Samardeep Sarna : Not knowing name despite even the same tutorial batch to becoming best friend in convener year finclub. Finance Club manager banne ka ek reason ye bhi tha ki you were the co, so one more fun year sorted. :) Don't know anyone else with so many common interests to talk on!

Ankit Neema : Aisa toh koi din hi nahi gya hoga jab tere ko BT nhi di ho maine and best part is I won't even regret doing this :P I wish we can continue the same conversations we used to have over mess food and chocolate vodka. I think I have spent more days in your room than my own :P Be Taarak Mehta to this Jethalal forever 😊

Yash Samriya : Naman, I am not able to recall how we got to know each other but what I still wonder is how we used to handle Arnav and his forever crying! (no offense Arnav!:p) You are that amazingly hardworking person and there is a lot to be learned from you! Thoda has liya karo kabhi kabar bas! Stay in touch dude! :)

Mayank Sultania : coolest person I have ever met in insti! Thanks for helping in so many things and han apan back bitching karte rhnge logon ki 😂

Swarali Ghodkhande : Apke bare me kya bole bhaiya! xD. There's a lot to learn from you. You are an inspiration, the amount of hard work you do is commendable. I know you have a bright future ahead of you, and kal jab officer ban jaoge toh bhul mat jana. Kudos to all the great memories we have from insti time. I am so glad that we met <3

Pragadheesh Kumaran : The maggu roomie who knows to party as well, everyone's dream came true for me 😂😂. We never realised we had so much in common. I spend most of my insti time with you 😂. Playing Pokemon go while going to class, sleeping in class, clicking photos of you with your crushes, compromising with you for fan speed, you reminding me your birthday knowing for sure I would have forgotten the next day is Oct 23rd, gossiping about everything, me convincing you to be a non veg, we had so much fun 😂. You made my insti life a lot easier and fun!! We have a lot more fun things left to do, you ain't going anywhere roomie 😊

Vatsal Khetan : I will never forget the fun we used to have in financial eco class, remember the prof :p Thanks for doing the entire project on your own and giving me a free pass in the course. You are a very sweet and helpful person, keep in touch :)

Arnav Dewan : We have been sharing the first row for the past three years, jisme God we have gossiped about every single professor, student, politician and literally everyone 😂. Our routine of either one of us always sleeping is just unparalleled! You solving questions during the class always motivated me to do at least something in life! You know ki I don't need to invite you to Chandigarh, it is your home only 😊..... Baaki, itni gossip karte hai, we are gonna stay in touch irrespective of anything. I know that you are gonna be the best at whatever you do, bas stay the way that you are, that is true and always chilled out! And if things go as planned, lets see ekk saath hi kaam karte hue na mile?! 🤖

Shreya Agarwal : Yo ! According to Samardeep- you are this extra rich and maggu person , who skips midsems for US Trips , owns 4 palaces in Jaipur , oil factories in Dubai and has a girlfriend in every country :D . I am so naive that I still don't know how much of it is true and how much is made up . LOL ! However I do know for sure that :- 1) You letting us laugh at these jokes in every meet and treat without getting fed up made the convener tenure unforgettable 2) You with your amazing capacity for focussed hard work will achieve all your future aspirations just like the past ones . So stay the person you are and you never know when these jokes fall short :P . Wishing you luck for the same :)

Anshul Sambher : Naman sir!! Kaafi mazaa aata tha yaar aapke saath mess main baatein karne main. Atlas ki games ho ya fir finance ki random baatein ya fir chemical engg ka rona dhona, kaafi sahi hote the hamaare charche. Meri recommended movies ab to dekh lena lockdown mai mere bhai! One of the most dedicated persons I have met and best of luck at LeK ki 15 hrs waali job main jisme intern main aapne mastery paa hi li hai 😊. Always stay in touch bro!!

Akshay Bhamare : Naman Sir! So fortunate main lab group change karke aapke sath aya, kash design project me bhi ek hi group me hote. Lab me Lahoti ki lena, TAs ko judge karna, ChemE ki bitching 🤔🤔🤔 aapke hypothesis ke toh saare profs bhi fan hain, kya mast likhte ho aap. One of the smartest person I interacted with in insti, bahut friendly, smiling, humble, approachable thanks for answering my call before exams and explaining stuff. Have learnt a lot from you sir. Bade consultant ban jaoge to hame bhi yaad rakhna. All the best ♥

Anmol Gupta : Yo! The first word that comes to my mind on seeing you these days is "Chupa-Rustom!" :P I really had no clue how itna seedha-saadha dikhne wala bachha could have things up his sleeve like that! Tenure toh machaya hi tha tune, but uske baad bhi kaafi machaya hai ;) That apart, you're really, really hard-working and sincere, and I can safely trust you a lot whenever I have to get something done. Also, kabhi khud se bhi bata diya kar ki kya kar rha hai, always get to hear from other people :P Regardless, all the best for your endeavours :D

Radhika Tibrewala : Hiii naman! I still wish I could take 5 people in my team and you were a part of it. :(I knew back then, that apart from just being super hard-working and all of it, you would do everything you take with utmost perfection! just like you manager tenure. Aise hi rehna hameshaa. so pure, loving, and always ready to helpp, with that big smile stuck to your face always. If you need my help anytime in life, you can always come to me. I'll be here. All the best for future!

Abhishek Singhal : Apan mile to consecutive roll numbers ki wajah se the, but baadme same hostel aur almost same wing mai saath rehkar aur same labs, common topics par baat karna aur neema ki burai karte karte apan ache dost ban gaye. Aur apni goa trip hamesha yaad rahega aur baadme bhi aisi trips karte hai. Infi machata hai tu, aise hi machate rehna aur bada aadmi banne ke baad bhul mat jana.

Arjav Shah : Arre Sir! I really admire your ever-smiling and relaxed attitude towards everything including our constant banter. I'll continue to look up to you for your sincerity and composure under any situation. Those resume & apping sessions with you, AZeo wildcard entry and almost winning it and of course, our ops mgt class 'basically' will be fondly remembered! The treats and outings with Paaji & gang were so much fun. I look forward to more such treats in the future! Consulting se kabhi fursat mile to hume yaad kar lena and US aate rehna, jaise kabhi semester ke beech me gaye the :P You'll continue to be exceptional at anything you do! Wish you the best! Yours, Arre Sir!

Pujan Biswas : FinClub Acad Council ka part sirf tere wajah se laga tha mujhe bhai, sach bata raha hoon 😊 Abey handing over mai baccha bhool gaye bhai!! Aise hi handle karli saari bakchodiyaan tenure mai. Woh Lakeside stairs ke sudden entry ke liye dil se sorry rahega, kabhi maaf kardena bhai. Aur humesha smile se greet karne ke liye thanks. Kabhi yaad bhi rakh liya karo :P Yours, Bisso!

Anusha Dubey : Naman Sir! UGAC me to awesome time nikla hi par intern me tere bina bilkul maza nahi aata! Apni saari outings aur office breaks (jitne bhi milte the :P) fun hote the. Apni Raasta wali welcome party to kabhi nahi bhulungi main 😊 I so much respect how you've worked really hard during our intern and very rarely cribbed about it! Aise hi life me machate reh! Stay in touch kya hi bolun, ab roz office me milenge hi apan!

Siddhant Jadhav : Yo naman.... It was fantastic to have you as a calm person in our wing full of idiots. You are too cool and very friendly to talk to. It was awesome gossiping about the snakes (vipul and rahul) when they weren't there 😊. The atmosphere of our wing will always be missed. You are probably the coolest and the most peaceful person of our wing. Hope to see you soon and our last wing treat at Rajdhani is pending 🙌

Nitish Joshi : Yo Naman! Same here, you were the best neighbour I could ever have (imagine agar Siddhant ke room par ke 4am high pitch discussions baju me hote to :P) You are a very fun and knowledgeable guy and I enjoyed all our discussions (and always surprised how up to date you were with US news 😊). Good luck and I'm sure you'll do great in life. Let's keep in touch!

Khidir Usama Abdul Karim : Duniya me ek hi cheez constant hai Naman Goyal ke (sarke) baal - length me badhte nahi, cut karta nahi tu aur wind kisi bhi direction se ho woh tere scalp ka saath nahi chhodte hai. Mera mess mate hai re tu. Woh tatti khaana khaate samay mere saare doubts clear karne ke liye thanks. Tera hardwork aur sincerity well documented hai but merese zyada secrets rakhne wala sirf tu hi hai (yaad hai hume pata kaise laga tha?). Btw thanks for keeping us safe from cringy Neema even if it was always on a temporary basis.

Sharath Chandra Ale : Yoo Naman! The wingie who made his presence subtle and go unnoticed but only when everyone argues on the corridor :P The best thing we had is we both shared praggi and all of his things lol. Agar non-core me muje kuch bhi doubt aayega, I know where to go. Idk why but your room always looks welcoming. Aage bhi muje guide karte rehna ^_^

Naman Jain : Goyal sir...tu har cheez ko bhot sincerely karta he...infact maze bhi..lol...tere sath wale discussion hamesh yaad rahenge and the way you support me in my lows...dekh tu bada aadmi to banega..to hum jeso ko bhul mat jana

Lokesh Agrawal : Naman goyal.. Humara machau pseudo wingie 😊 Thanks for helping me out so many times bhai. You are the best resume reviewer..srsly. Also Goa trip was so much fun with you. I know tu aage jaake bohot machaega so bhul mat jaana humko.. Stay in touch bhai♥
