

**NILAY PANDE**

Computer Science & Engineering

Yearbook  
2020

**Nitish Joshi :** Yo, you've been one of my closest friends in insti. There are a ton of things we did over these 4 years (and a lot more that we hoped to do :P) and I don't even know what should go here. But the one thing that I'll always remember is us three discussing random things in front of H9 after class for a LONG time. Heck sometimes people would come back to hostel, sleep and go back for next class after an hour but we would still be talking. Baaki I don't need to say keep in touch because I know we will.

**Atri Dutta :** Dude kitne saal, 9, 10? I remember school me I had spilled ink on your entire shirt from my fountain pen, fir uske baad infi apologies. 10th me infi machaya, Vidyarthi me kaafi maze kiye. Shengdana, Parthasarathi bera, all time fave. So much stuff to write about, not enough space at all. Same branch me ghus gaye kaise to, fir to chhodke chala gaya. End me, in a sense wapass electrical hi aa gaya na tu :P? Apne har saal summer plans to bante rahenge. and woh hastinapur ke dahi sev puri. Agle saal hopefully ek saath US bhi jayenge. As a competitor tune kaafi improve kiya mereko. But as a friend, the best a man can get. Baatein to hoti rahengi, lockdown khatam ho jaye, wapass ghumne nikalte hain!

**Swadha Sanghvi :** Nilay!!!! I can't believe hum issi sem mile hai. You have been a cute, adorable, annoying (at times) friend. Cheers to all the food discussions and trips planned for just time pass. And as Atri said, you had to come back to elec. You can't deny destiny 😊. Meet me soon post lockdown

**Naman Aggarwal :** Nilay!! Hey man! We were acquaintances but didn't have a chance to properly talk before the 4th year somehow. I really enjoyed whatever conversations we've had and I still remember that discussion in the canteen at 3 in the night where we talked for 1.5 hours and it was really fun. I like your personality, you're a good humble man and I wish you all the best in what you do ahead. I am pretty sure our paths will cross again in the future. Cheers man!

**Aryan Aryan :** Nilayyyyyy! Tere se milne pe hamesha bohot achhe vibes aate hain. You always have something interesting to talk about!!! Kya mast aadmi hai tu! Itna sensible, humble, funny and super-hard working 😊! Remember how we used to talk about going out to drink together? Let's do that when we meet again 😊! Keep in touch bro🥰!! And thanks for the house😂😂 I really love it!

**Prakriti Mehta :** A fun person, personally toh we never met. But Ludo and Poker waali kaafi memories hain. Hoping to meet you post lockdown:)

**Aakash Kapoor :** My first day at insti was made awesome by having a quick talk with you. From expecting a playboy to discovering a really mature, witty and dependable person, it's been a fun ride. My very best to you for your life and I hope we stay in touch

**Shreyas Dethe :** Yooooo!! First things first, the first time we met during orientation was absolutely surreal, aise kaise ho sakta hai. But since then 4 years have passed and we've been roommates, in the final year too XD. I cannot begin to imagine mujhe kaise jhela bro tune. Lots of things to say- supportive and kind as hell, good debator - man I miss those long discussions on literally any topic- always up for food no matter the time and place, our record of eating a load of things in just one Friends episode, debugging each others code , sath me milke Kapish ki lena, infinitely many more things. Ye to bas yearbook post hai, I don't think we'll ever lose touch!

Computer Science & Engineering

Yearbook  
2020

**Syamantak Kumar :** Arey Nilay!! Haan yaar, kaafi freakishly same rhi cheezein, right up until they didn't (iykwim :p). Thanks (or not) for creeping me out so many times, some times just via text. You are exceptionally hard-working and cool-headed dude, just stay that way. Also, about the double-meaning jokes, takes one to know one xD. Yeah, yeah I think we have safely established that Pablo's hum gaye they pehli baar. "That gal" lol. Yeah I feel we will definitely keep meeting ahead. All the best yaar, I'm glad we're friends 😊.

**Kapish Singh :** Nilay bhai!!... Kafi helpful hai be tu..Kafi maze liye hai tune mere.. But help bhi kafi kari hai.. Humesha itta padhte mat raha kar..Ghmuna or Chill marna bhi priority rakha kar kaam se jyada.. I can't even count how many times your opinion has helped me to sort things out... Baki toda short-tempered hai lekin itta issue nahi hai.... Apni trekking ki trip complete krni hai apne ko, and vo apan krke hi rahenge... Tu, Shreyas and Adwait ne milkr kaafi support kia hai... You've helped me in my worst of my moments...Kabhi nahi bhulunga... Apan humesha touch m rahenge... Milte to rahenge hi usko koi problem nahi hai.

**Deep Karkhanis :** Bro!!! Univ applications ke help ke liye thanks a ton. In general bhi bahot help ki tune. Right from the first year. Acads, projects.. Especially doubt clearing the night before midsem/endsem. Itne achievements hai still kitna humble hai tu... CMU jaake macha dena!!!

**Sanit Gupta :** Nilay, I remember first day pe hi mere papa ne mujhe bol diya tha ki tere se dosti rakhun because kitna shareef achha bacha lag raha tha unhe tu. How incredibly wrong he turned out to be. Apni lambi (sometimes kaafi kaafi lambi) discussions and pizza parties humesha super fun rahi hain. You are a great guy. Just stop peeking into occupied washrooms, I don't think CMU/Google would appreciate that behaviour. Btw, you still sure CMU ka admit letter genuine hai? Adwait aur mujhe abhi bhi doubt hai.

Yearbook  
**2020**

**Sahasrajit Sarmasarkar** : Yo Nilay ! Those late night TT sessions and long (sometimes terribly long) never ending discussions with you were truly amazing. You are a light hearted, jovial and humble fellow though occasionally temper showed the other side of you too. Anyways stay in touch and all the best for everything ahead !!

**Naveen Kumar Yalal** : Tu jitna shareef lagta hai utna kamina bhi hai, logic samjhake bezzati karta hai. Mess mein charche toh bahut kiye aur har baar saalon milke liye ho, aur har ek cheez ka badla leta rahoonga. TT khelte hai saath mein kabhi jald hi. Mere lights aur advice se tujhe sukh ki praapti hui yeh mujhe bahut accha laga. Aur aage kuch bhi ho, I'm there just a message away. And all the best for the future. Machate reh bhai tu.
