Sanskruti Shah : Areyyyy, you are the sweetest, and so mature. Though wing ki sabse lukhi insaan (ya well, apart from sumu). Those late night talks, us watching animated movies, that one early morning cycling session, those cancelled cycling sessions :p, those late night walks, irritating Riya, us going a long way for that kulad waali chai (and you made me like cha)i ...I am gonna cherish all these memories, and I hope we will be creating a lot more while staying connected even after this. I love you <3 !!

Kushagra Kacholia : Heyy, apna zyaada interaction toh nahi hua but jitna bhi hua usme kuch interesting conversations ki and maze aaye!! You're a very mature and humble person, and hope you stay the same. All the best for the future!!

Abhinav Jain : "Tu accha bhi hai aur handsome bhi", finally, getting this from you would be counted as one of my biggest achievements in the insti till date xD... pestering apart, the amount of humor that you have is unmatched in insti girls. We didn't have enough interaction, but every time we did have, it was fun and memorable... insti may come and insti may go, but let's stay connected forever, and all the best for future :-D

Himani Gangurde : I remember our 1st interaction in coaching where you asked me my name and then said "thoda jor se bolegi to sunayi dega". I had no idea that years later I will be wandering around with this girl in and out of campus for some chai, and dessert :P Apan to ghaati hai so hopefully milte rahenge ! :D

Riya Singh : 700 characters me tere sath bitaye hue paalon ko kaise describe kar sakti.. mere jeevan ke kitab pe 4 saal me tmhare hi naam har jagah h. convo me orientation se lekar insti ki aakhiri raat tak ka sath tha humara.. apni late night bahar waale lakeside pe walks, hiranandani paidal jaane ke liye company, road pe doraemon ka title song gaana, H15 ke 7th floor adventure, tujhe subah ke 4 baje thane se insti bula kar last moment plan cancel karna, humesa jhagarte hue bhi ek doosre ka khayal rakhna, humesa ek-doesre ko yaad dilate rahna ki apne crushes se apna katne hi waala h... yr mai sahi bolti hoon hum dono shaadi ke liye best jodi h. koi aur itna hume suit nhi karne waala..

Tanya Mamgain : Hi co-intern ! Had fun in all those coffee break we took! Wish I had gone with you guys to that trip :) Take care

Aditya Patki : Maana ki thoda pain diya hai tujhe with all the lunches and trips but you were the nicest among all of us co-interns. Tere alawa koi nahi tha jo hume bahar nikaal nikaal ke chai pilane leke jaata tha. But thoda random time chai peena kam kar dena. The trekking experience was an unexpected one for me, you were damn better than me at it xD. Tu jo random time pe office me aake mujhe apne zone se bahar nikaalti thi for your doubts woh hamesha yaad rahega. All the best aur aise hi cheerful rehna!!

Malhar Jadhav : You are really helpful person. We had our weekly encounters at the labs. It was nice to have someone like you in the group who paid great attention to the experiment. Loads of thanks!! for calling me up for that extra fluid mechanics lab session, you saved me from a huge headache. Aisi hi amazing person reh and all the best for the future !!

Ganesh Chelluboyina : I remember taking Health Policy with you last sem for kicks but wondering midway through, "how is this relevant? We'd never experience an epidemic in a lifetime!" And yet, here we are, just a few months later! Call it looking back with rose-tinted glasses, but I'll always cherish those sleepless nights researching our presentation and presenting it together. I enjoyed the long candid talks we had in the library. We were equally clueless about career but finally pulled through the placement well! I really admire your sense of humor and calm disposition. All the best with everything ahead!

Hiranyagarbh Narale : Okay Anu! Khush! Maine aur Abhishek ne Andheri se wo sheet layi thi...phir Rane sir ki lab me phir uski cutting ki thi...apan ne nanofabrication lab me wo fabricate kiya tha, then Mote sir ki lab me measurements liye the...Yaar bas ideation aur paper reading chhod ke sab kuch toh kiya tha wo project me 😊 Cover up mat bol yaar 😊 Thanks for all the help and support during placements! I don't think jyada ya kam khane se mere me kuch fark padega 😊 We never went for a treat. Let's go next time we meet! Best of luck! ♥

Arpita Mishra : Meri Jaanu! Itne saare posts aa gye tere liye ab rona mat :P Mujhe mess por k din yaad h jb hum itni bakchodi krte the aur kitna thooste the. Por gave me you and its one of the most beautiful things how we met and grew so close. Chai peene k liye din m 3-4 baar gullu jana, tera brutally honest hona but thats the reason I could trust you so much! Hamare itne saare trips aur itne pending ones jo I hope future m ho paye (especially tandoori chai aur tere ghar jana) Saathme courses lekr classes bunk krna . And coming to your room for studying but doing tp. You have no idea how much you mean to me! You are so pure, sweet, cute, kind and cheerful! Thank you for everything. I will miss you a lot!

Aman Mishra : Agar mai aage ki seat pe baithke ache gaane nahi chalata, to soch le tera kya haal hota. So be thankful for that XD. Meets me mast time pass karwaya tune, uske liye shukriya. Yaar tu hamesha online baithi rehti hai kya XD Meri reply frequency tere messaging frequency ko match nahi kar payegi, maaf kardena. Tera bhi sense of humour mast hai xp. Kaafi friendly and upbeat! Always remain the same. All the very best for your future :)

Divya Maddu : Hi there! Though the way I was introduced to you was nowhere near pleasant (all credits to my roomie) but it was very nice knowing about you. You were one of those sweet juniors whom I was in touch in my later days. Do explore and enjoy life at your pace, no need to hurry or catch up. Just have this sincere and hardworking spirit of yours till the end. And yeah.... Did I forget about your innocence, though u look like you will spank someone if were give a scale the next moment 😂 Kidding (though I have also been known to have an intimidating killer aura, so in no position to say you anything) Do well and take care for your future life goals. (that doesn't mean to take tension or leave everything till the last second 😊) Stay sweet and endearing like always. Yours, messco's roomie

Kinjal Saxena : From being the best roommates which I lost as a freshie to sharing bed with you in the final year, you will always be the roommate I needed but never deserved <3. One person who could make me laugh out loud when I am feeling low.. to being the most empathetic wise person to talk to, I am lucky to have you as a constant. Post dinner chai time walks to Hiranandani to crazy singing dancing nights along lake-side, from the sweetest of the people to one of the strongest and wisest people I have seen, you are a gem babe! Stay the same always and don't you dare forget me because I will never let that happen <3 Love you! <3

Rituparna Samantaray : Anu.. It is hard for me to articulate words to express my fondness of "bitching" with you. How strange.. Our frequency seemed to match so well. The forever chai lover.. Gullu just lost their most regular customer. You manage to do everything without taking any stress. Discussing about life was so much fun with you. Thank you for always being there for me wearing the big smile.

Nitin Tiwari : Hey Anupradiksha! I have always seen you smiling and laughing. I had fun working with you during our projects and discussing about random things. I still think you are a very talented and hardworking person. I respect your never say never attitude. All the best for the future and keep in touch!

Rupesh Leburu : Hey Anu!! Thank you so much for the advice about group projects and lectures, I'm sure I'll use it now(lol). Jokes apart, Honestly thanks for looking out and expecting the best from everybody around you. A truly necessary part of any group, wish I'd gotten to know you better. Labs with you, Amar and the rest (but like, Amar though) are some of the best memories of my insti life!!

Vedarth Choksi : Yo Anupradiksha! Apun last year hi friends bane through reliability (Reliability toh pura disaster nikla 🤔) but i wish apan pehle mile hote. Itna zyada discuss karne ke baad courses choose kiye hai iss sem but it was worth it 😊. 2nd year me jab mai aur ganesh ne wedding crash kiya tha tab tu bhi mil gayi thi 😂. I also remember you forgetting my name in the start jiske liye mai teko kabhi maaf nahi karunga 🙏. Anyways you're very cheerful and don't lose your never give up attitude. PoC machate hai 🔥 and stay in touch!

Sipra Sonali Pradhan : Heyy Anu! You were the nicest and the sweetest, very understanding and caring. U raised these baby freshies to sophies. Any trouble we got, you were ready to come all the way to our hostel. I still remember the long walk I had with you round the Insti for more than hour at midni8. It was so easy to talk and connect with you. Thank u for who u were and wish u all the very best.

Arnav Aakash : Heyy Anu.....pata nai kya likhu.....Idk how many important outcomes came out of TZW....but I got a very nice friend to be sure.....Senior-junior type to kabhi apna friendship laga nai haha....Aur pata nai, who was the manager for the team at the end, but you were a manager to me for sure:)).....By the way, thoda satisfied rha karo(u always were self-critical haha).....Aur haan, treat bhi kabhi de do yaar!!!

Bhavya Garg : Tere chai and dessert ke charche sune hain maine kafi. It's weird mai kabhi accompany nahi kar payi. Hamesha himani aa ke batati thi last semester me tum log kahan ja ke aaye. Exam kya darayega apan ko, apan khud kam darawane hain kya 🤖 Tu mast mast incidents share karti thi jab bhi milti thi maza aata tha. Mess se bhi jyada to apan classes ke liye late hote huye lecture hall ki taraf jaate huye milte the. I remember apan to ek baar hostel terrace pe bhi time pass kiye the! Riya ko kitna pareshan kiya hai bhai tu ne uske yearbook me likhne ke liye 😂 All the best for future! Kabhi food outing karte hain 😊 Haste hasate reh chai peete reh

Kartavya Singh : Chalo aapne itna bola hi hai toh likh deta hun idhar xD. Tere se baat hui toh bohot kam he but tere jaisa down to earth and straightforward insaan toh life mein nahi dekha. Aage be aise bhi rehna and don't change. And kabhi challenge hiranandani when this all is over... All the best for the future and do stay in contact!!!

Aditi Raj : Hey Anu, you are one of the most amazing, honest and understanding person i have met at insti.I must say that I have learnt a lot from you. As you are now going to begin an entirely new phase of your life, i want to thank you for always being there and for all the time you gave me and at the same time I want to wish you all the best for your future!

Sumitra Barhat : I hate you kabhi kuch achha bol deti mere baare me...saala alag level kamiya nikali h tune mujhme..hameshabhagja I hate you ...but still baal achhe hai🙄 and katwa de thode ... experience se bata rhi hu achha lagega 🙄

Ruchir Agarwal : hellloo....humari pyaari mentor, jinhe humse jyada humari padai ki tension rehti hai ;) . Kabhi nahi bhulenge vo apke sath baithkr gappe maarna, vo psych ke sessions and specially vo din jab humare room me chilla chillakar gaane gaaye and dance kiya tha :P . Humesha yuhi super sweet se rehna and all the best for your future <3

Abhijeet Banthiya : Yo Anu! I first saw you in team shunya but I never got to talk to you then. Later I heard from Raga about her 'sweet secys' xD. And much later I got to know you through Riya. Although we still didn't have much interaction, I can say that you are quite an honest and fun loving person. I hope you stay the same ! And assignments khudse kar liya kar :p. All the best for all your future endeavors !

Naveen Kumar Yalal : Ek toh bahut bada naam hai tera! Mujhe nahi pta tha tu baat bhi karti hai. Reliability ne bata diya ki tu bas dikhti calm and silent hai, tere dimag mein bahut chalta rehta hai be. You are a good person, kudos to us trying to study together at the library though tum annoy hoke chali gali(chalta hai yr). Mechanical mein aake department ka naam(gender ratio) toh tum roshan(badha) kar rahi ho.
