Computer Science & Engineering

Amey Patil : Tote! You are the person I most relate to, you know.. You complaining about your roomie and his disinterest is somehow the most prominent memory of you, xD. I imagine if we were each other's wingman, we would do some weird stuff but that would be awesome! I'll always remember how you started the CSGO tradition in our group being the unbeatable player we used to follow! I believe that College life is not only about academics, accomplishments and good or bad memories, it's about how we get our personality and ideologies from those experiences which we are going to nurture for the rest of our lives! And I'll always be glad that our paths crossed in the most amazing time of my life!

Kevin Shah : Abey tote! Kitna roya karta tha! Aaj nai bhai xD But bohot maze kare apan ne and you're genuinely a great guy and an amazing friend :). Aise hi rehna and milte rehna! :D

Sahil Saiyad : ToteGawa san. You are one wholesome dude. Always making way for self depreciating humour in conversations. Went from the being the best to worst at csgo. I used to play so shit man. Remember that game when we were on the same team and the score was 14-15 and I killed my 2 teammates. Never seen you getting more offended. Goa trip would've fallen apart without you. You did almost all the responsible stuff. Bahot nashe kiye yaar 3rd, 4th year me saath me. 3rd year to pura trip to the dark side of the moon hi tha. Bahot caring insaan he bro tu. Bahot dhyaan rakha he tune mera while I was drunk or tripping. Arsenal ko support karna bandh kar de bro. Milte rahenge apan. Sayonara.

Yearbook
2020

Sanchit Jain : My constant support for all my Basky failures! A person I used to talk a lot right from my first year (Basky NSO). We went to many Basky competitions in the first year which I do cherish a lot. I must admit you were a better player than me, as was mishra god. With you, naveen had lots of mid road conversations. Also with you, bhavesh and dhruv thoda support ho jaata tha mujhe, academically and otherwise . Thanks for everything you have done for me. In general a very down to earth, genuine , honest,helpful, straightforward and confident person. All the best for your future. I hope I get a chance to play Basky with you again. 1v1.

Ishan Tarunesh : Most of the times humlog group mein hi baat kiye hain but I kind of noticed ki you have really good views about things. You are really caring and sweet as a person and have a sense of humility whenever you talk. I really regret not getting to know you better. Serious talks aside goa trip was fun (thanks for convincing me to come), playing football and tennis also. PS - Self doubt thoda kam kiya karo.

Naveen Kumar Yalal : "Dengei!" yeh mera toh nickname hi ban gaya hai tereliye. Bahut aalsi basky player hai tu from NSO to IBP har match mein, par saala bahut skilled hai isiliye sahi khel gaya. Pheli baar H15 ke basky court pe khela tha apan ne, tab se leke NSO, GC aur IBP tak it was a fun ride with you, sanchit, mishra and vijay. Hope tu abhi gym ke saath basky bhi khelega, jald hi khelte hai saath mein. Har baar H2 mein milke sanchit ki bahut li hai apan ne. Tote vote dalwade tere wingies se, jeetna hai apun ko pakka. Practice karte rehna, aur Edwin sir ke gyaan ka naam roshan karo.

Kumar Saurav : My marathi namesake! Looks like you won't be seeing the Yearbook, so might as well post a rubbish Japanese poem here (although it's on friendship😁):
welcoming
a tiny friend-
starlight.
UFO landing
in back yard-
cosmic friendship.
