Abhinav Jain : "Yaar meko koi chahiye hai jo ansys chala sake" to that day when You, me, and Yash stayed uptill till 7 in the morning to make that udankhatola. Dank, smart and sincere people like you are hard to find, and you made sure that you don't disappoint. Let's promise each other to have after dinner walks around gymkhana ground everyday. Bol toh main H5 shift ho jau? :p

Parth Solanki : Vardhil sirr !! Kaafi hard working insaan h be tuu but kaii baar unnecessary baaton ko khinchataa rehtaa h xD xD. Waise toh apn ekdoosre ko 9th se jaante h but insti me aake apan ne zyaada memories banaayii hh and zyaada achhe dost bane h xD. Bilala aur saahu k room per bethe rehnaa patte khelnaa boathouse ghumne jaana and many more. Almost saare stand ups rat rakhe h tune 🤔. Tere notes end moments per bohut kaam aayii hh thanks a lot for them 😊. Apn toh ek hi city me rehte h tohh milte hii rahenge aur machaate rehnaa 🤔

Yash T Rajan : Ek saal ruk be dadde-convert :P Good choice though XD

Aditya Patki : Bro, tere room pe toh aadha hostel ka time nikala hai maine :P. Tujh jaisi help koi nahi karta tha meri har chiz me. Kitna bhi pata ho ki time pass karne aaya hu mai phir bhi nikaalta nahi tha room se. Valay ke saath apan ne pata nahi kitne topics pe discussions aur near ladhari kari hai. Woh Puneet ka next room se bhi discussion me involve hona is a proof, I guess xD. Tera ye nature, gazab opinions, aur game of thrones jaise kisse hamesha yaad rahenge. Thanks a lot bro for all the amazing treats, trips, lukkhas, labs, courses, and canteens we have experienced together. Aage bhi aise hi stand-up dekhte dekhte machata reh!!

Piyush Kumar : Vardhil apan second year me mile the, uske baad se kafi interesting discussion and fourth year tak to pseudo wingi hi ban gaye hm. One thing which I will never forget ki mere placement result k just baad tera pehla call aya tha and tu congrats nahi kiya bas bola ki ab interview mat dena 😊. Infi memories hai apni saath me, teko itna roast karne k baad bhi tu kabhi offend nahi hota because tu nahi chahta apna rishta kharab ho 😂. Alibaugh trip pe mera jaan bachane k liye infi thanks ♥, mai *** mahool nahi banana chahta isliye jyada nahi likhunga. Aise hi khush raho hmare racist jokes tolerate karte raho and life me to tu machayega hi given tu jitna hardworking hai. Milte rehna bro

Atharva Jaipurkar : Virgin Mehta, mere co textonaut 😊 Kaisi intern thi bhai apni, par kya maze kiye fir bhi! Bilala ke sath bhi maze aaye, otty bhi dekh liya! Undoubtedly tera sabse giveup kaam tha intern me, fir bhi kya conviction ke sath complete kiya tune har task! Hats off for that 🙌 Mujhe laga nahi tha that tu dual convert karega, and that came as a surprise! Par koi nahi maze kar insti me ek saal aur ♥ Baki aise hi hardworking reh! And gym continue rakhna 🏋️ Take care 😊

Jatin Chandawat : Vardhil baba ! Bhai tere lame jokes kabhi nhi bhool payega mai or tujhe jo gujju stereotypes k liye pareshan sorry bey 😂😂. Prashant Jorwal : Tu second most sincere insaan hai..(first shreyash hai 😂). Bilala ke room pe patte khelna to bahut fun memories hai. Ek baar trip pe chalte hain (iss baar nahi kataunga). Terko guitar aata hai, intelligent hai, fir bandi kyun nahi hai?

Abhijeet Banthiya : Vardhil vardhil vardhil broooo ! ♥ Bhai bahut mast insaan hai tu ! Mech team wouldn't have been same without you, kitna time pass kiya yaar apan ne. Somu aur teri mehfil jo jamti thi bhai maza hi aa jaata tha. Something I admire a lot about is your fearlessness, no matter how trivial the question may be, you have the guts to always ask the question (bhale hi uske baad Mihir jitna bhi dialogue maarein xD). Always stay the same helpful, kind, and fearless person who is always ready to keep on learning new things. Stay blessed ! All the best for everything ! Stay cool ! Stay machau ♥

Debanjali Chatterjee : Hey! Of course, Bailando wala image kaise bhoor sakti hu, but won't make fun of him cuz he's given me strong recos since 2nd yr :P Vardhil, MD mein pata chala how dedicated and serious you are about your work, and how you always think positive, whatever hurdles come in the way. You are and will continue to be an inspiration to me. I'm so glad we were on the same team and I got to work with someone like you. All the best, do keep in touch!

Kinjal Saxena : Yo Vardhil! Thanks for being a great supporter during my DGSec campaigns :p. MD mein hamara jitna interaction hua, I realised that you are really hardworking, sweet, quiet and happy soul! Aise hi keep smiling and helping people in tough times. We will stay connected through MD always :p.

Rahul Agrawal : Yo Vardhil bhai! Thanks for the FEM course ke notes :P (poora sem liye maine par padha kuch nahi :P.). Mess me bilala ki lena hamesha yaad aayega merko :P. Uske kuch bhi kuch bhi arguments ko sehne ke liye daring chhaiye bahut :P. Acads related baaton ke liye kabhi bhi pm krskta hai life me mann ho to :P. Ha party pe to nahi ja paye apan kabhi, but tu treat deta to main mana nahi krta :P. Agli baar jab milenge pakka chalte hai bahar. Dual year macha dena, structures pe kaam karo :P. All the best, stay in touch bro!

Shreyas Chaudhari : Hey Mehtaji, sabse helpful bando me se ek h aap. Humara safar to train se lekar trip, marine drive and so on tak sath hi raha h with many funny moments xD. And insti me to kafi enjoy kiya h night walks, cards, RG, random discussions etc. Last one thing "mithi si vo gaali teri sunne ko.....:p". Milte rehna chats to hoti rahegi ! Stay happy and entertaining as usual.

Vikrant Nagpure : Vardhil bro! Tere room pe aake pareshan karne me alag maza tha, tere debates dekhne me toh aur bhi maza aata tha, kafi baar hugg deta tha tu. Bro acads me kafi help kari h tune, nhi toh notes hi nhi jugad pate. Lekin notes me gujju me kon likhta h bhai, vo toh acha hua Parth tha toh translate kar deta tha. Hostel me toh khub maze kiya apan ne lekin outings jyada nhi ho payi. Because tu hi instant plans ke liye agree nhi hota tha, hua bhi toh placements ke baad. Chal koi na jab milenge tab outings pe jayenge. PhD ke liye jayega toh bhul mat jana. Stay in touch!!!

Mrunmayi Munekar : Vardhil jiii! The one in the rare group of solid mech loving students I have met! (And who quite possibly knows it 10 times better :)) Since MD ki mechanical team, where you were the smart sub-team captain jisne ANSYS machaya to random chats, which kinda mostly involved me pestering you for Tanmay sir's notes! For which I am super eternally grateful!!! Everytime I have talked to you, you have always been cheerful and smiling and sensible and kaafi smart :O ! And how is your GIF education coming on, nowadays? Soon you would be no less than an expert in that field as well :P Till then, Solid Mech ka naam aisehi roshan karte rehna :D

Somansh Chordia : Bhaiii! Tu nahi hota toh Shunya ki mech team ko itna maza nahi aata xD Kabhi zyada bol diya ho maine toh maaf kar dena. But i always admired the way you took every joke sportingly. Mai kabhi kabhi chidh jaata tha discuss karte waqt but tera patience kabhi khatam nahi hota tha. Dil ka bohot achha hai tu (like many other gujjus) and thoda zarurat se zyada innocent xD I'm glad China me cheeze delay huyi thi varna itni memories nahi banti :p

Sanit Gupta : Vardhi bhai tere se bahut zyada interaction ho nahi payi lekin humesha saath main time pass achha hua hai. One of the few mech people I know jisko mech actually chamakti. Machate rehna. Tere se ek complaint hai bas, tu lab group main na hota toh apne experiments bahut jaldi complete ho jate. Take care, keep in touch.

Apoorv Srivastava : Yo Vardhil. China ka vo veg-non veg wala scene to funny tha bhai. pr mai to dono table pe kha leta tha :p. Last me gym me 2 baar mile the apan aur fir sb band ho gya :(. Tu kaafi hard working aur dedicated hai, aise hi machate rhna and I am sure you will achieve great heights. Bhul mt jana bs. All the best. :D

Bidish Ghosh : Vardhil bhai, please ek movie me villain ka role zaroor kar lena. Warna yaar ye life waste hai xD Gym days were indeed the best bey, life me discipline rehta tha (ab Lockdown me to bore ho rha bahut) will miss our random deep discussions in the mess over dinner. Hope you do well, and stay in touch :D

Desai Darshil : Vardhil meri gaand ke rakshak! Bhai I literally cannot thank you enough for the number of times you've saved my exams by teaching me everything last minute. I owe most of my understanding of mech to you, Thank you! I will always remember our deep conversations, the Goa trip, me trying to convince you to propose your crush and how you cock-blocked Valay. Your passion for learning and for engineering is something that I strive for in all aspects of life and I know you will excel at whatever you do in life. I wish you all the very best for the future, until next time :) PS- "The music stops and echoes on in sweet refrains, for every joy that passes something beautiful remains."

Simranpreet Singh : Arrey Vardhil! First year mein tu kuch zyaada hi innocent tha aur tu kaafi bigad chuka hai(jo ki acchi baat hai) :P. Tera wo GOT wala kissa hamesha yaad rahega. Bas aise hi haste aur machate rehna!
