Atri Dutta : Second sem yaad hai, jab raat bhar itna jagte the ki class hi nahi jaate the? Ab bas itna change hua hai ki raat bhar jagte hai, but class jane ki zarurat nahi. Infi poker, rummy, minimum, monopoly thoda daaru. Fourth year made me realise that i somehow missed having you as my roomie, ab to agle saal "Aur bhai kaisa hai", "Bro gym chalte hain" bolke tere room me nahi ja paunga. Infi jhagde hai, baar baar mote ko tang kiya hai, mere almirah aur whiteboard ko asanskaari bana diya, tere upar woh bluetooth wala prank lol...merekko lagta hai we turned out alright. Ill definitely miss having you around. I'm sure nalla is going to miss you too. Touch me rehna, bhul mat jaana. Wordlimit reach ho gayi

Aman Singhal : Pille, first year Goa trip me 2 hi acchi baatein hui - tu aur mota. Tu sabse chota hai par tere kaarname sabse bade hi hote hain. Raat bhar jaagna tujhse hi sikha hoon me. Teri, meri aur Harinder ki dream team to koi beat nahi kar sakta bro. Goa trip, movie-nights, game-nights, projects even interviews kya nahi kiya hai apan ne saath me. Final year me to tujhe canteen partner bhi bana hi liya. Profs aur TAs ki udaana, lecture bunk maarke shiru cafe jaana bohot yaad aayega. McD to apna adda tha bro, jab bhi mann kiya chale gaye (even from the lab :P) . Abhi to apan ko startup bhi kholna hai. Hyderabad me rahega tab fir se trip plan karenge (obviously sponsored by Mota). See you soon!

Ayush Prajapati : Yaar tere bina insti life imagine karna mushkil hai, pehle sem se aakhiri din tak ek tu hi constant raha hai insti me. Har sem tune kisi na kisi cheez ke liye motivate kiya hai, bhale hi vo gym ho, music ho, running ho ya skating XD. Banda handsome itna ki 100-100 matches lana to aam baat hai. Last 2 years me dean ke chhipe hue cameras dhundna, H3 ke kutto ki family tree banana, ya FYRE shots maarke aadhi neend me midsem dena sirf tere saath hi possible hai. Talent to itna ki 2nd year me taiwan, 3rd me machau intern, aur 4th me dhaansu PPO, aise hi machate reh bro. Jaldi hi milte hai, nalla and uski family ke beech me. Tuti hui TT table ke dusri taraf se - Malhotra out. (or was it singhania?

Kapish Singh : Nitesh be!! Sabse phle to tereko gaali dene ka mann krta hai mereko...Teri wajah se kitte baar m minor ki class akela gya hu.. or vaha bore hua hu... But ED lab teri wajah se sahi nikal gyi.... Kabhi to assignments pure kr liya kr.. Tu kaafi chill aadmi hai.. Aise hi rehna humesha.. Or milte to rehna hi hai apan ko, vo to issue hai nahi..

Hemant Sharma : Aur bhai h2 chalega khane?? Btw tu churu se ya pali se, abhi bhi doubt hai mujhe. Poore 4 saal mein khub bakchodi ki, but sabse mast moment tha first year summer project, jo chalu hone se pehle kat gaya tha, uske baad tune kabhi team nahi banayi...xD...Aur tension na le maal hai apne paas. Dealer se score karke laye apan....chill. Btw sorry bro, interview ke pehle tension mein tha thoda
