Koushik Konwar : The 'Yadav Ji' of our batch. Tumhara to swag hi alag h. 'Rajma' ko leke tumhara pyaar anokha h. Last night padhke top karne ka tips mujhe v d dena :P . I have always seen a caring person in you. You have also been one of my partners in uncountable parties and outing which I will always cherish forever. Specially last few days at college was full of fun, woh sunny meh OLD MONK ke pegs, woh 'MAFIA' ke infinite sessions and arguments, woh gussa hoke baat baat pe mahadev ka kasam le lena, woh subeh taak khelte rehna fir breakfast karke so jana, yaad rahega mujhe jaab taak h jaan, jaab taaak h jaan :D Untill next time we meet....Take care buddy!!

Sanoj Prasad : Yadav ji aapka sunny wala power nap to history m aana chahiye. Thoda sa jo tu "irritate ho jaata h", use hata diya jaaye to you are a gem of a person. Mera chai partner, jitni laani ho laao :p. Or bhai teri memory !! superhero ki series dkh dkh k lgta h saara asar teri memory pe hi hua h .. Kataii jeher memory h bhai. Tere sath dekhe hue tik tok roast videos or addy nagar ka gaana yaad rahega :D

Hemant Prasad : Yadavji to tehere bhale insaan...logo ne badnam kr dia. Effortless genius and infinite storage capacity. Tuje chedne me jo maza he....kisi ki chedne me nhi. TV shows and movies k all-nighter maarne walalekin books ka hoarder.😂😂 I've never seen someone who becomes so responsible when drunk and starts taking care of other drunks. Hum sobers ko dusre drunks ki duty lagane wala dev manus ek din khud so gaye. Sweetest classmate and a lovely person. Lekin tune 2 saal single rehne ka pact toda😞.

Utkarsh Kulshrestha : Arrey murata yadav. Dekho achi baatein karenge aaj bas tmhare baare mein. Day 1 se tmhe bas TV series mein magan dekha. And yeh realise kia ki tumne ek cheez ko pakarh kar ragarh mara. Yeh ek bahut hi zaroori cheez tmse seekhi. Haan, uske alawa tmhara confidence towards life...naiyaa paar ho jayegi ni toh dekh lenge attitude. Tmhare saath movies ka plan easily ban jata hai, and Sabse mast toh, "bhai, bhai, bhai mere liye bhi kuch veg mangwa de"...haha...barha maza aya. We can make asses crack when teamed up. Bahut maza tmhare saath. Comic con se lekar Huma tak. Choti choti magar mazedaar larai, kabhi help karne se mana ni kia tumne. Mast roomie ho. Ek number. Bas coding kar lo. 🤖

Ritu Singh : Yadav...balloon ne apne ko friends toh bna diya :) seniors ke convo pe meri di hui shabaashi yaad h (thoda jor se lag gya tha;) Parties me apna veg valo ka group. crossy me tere cramps. birthday pe sirf terko maara h. Aptitude test me joh tumne bhai-behen banaye. Apni joh placement ki bhaag-daud, celebration hug pe khtm hui. Moodl ke time jaise tune apni baat btayi thi, fir kbhi advise chahiye ho toh bta diyo. Matheran vali pic mst aayi h :) Irritate mat hua kar...Take care..

Gaganpreet Singh : Mr Topper . you are clear from heart . Awesome mix of simplicity but intelligence . i will always remember your 1 dialogue . SIR MEIN TO SOTA HI REH GEYAbut still acing all exams . cheers to your whatever FARZI alcohol capacity you have . But trust me , alcohol is bead thing . would love to come across in future life . always leave a dent in life . Cheers Jai hind

Sandeepan Dhoundiyal : You will be dearly missed, labmate! You were one coolest people the college had to offer. An absolute love for knowledge and the attitude of a Baahubali, made for an explosive combination, and the explosions kept on coming. You are a kind, honest and a generous soul. You taught all of us so much, and all through your simplicity. Studying Planetary science, making presentations on the last night, and discussing TV shows and superheroes with you will be remembered for a long time to come. We may have missed each other by a few kilometres in Allahabad but Fate knew it had to bring us together. We know better than to grow apart, so no goodbyes, only, ‘See you later.’
