**Veerupaksh Singla :** Bhai co-coordie se co-managers. Uncle-ji Sumit \_/\_\_. Coordie time me summit me kya fun kiya tha. Fir saath me manager interviews me jo fati thi lol! H16 me to sab aapke room me hi aate the kaam karne, mai to ye bhi bhul gaya kitni baar aapko bola hai "bhai macbook kya mast hai"! 🤔 Aise hi upar se shareef asal me khote bane raho

**Vedarth Choksi :** Sumit! Team ka ekdum formal banda even during informal hangouts 😂. Summit Tshirts ke liye bohot fight maara tha. LinkedIn pe infi famous. Aur in general kaafi reserved. All the best for your placements and khud pe bharosa rakhte ja. Bohot kaam ayega 😊. Stay in touch!

**Kushal Agarwal :** Sumit meri jaan! Ek baat bata, 30k LinkedIn followers wala banda introvert kaise ho sakta hai? Also, tu pehla insaan hoga jo ladkiyon ko LinkedIn pe reject karta hai. Tu jitna shaant hai, utne hi ache ideas hote hai tere. Team ka sabse innocent insaan tu hi hoga. 😂 Asaan kaam nahi hai Navoj aur Sumi ki bt ek sath jhelna, and uske baad Rashi 😊. Hats off to you bro. Haste raha karo Lucknow ke Nawab, shaan bani rehti hai.

**Taksh Satra :** Yo Roomie!! Chai ke pyase din me kitni chai peeta tha especially during exams!!! All the movies we used to watch in room and the same fix McD order we always made 😂😂!! All the best for ur upcoming placements!!!

**Shruti Iwanati :** LinkedIn par bandi patana koi Sumit se seekhe (I heard she still likes you :P). Har waqt Co's ki BT lena, ambience ki BT lena, Log post share nahi karte uski BT lena, Sumit ka main kaam tha. Kuch bhi kaam bolo sabse phle mana hi karega. Still Media+ PR machata hai or machate rahega <3. Lucknowi Nawab ne etne followers banaye hai ki shayad hi us record ko koi toad payega. But remember kisne tujhe CSV file se connection bardhana sikhaya. (me) Will surely miss you bro and stay in touch.

**Pushan Bal :** Sumit! Remember the 'pass' we used to get free rides from e-shuttle? I really started to talk to you only in the last year but it has been fun. Having breakfast and then going together for morning lectures. Those memories will always be cherished. Always stay the happy guy that you are. Stay in touch.

**Rajat Kadam :** Summer roomie!!! Kitna shaant rehta tha, phir mast bitching bhi karta tha logo ki. From Co-coordie to Managers its been a great journey. P.S. Bhai tu kitna sota hai yaar.. Summers mai bhi 12 ghante srsly? :P

**Kosuri Sandeep :** Yo sumit!!! My Partner for that MA Course. Bhai, Sutta pene se kaha se protein aata hai? Itna innocent kaise hai tu... Tume koyi bhi deceive kar lega... Tume life itna boring kyun lagta hai? Bandi pasand nhi hai.. Khelna pasand nhi hai.. Padna bhi tho chod diya ecell me aake... Tume, shayad se siddesh ka baate bahut seriously leliya.... Proffesional ban ne ki chakkar mein, har cheez mein sincere ban gaya tu... My involvement in ecell wouldn't have been that great without you.. You truly are a very good && approachable person... Milte rahenge...

**Harsh Jain :** Summer ka wo time & discussion. Tera linkedin reach. I remember ki tu tinder match ko bhi ecell ki publi krta tha 😊. kaffi machaya tumne. Hope we meet soon!

**Mrigank Mahajan :** Sumit, You were one of the first people I interacted and opened upto after coming to insti. We had some really great chats at BnB, campus hub, 12 canteen and 13 terrace. Remember the E-cell pitch we made, jo raat bhar jaag k banaya tha but eventually turned out to be pretty terrible. Still can't figure out why every movie we went to see together had a sad ending, but did figure out why escalators were made. Thank you for always being a great friend. Hope to always stay in touch.

**Rashi Gupta :** Hello my Ambience Co!! When we first met, I didn't think I'd be able to work with an introvert like you, only to realise that you aren't an introvert 🤖 From strangers to Cos, from not talking much to spending most of my summer time in your room, from being just co-managers to working side-by-side for the Summits, there's a lot of memories we share together, specially bitching about people 😂 Stay as you are, and keep building your LinkedIn profile 😊😂

**Praveen Saran :** Nawab sahab! Mujhe company dene wala koi to tha jo peeta nhi tha :). 2nd year summer discussions with you were lit. Tenure mai kaam ke liye bhut pareshan kiya hai bhai tujhe, uske liye I'm sorry. Logo se thodi kam BT khaya kr and have a great life ahead:)

**Avish Naredi :** Hey sumit! You had been the most amazing person in the institute. Thanks for all the amazing guidance, fundae, fun talks and treats. You had also been a great manager. Stay the same and always keep in touch!
