touch! 👍

**More Shubhali Jalindar :** The great GOD🙏. We had great memories lab partner to lab TA, h4 me mafia, propulsion parties. good friend since we were lab partners. Muze Excel me graph nhi ate the toh graph banake share karane ke liye n next time se, khud se kr karke sikhane ke liye thanks. Tera marathi sikhane ka n aur bata kya chal raha karke janane ka josh🥳🥳 headache tha muze. Tere mallu dimag ki memory bahut strong h n tere me potential bhi bahut h, bass wo mood banaya kar kaam karane ka. Enna paripadi pucha kr nhi toh such me meaning bhul javungi. Baki thanks genuinely help karane ke liye. N ek hamesha wali baat life enjoy karane ke liye pine ki jarurat nhi h🥳. All the best for future endeavors, stay in touch.

**Deepak G D :** Hi Ganesh/Ganiya/Ganesha/ Gannu/whatever😄. The reason once aerospace lost its football game is this guy(JK)🤔 and the fever u got because of that, waah!😄. The kind of guy who always has his ears open to hear others problems, irrespective of his own; Best badminton player; The most friendly and loved-by-everyone person; The drunk versions of u and Abhijeet will always be there in my everlasting memories😄. I wish, u get all the things u desire in life:)
