**Adarsh Rathi :** Vora Lord! And Lord se cricket, cricket se games, games se TT, Baddy, patte and kya nahi. Kaha bc 3rd year tak pata nahi tha and tujhe aur gautam ko wing se jaane bol rahe the, achha hai tu nahi gaya, warna insti ka aadha fun khatam ho jaata, Bangalore and the two years were lit because of you, pure placements time mostly tujhse hi cheezein share karta tha, idk it just felt good. I was so sad and angry when I thought your day 2 missed, and then the morning hug on the news that you made it♥ Tere birthday ki GPL aaj tak nahi le paaya, and chomu, next time agar birthday mei aaunga to saamne se offer karna. It has just started, to a never ending brotherhood ♥ Always keep in touch bhai♥ and call me whenever you will see this later in your life.

**Raj Gautam Kumar :** Yo Vora! My beloved roomie😄 Yaar chill rehte hue itna kaise macha lete ho?? When I rewind my insti life, from the day 1 I can't remember any moment where you were not a part of it. Mini militia ho ya poker, TT ho ya pool, caroom ho ya card games, ludo ho ya chess, exams ho ya class bunk you were with me in every activities. Kaha se itna enthu laate ho? You never said no for anything. You are the person who always realised me of truth, whether I liked it or not. Placement ke time mock interviews and help, never going to forget. Your gujju khana😄 hamesha miss karunga. You are such a lovely person and sweet. Hamare online games hamesha chalte rahenge. PS:- Ab to Dora ko bol de how you feel about her😄

**Vedant Ladha :** Bhai jitna likhu utna kam hoga. :) You have been one of the few people I have been in constant touch with throughout the 8 sems (Well 7.5😓). Lukkha kaatna toh bhai koi tujhse seekhe. Midsems/ Endsems ke time mai kitna hi procrastinate karlu, ek banda toh hamesha mill hi jaata tha jisne mere se bhi zyaada time waste kiya hai. 😄 You still always managed to do well anyway. 🙏🙏 Tere bina S1 toh survive nahi kar paata mai. You have no idea how happy I was when I saw your name in the Day 2 final selections list. :) Needless to say, stay in touch.

**Yagna Teja Reddy Velagala :** I will never forget that Tall guy in the other wing who unfortunately stayed alone for his first semester... I'm speaking about you broo, Rushabh...I cannot understand how you could be so cool all the time as if you do not have any worries in this whole world.. may be that is why we got connected...Not that I do not want to say this bro but really I do not know a single sport that you are below average at playing...and yeah bro almost forgot to say this, meta is much better than chemical... will definitely miss you bro...lots of <3 hugs bro...

**Pushan Bal :** Vore! The wingie that I never had. Tujhe jo bhi sport ke liye pucho, hamesha ready rehta hai. I will miss playing badminton with you and behere ki udana. Your sense of humour is very spicy to handle but thankfully you haven't made that many jokes on me yet. Live your life as you always have and ab to tu unofficial member of bhh ban chuka hai to baki bate udhar hongi. Stay in touch always. Cheers!

**Mangal Mannat Piyush :** No one but you can crack a coding interview by solving a guestimate xD. I still remember you walking nervously after day 2 in the play area. life me itna tensed tune kabhi nahi dekha that. Poker nights in your HUGE room were absolute fun. sale itni lambi height home bhi tu baddy me much ukhadta nahi hai. Anyways humsabko tune ek ek jaguar to gift karna banta hai. Keep in touch cheers!

**Chinmay Kalra :** Vohre yaar!! I initially knew you as 'that tall guy on my floor who doesn't have a roomie' and used to bump into you in Prasham's room late night sometimes. Phir second year mein hi I started getting to know you better, when we became wingies. Bhai, the way you switch from Hindi to Gujrati and back...itna smooth transition kaise kar leta hai yaar. And tu mast kaat ta hai dusron ki (including me). I will never forget that conversation we had with Sridhar in H18 mess about ur native place. Thanks for all those memories bhai!! Will miss u

**Himanshu Sharma :** I know we are not that close friends as you are with others who wrote here, par insti ke sabse entertaining moments tere saath hi the. First year mein tere room mein lukkha katna, Panna ki roz GPL, new SAC mein roz carrom, pool ya chess. Fourth year mein room tere room ke paas nhi milta to main bada bore hota. Roz poker, pool ya badminton mein se ek and conversations during these activities are memorable. Is corona ke karan last sem reh gaya nhi to aur bhi bht b\*\*\*\*\*i karte.....

**Amit Gangurde :** Vorayy! TT enthu maxx! In first year I knew you as the person jiska poora bed sirf snacks se bhara rehta tha 😂. Panna ki kya leta hai bhai tu. Even after having an OC level PoR, tujhe ek baar bhi kuch kaam karte nahi dekha kabhibhi. Seriously. Hamesha tt, poker and baddy khelte hue hi dikha hai bas 😂 and I enjoyed a lot playing all those with you. Paneer paratha se kabhi give up nahi hua kya?😂 Mess mein kaafi hilarious baatein hui hai apni. We know you are eyeing for that highly coveted spot in Bhb, we will definitely think about it😂. Smart banda hai bhai tu, Jaguar mein macha dega 🙌. Itna sab khela hai, cricket bhi khelte hai kabhi!

Well, me, Prashit you will have tri-series in Bangalore. You are an awesome friend. P. S. I hope you find your butter half 😊

**Varun Kumar Meena :** Vora bencho! bhai tere se maine kaafe cheezi seekhe hai in 3.75 saalo me. Life me bina pade bhi no. aa sakte hai. kisi aadmi ka luck hadd se zyada bhi accha ho sakta hai (e.g. zynga poker). din ka routine kuch nahi hota (kabhi bhi so sakte ho kabhi bhi utth sakte ho) etc. aur bhai room se nikalne wale baat bhul jaa bachpan ki baatein the woh (agle baar koi bole toh ek baar mein nikal jaane ka 😂😂). Par bhai sach mein kaafi maza aaya tere saath in 4 saalo mein especially itne saare boring games bhi interesting bana liye competition ke chakkar me. aur woh TT me 11-0 tera mann rakhne ke liye tha. (i am happy that you are happy about it). All the best for your future bro and always stay in touch

**Sayali Kshirsagar :** Hi Bura Vora! Yaad hai kya hum theme pe kaam karne ke liye mile the sabse pehle. Sab kaam toh mujhe hi karna pada tha aalsi 😂 hamesha sota hi rehta hai. AZeo was so much fun. You are very helpful. Bas hardwork tere nature me nahi hai 😂😂. Your dedication and smart work during OC tenure was commendable. Placements bhi machaya. Aage bhi aise hi machate rehna.

**Pavani Jeet Jignesh :** Vora bhai infi back\*\*d aadmi hai. Manager tenure me, fir bhai OC bankar jo progress kiya hai, hats-off. Apan ne sabse zyada maza toh Bangalore me kiya tha. Starting with IPL finals, WC, canteen bakwas, office hot gossips, return cab ke timings set karna aur usme sirf apan 4 ho toh fir kisi ek ko (always me) bakra banana. Par is sabmese apan teno ki random bakchodi night with antakshari 😊. Soch agar mai na hota to tujhe office ke liye uthata kaun😭 It's been a great fun to have you as a friend and we'll still around longer. JLR me khud se uth jana office jaldi start hoti hai 😊.

**Aayushi Baheti :** Vora the great! Tere bina chemical ke pehle do saal kaise nikalte mere. Thank youu so much for helping me with all the assignments and exam prep. Keeping this aside tu kafi achcha banda hai pure team k liye notes jugadne k liye thanks, tu hmesa help kiya hai whenever asked. Treats and dance wali to apni memory hai hi♥. Apan milte rahenge and logo(read Pawnii) ko roast karte rahenge. Aise hi life me machate raho and ABI survival tips dete rehna( rehne de tere pass hota to tu khud survive kar liya hota😂) P.S. **Yash Kothari :** Vora Boi. Firse kabhi jain maggi masala mangwaa ke Jain Maggi khaani hai be saath me. Apne duo ko carrom me koi haraa sakta hai bhalaa ;p . 2nd and 3rd year Carrom GC ke liye bohot matches khele as a team. H4 me TT aur pool bhi bohot khele saath me and ab to tu stud player bann gaya hai TT kaa. Aur tu kya GPL letaa hai be, pel hi detaa hai saamne waale ko. Wing waalo ke saath GOT and cricket matches dekhnaa was great. Ek MI vs RCB live match dekhni to banti hai. Aur Alibaug to jaane me kaafi mazaa aata tha bas ek badi si trip plan karte hai (firse) and hopefully iss baar wo jagah pe curfew naa lage :p. Topa touch maa rehje ane life maa machaavto rehje as always.

**Jovina Vaswani :** Rushabh, you have been super sweet to my annoying demands for love and attention. Thanks for being cool enough to let me keep a nickname for myself, and thanks for using that in the subject of the mail you sent me post my accident. You made me smile even when I was literally dying on that hospital bed. AZeo k time when i was on the verge of breakdown, kitne pyaar se tune mujhe khana pass karke bola tha, “Jovina tu bohot stress mai lag rahi hai, kuch khaale”. I really needed food that time, just like I always do. Thanks for giving me the importance I ask for, and letting me pareshaan you. You are not allowed to forget me Annoyingly yours, Cutie♥

**Satyam Rai :** Yo Vore!! Finally decided to write, it's hard to put so many memories in so little space. You are one of the smartest person I have known(also tallest), I never figured out how you survived with so little food and manage to get a good grade with just one night cramming. I miss playing poker with you guys all night, that discussion about series and sports( God! I was in awe with how much of the focus you watched these things). The love you had for Maths was truly inspiring for me, you were a lucky charm for me, whatever course or activity I did with you, it would turn out to be a fun and successful. BTW thanks for teaching me how to solve Rubik's cube. Truly miss you man, hope we meet soon.

**Raghav Goyal :** Vora bhai! <3 You were legit my first friend in insti! Seriously! Thank you for giving me some of the best moments in my 1st year! I can never ever forget all the H16 memories. The 2 hour long GPL, Panna ki GPL, mini militia, lab reports, music jams, canteen stuff, movies, hijacking store room during MI. Those are some countless memories and probably one of my best moments in my insti life! like you said, mai terese infi cheezei mangta tha, but that's cz i knew you'd always help! you've always been there for me bhai! and i promise you i will always be there for you too! take care bhai! please stay in touch! love you bhai

**Yash Samriya :** Vora bhai! Design project bros forever! I'm glad that we didn't have to face another Design Project presentation on Monday because literally no work was done till Sunday night! But yes this semester was a lot of fun with design project buddies. Stay connected yaar! 😊

Kya nightouts marte the apan jismai most of the time ayse hi nikal jaata tha and then H2 aana sirf Chai peene. LCH and S1 ki countless memories hain yaar. I'm so glad to have seen you grow thru these years but some things still haven't changed - doing stuff last minute, binge watching, erratic sleeping & eating patterns xD It is so much fun to be around you. Your humility & ability to get over any situation with humour is admirable! Hamesha bindaas koi kevi ritna rahi sake!?!\_/\_ From Panna & Chindu ni sathe levanu, convo choir xD, to those outings, nightouts & ofc notes :P, IPL & wing poker, I wish we'd done even more stuff together! Bhai exams k baad jake tt khelna aur exam ka pura frustration uspe nikalna, chindi k infi roasts, h10 mai khele hue saare games, un dono ke faltu jokes ko jhelna kya kya nhi kiya hai apan ne! I still dont understand how were you going to go from "truck"😄 to you know what in that pictionary game😄! Hamesha class bunk karke shiru🍷 pe baithke timepass karte the apan! Summers mai ek dusre ko apni dream 11 teams bhejke infi discuss karna (lukkhe to apan dono hi the)! Abhi Bangalore mai hi hai apan dono to aage b aise hi bakchodi karte rahenge!!!

**Rishika Gupta :** Good morning Thermo Topper! 😄 I think this has become our routine now, keeping check of each other's sleep cycle, although I managed to finally change myself😄 We have tolerated each other and the department together since semester 3! Either we end up with exactly the same courses or the same grade in all the courses 😄 That scooty ride, park mein nightout and lakeside changed my entire perspective of you. I'd never imagined you are such a strong and dedicated person. 😄 Thanks for hearing out all my Design Lab rants and the Chea Canteen talks. u r the one logical thinker in the group thankfully. nd thaks for not judging me in my worst state. **Mrigank Mahajan :** Yo sir! We met through MI and bonded over TT. Never seen someone hit a this consistent 100 on the edge, that too at the most crucial points. I remember kaise teri case prep karayi thi, prep kam aur time pass jyada kiya tha, also that fluids midsem, jisme subah tak hum sab padhte padhte pagal ho gaye the. I had a really great time during all our TT sessions and senseless conversations. Hoping to always stay in touch, Sir!

**Geetika Jain :** The most chill OC of insti.... I don't know aapne humare team ko kaisa jhela hai😂😂😂...but for sure..nobody could have lead us better.. I have learnt so much from you. AZeo bhale hi nahi hua, but the last 2 days spent with you were the best!!♥ ...wrna pata hi nahi chalta ki itne calm and composed OC ke peeche poker and mafia king chupa hai😂😂😂.. That day, we were lucky to meet the true person in you. You have been very very supportive. Pata nahi kitne jhagde solve kiye aapne...kitni bt li humari..still you were smiling all the way. Also, thanks for all the treats!! Those were the most amazing treats I ever had😂😂...bohot paise kharch karwaye humne😂 Agle saal bhi karwaenge for sure.😂

**Pushkar Saraf :** Yooo... kitna pain deta hai tu muzhe :p.. Thanks bey kaafi kam log hai apan jaise jo jab bhi milte tab fleeting moments of hazi mazak hota hi tha. Even though apna time spend kam hua. It was nice knowing you. Have a great life ahead!!

**Divyadarshee Das :** You have grown a lot (not physically) but in other aspects like..... Ok can't think of any. We used to play TT a lot where you kept asking about the stance, holding techniques, hitting styles and now you don't bother asking and do it all wrong. But you have achieved a lot like great placement, being an OC (hardly doing anything), ramanujan's mind and obviously height. Above all a great friend who helped all of us. For you all of us are RnD.
