Anmol Gupta : Pathak bhauuu! <3 "Yaar tu mujhe itna bhaav kyu deta hai?" hahaha I'm never gonna get over this line. I've seen you grow like anything, man - easily one of the sweetest and most pure-hearted souls I've met in insti. From those wing Square pizza parties to scrambling to get rooms next to each other in H-18, we've come a long way. Badminton ke naam pe ganda fasaaya tha waise tune :P Probably never said this properly, but you've kept me calm and sane like no one else in H18, whenever things used to get to my head. Thank you for that <3 Aur terko time deta hu main, mila toh kar kabhi bhai! Ghee wali maggi yaaaaar ;-; Aur yaad rakhna - chahe koi bhi aa jaye, tu humesha meri bandi hi rahega ;*

Prudhvi Kavya : Yoo! We barely knew each other till our second year but pata nahi apan third year mein itna close kaise ho gaye the. Granted fourth year mein aake we lost some contact, but I'll never forget the night I had come to LC to teach you power. Something clicked that day and I opened up to you in a way that I didn't with many other people. You had motivated me so god damn much that semester and I can't thank you enough for it (remember radiating systems ka project xD) You're an extremely positive person in general unless terko Rona hota hai :P Keep that enthu and that positive attitude and ANZ mein macha daalna! Ab Bangalore mein toh bagal mein hi hai, so ab ignore kiya toh pitega :*

Vibhav Aggarwal : Dear Rohan, I am writing this on behalf of all the members of the wing. We all are extremely grateful to you for your genuineness and selflessness and for bringing all of us very close to each other. We know that you will not be coming back to insti to say goodbye so this is our goodbye message for you. We all are in deep sorrow that we will not be seeing for a long time. You are a great mentor and a great person and we could have never gotten a better mentor than you. We hope that all your wishes come true. The time we spent together was indelible and you have left a permanent mark in all our hearts. Hoping to meet again sometime for that pending ice cream treat that you promised to give.

Sharan K Pujari : Yaar Delhi wouldnt have been kind without you bro, hands down. How can I repay! Thanks for being with me. Yes, we hardly stayed in during weekend xP. I was a fool to follow with you guys in DLF, Fk! Man, what we did to that poor PG guy is simply evil XD. Those camps were unforgivable and those moments arent forgettable. I hope you will be there for me in future and for more trips too!

Bhadri Narayanan R : Yo Pathak! You are one of the sweetest seniors I met in H2. One of the unforgettable nights of being a sports secy was the one on baddy GC finals. We might've not won gold, but you did win the hearts of the audience :D Your commitment throughout the GC was brilliant along with the way you kept the whole team motivated till the end and it sure did have a special role to play in winning the sports cup that year! Cheers.

Saurabh Kolambe : Pathak Buoyyy! kya bolu me tere bare me ab. Itni galiya di tuze bt tu nahi sudhara. Bt thik hai ..tu hai awesome (pata nahi kyu bt hai) Thanks for all the help u did in all these 5 years. Thanks for the badminton lessons and racket as well. And wo ghee wali maggi <3! but bro....u still me owe me that lake facing room xD Just kiddin! aise hi hugte rehna, rote rehna, bhabhi ki daat khate rehna but fir bhi infi chill marna! and most imp milte rehna, tere liye aloo bhujiya ka packet hamesha rahega mere room pe no matter where. Love u bro!!! Stay in touch. And mere galiyo ka bura mat marna. (lol..thoda maan sakta hai) :P sorry for all the trouble I caused (not actually xD)

Karan Trichal : Jhuuutheeee ssupppp! Bhai apna greeting hi ek dusre ke liye itna haggai hai, ki duniya ke saamne bolne se bhi sharam aati hai, par tujhe dekhte se mu se nikal hi jaata hai :P Teri jitni energy wala koi aadmi nahi dekha insti mein ab tak _^_ not to mention your openness and friendliness, which, as I've already told you, are the things I admire the most about you. Tere jitna extrovert aadmi mere jaise introvert ke liye ek bura sapna hona chahiye tha, par ab apan jhuthere dost ban gaye, toh ab apan dono milke jitna hagte hain wo duniya ke liye bura sapna hai :P Stay in touch bhai, aur zindagi mein milte rahenge <3

Vikash Agrawal : H2 ke machax warden nom(ek hafte bhi nhi tike) aur doubles me service line pe chadh ke khade hone wale player. Badminton ke funde aur daaru infi milegi inke paas. Thoda bhut miss kr lenge hmlog bhi. Aap bhi mera gyan miss kroge na?

Zote Ajit Sanjay : Thank you bhau. For everything. _/_

Dikshant Shehmar : Thanks for your help. Aapne bahut help ki meri insti mein things sort out karne mein. Just like ISMP, you are always with me. Keep interacting after leaving IIT. I'll miss your guidance. 🥺

Siddhant Jadhav : Yoo..... Ab kya hi bolu. Humare saare plans toh barbaad ho gaye 🥺. You are one of those people i feel comfortable to speak about anything from acads to extra currics and seek your advice. I've known you from my first year and vo bhi kya din the jab humne MI ke time itne maje kiye the. Things got slow later on as we didn't make any successful plans after that. But whenever we came across each other, it was always cheerful. I regret about not being able to pull up on a big party in the end. But koi nahi. Milte rahenge aur kabhi cricket ya baddy khelenge. Aur aisehi career me guide karte rehna. Thanks a lot 🙏

Sanket Agrawal : Pathhhhaakkk!! Mah boiiii. Kya kehne hai aapke, barabar rotey bhi ho barabar khudko underestimate bhi krte ho fir machate bhi ho (except fifa). Thanks boi for getting the wing together at one place and being a part of it. I have always said that you are very very pure at your heart and mean good for everyone, stay like this always :) Some people are really luck to have you in your life. I will always remember our anime fanaticism specially Attack on Titans :) and our anime discussions. Let's plan a trip together once this gets over (even a small one will do) and play fifa all nightttt! Ps: uss icecream ki bad dua lgi hai teko, tera pet bahar aa gaya na kaafi saara :)

Ritik Roongta : Yooo Pathakk!!! i would take that leverage to call u that! My badminton journey with H2 wouldn't have been the same without you. I might have hated you a bit when u scolded me for not coming to practice but now I feel it was the best piece of advice. Having that GC pic together with the "Bronze" medal (xD) is a lifelong memory. Those 2 long walks (both after having post GC party) were one of the bests walks of my life! I still give my juniors the same resume tips that u gave me while reviewing mine. I might not be that expressive in general, but u were always the most chilled out and easily approachable senior. And I feel I still owe u a GC silver. Always stay connected!

Harshita Verma : Aur bhauu kasha aye tumhi :P Tu bahot lamba hai -_- hate standing next to you -_- Thanks for tolerating my shitty marathi :P n u still didn't teach me any -_- ...but apart from everything the mossstttt friendly person n mere infi mazze lene wala insaan :Pstay the way you're mast adami hai tu :P an treat dete raha kar :P Glad we met :D

Sumitra Barhat : Freshie year me kya mast the na apan teeno 🤔🤔. Phir bhi dono ka kaam meko karna pada tha yaad hai😂 aapse intern ki treat li thi aur baaki sabko bola tha ki wo bhi le. Comments me kabhi kisi ki aap jitti tang nhi khinchi gyi hogi. Saala ek to upar dekh ke baat karni padti hai😂😂...and and apna wo Ashwin ke birthday wala Sunny and jal vihar 🥳. Baaki to chomu chomu chomu...this word alone sums everything about you 🤔

Kesha Tamakuwala : Roohaaaaannn tujhse zyada baat nahi ki but jitna bhi primary and secondary interaction raha hai bht zyada fun raha hai! Tera bada sa smile dekhke hamesha happy vibes aate hai! I hope you achieve all the great things in life and I hope we get to catch up again sometime :P

Kinjal Saxena : Sure we met in the most comical ways but soon started meeting frequently. It is impossible to not notice your presence! You're a buoyant and cheerful person and one of the sweetest people in insti. Somehow your presence makes me feel a strong support. I hope that our paths keep crossing as they've yet. Aise hi haste raho and stay in touch!

Nakul D Ghate : chomu! tu itna chomu hai ki mere bhai ne bhi first time tujhe dekh ke yehi bola (ye kaun chomu hai xD). Nevertheless tere sath mast time pass hota hai be. Saath haste haste aese hi 5 saal nikal gaye. But apni ek dusre ke lie gaaliyan kam ni rh gayi :p Itna enthu kahan se laata hai bhai har cheez me? Thanks bhai har baar bulaane pr canteen aane ke lie and mere lie cricket me efforts maarne ke lie <3 Wish you all the best and thank you for all the memories we shared and everything else. PS - Bhai mere bhi calves/thighs banwa de yar apne jaise :/

Samruddhi Dodal : Roohaaannnn! 🤔 Hopefully by now you know how I would have said it and how to read it right :p Kitna fun banda hai yaar tu! It feels like everyone is just always laughing when we meet. And this inspite of being the guy who gets things done and is extremely hard-working. Kaafi amazing combination (good catch, I'm proud :) ♡) Apni bohott baat toh nahi hui but I'm sure milte rahenge! Wish you the best and all the happiness in everything you do. Yaad rakhna :'))

Amlan Mishra : Since the day we lost the decider doubles set to today, you've always supported me like an elder brother. Thank you so much for always encouraging me to give my best. Sir, you're one of the most optimistic and humble person I have met. Your commitment towards everything is inspiring. The innumerable practice sessions; a few parties :p; that long drunk-walk from hiranandani; GC draw discussions will be missed. The long-shared dream of a gold stays unaccomplished but the journey has been really wonderful. Grateful to have you by my side coz insti life would have been so tough without your constant support in the last 2-3 years.

Karan Kothadiya : You're the mentor who got played by the freshies on April Fools Day. You're my friend who makes the lamest jokes, laughs on them alone and then forces everyone to laugh along in pressure. You're so annoyingly full of energy and enthusiasm. You say whatever comes to mind, whenever it does. You are, like me, a lame philosopher. :P You're also one of the kindest persons to me that there ever have been and I know I have been undeserving of it a lot of times. You're too sweet. You're someone who I never want to lose touch with. You are mast. Love, K

Mrunal Chavan : Yo Rohan!! Ye suna tha ki every person has their own way of looking at things, well teri height ko dekhke lagta, why not?😂😂 Waise how does d world look from up there?😏 Bohot mast insaan lagta tu, jo bhi advise deta hain dil se deta hain.♥ Sabka mood ekdum khush ho jata teri wajah se.😁 I hope u get everything that u wish for. Apan ne kabhi Marathi main baat nahi ki na, well next time maybe. Machate rehna life mai hamesha. PS: Uss din Deal main nothing could have helped u🤔🤔

Mookund Sureka : Tujhse FIFA toh nahi hone wala bro :p. Apart from that wing mei infi maza aaya tere sath. Nautanki kam karde and aise hi haste reh :p. Jaldi milte hai and I hope minor mei tu pass ho jae. (1 mahine baad dekhte hai if this post aged well :p)

Pragya Valay : Hi Rohannn Pathakkk ! Acha laga milkar <3 - ..- -- -... .-.- -- .. :)

Abhiraj Sunil Kanse : 2nd year 3rd sem, I reached out to you out of the blue for help only on the basis that you were my "roll bap", and since then you have helped and provided support in a lot of things! Apan ne DSA sath mein kiya tha but weirdly didn't recognize each other till my third year even though apan bahut chat ker chuke the xD . Course related stuff se लेकर, intern aur fir por related funde bahut pareshan kiya meine but har bar you helped out a lot. Thanks for all the good advice throughout the years. Wish you achieve all that you want. Aage bhi I wish aapki guidance milti rahe; Stay in touch!

Abhishek Singhal : Yo Pathak bro! Apna toh past year mai hi first time interaction hua. Kaash phele hua hota. Mast chill banda hai tu yaar. Hmesha sports khelne Mai enthu rakhta hai. Yaar tere saath last sem mai baddy aur tennis khelna tha. Reh gya woh. Bhai ab toh apan saath mai bankers bn gye. Macha dena ANZ mai. Stay in touch bro! All the best.

Ritesh Kumar : Pathak brooooooooo. Kitna royega, at least gareeb logon ke saamne to mat ro. Itna pain lene ke baad bhi itna has leta hai tu. Control lab me kya chill kara humne and kya jugaad machaya tune _/__. Infi baddy matches khele humne, but singles haar jata hun tere se, isiliye nahi khelta ab :P. Jugheads waali raat infi ghoomne the humog and prom night was fun. Hopefully tu time nikaal lega, nahi to kuch na kuch rone ke bahane hi mil lena. <3

Sumukh Vaidya : Sir sir sir. Kaafi late realise hua we're pretty similar in more ways than one :P. It's been a fun five years from H16 to H2 to H18 too. Tera sport enthu great hai, and you're an fun person to talk to. Wish we'd had more hang outs together, would've been a blast really. Ab machao job me bro! All the best!!!

Nimit Himanshu Kapadia : Pathak brooo! Tu kitna chill aur mazedaar banda hai yaar. I remember pehli baar jab mile the apan in H16 mess through our mutual friend Pulkit. Kya pata tha ki uske baad 4 saal mein apni friendship itni badh jayegi! Tera sense of humour aur bolne ka andaaz kaafi sahi hai. Terese baat karke saari tension khatam ho jaati. But tu plans bhot ditch karta hai :P Kitni baar bola tha tennis khelne chal par aaya to sirf final year mein hi (I guess you were busy mugging :P) Also, kabhi bhi baddy ke liye invite nhi kiya :P. Haha, jokes apart, it was really great to get to know you and have a friend like you. Job karte karte bhool mat jana. Stay the same jolly person that you are and stay in touch.

Krishna Subramani : Pathak bro!! I remember the got episode me you and Shah saw last year (and the poha after the shitty episode :p) Bhai, you're an amazing guy man, positive and chill (and bakchod se bhara :P) I've enjoyed our mess discussions on random topics. I'm confident tu job me bhi jhakaas kaam karega :)

Pawan Kumar Khanna : Pathaaaaaaaak bro!!! You are truly one of the most sweetest, large hearted and humorous person in the insti. You are right, we resonate really well(I am one of the few people apart from you, who genuinely finds your jokes funny). I will always remember you as the Serve-Bot and as the only guy who can single-handedly roast bete(no one in our wing did that in 5 yrs :P). I hope Bangalore jaa ke tu Mujhe bhule nahi aur shakya ku zyaada irritate na kare :P

Sarthak Nijhawan : Visfotak bro!!!!!! (I don't know how I conjured up that name, man - all I know, it just has a nice ring to it :P) Bhai bhot kam time interact kar paaye hum, but jab bhi kiya, I've just grown more & more appreciative to have a friend like you. Bhai tere jokes aur rona-dhona yaad rahega. Maturity is one of ur great qualities that I've always admired a lot. I just hope we see a lot more of each other in the future. Stay the way u're. A healthy dose of "chomu" will always do for me whenever we meet again :D. Bas bhool na jaana sir hume :)

Adhirath Kabra : hey fataki! i guess mein tera original surname bhul jaunga xD markov chain lene vale log doosro ko machau na bole hahaha.. apni bakwaas mein maati to aayi bro.. h2 mein to kya rants chalte the.. tere hasne ki awaz jo second wing tak aati thi vo to yaad rahegi xD good times yaar.. kaash koi wing reunion ho.. kaash!! haste raho, aabaad raho.. tc man!

At times mujhe bhi motivate kiya hai tune jab jaroorat hoti thi. Tere mentees ka letter padha maine. Its a proof ki tu bohot achha mentor hai. Kuch bhi kaam ho, poore dedication ke sath karta hai. Tune jis tarah se apne life ki saari problems pe maat karke success hasil kiya hai usko admire karta hun main. Aise hi machate rehna. All the best brother! We'll stay in touch. Milte rahenge, baatein karenge kisi 'chomu' ke baare mein, aur party karenge! 😊

Neeraj Sohani : Pathak teri hasi bht miss karunga yaar main <3 Mahaul ban jaat hai tu aata hai to. Bht madad kari hai yaar tune meri, tere kapdo k sahare mera placement hua hai xD, iss bhooke ko kitni hi baar khana khilaya hai tune <3. Yun hi haste muskurate zindagi kaatna aur dunia me bhi thodi se baat dena mere dost. I'll miss you <3 . Also, ab catan seekh lia ho to khel le kabhi hamare saath :P

Ritik Madan : Pathak bhaiya sabse badhiya! * _ * Thanks yaar apne H18 wing ko itna chirpy and fun banane ke liye. Though tune mujhe lake side view wala room nahi diya (I know Anmol tha woh kameena ;-;), mai fir bhi maaf karta hu tujhe XD. Sorry election me jeetne ke baad treat katane ke liye, but I hope jaldi compensate kar le hum. You really inspire me to become a better elder brother and I'll really miss your laughs and banter. Chal wapas Anmol ko bully karte hai kabhi :P. BTW keep practicing FIFA, wing tournament karna hai apne ko. And apne badminton skills bhi sudhar lena, haarega toh accha nahi lagega tujhe XD
