

“Be somebody that nobody ever thought you could be!”

## PRASHANT AGRAWAL

Electrical Engineering  
Aquatics | Weightlifting

If you could pack up a bunch of things from the institute to keep with you forever, what will those be?

First semester ki yaadein, WEL lab ka soldering station, Tapri ki chai and gulmohar ki sandwiches. 😊

Yearbook  
2020

**Sourabh Suri** : Major fun loving Insti Major. Always ready to do any sort of bukchodi. I remembered the solar panel shit. Bichara jitna power deta nhi utna toh le leta haha. Chillin brewery and expensive snacks, High on metal garba in moodi, Sheikh ke dates and what not. Will miss you brother. Insti ke high temperature mein heat sink ka kaam aate hai sponsored candidates. All the very best for your future endeavours.

**Shubham Singhania** : I never thought army person being so jovial and caring. Also your look are deception of your age. Gym to mereko na le ja sake. Love spending time with as burden ease of . With you in ML classes and more. Your love for Marvel. Stay happy , stay healthy . Will miss tea time . Wish you all the best 🥺

**Pulkit Jain** : 700 characters wont be enough to express my memories with you. The first ever person I met in the institute, sat next to me in the orientation ceremony in convocation hall, I never expected the army personals to be so friendly, the entire team of the sponsored candidates from Indian army are now my friends, it is because of you that I can boast that I have contacts with Majors and Colonells, kicked me out of my room (along with Suri) in Mood Indigo to have a watch around (you know the reason), you became my family in Mumbai with whom I can spent mine any day, innumerable times we have eaten together, had a chai ki chuski and much more!!! Have a very pleasant life ahead (I will stay in touch)
