Mohanish Verma : Or janaab tussi kese ho 😊. The whole Dual junta and wingies will miss you. You taught me a lot about coding 😊

Mrigi Munjal : Thank you for the pearls of wisdom in LC101 that day. I didn't BC and that has been the best decision of my life so far. God bless you :p

Abhishek Tandon : No pussy is good pussy , unless its touched by sarthak

Samruddhi Dodal : Saarthakkk. ♥ The role beta tradition is supposedly so that you can be helped but it all worked the other way round! From cracking lame jokes and getting resumes read 30 times and freaking out midnight to saying things to you with a insane level of confidence (YKWIM :p)you've been the most most *normal* bachha I could get. :)) (But also 656 happened so not really?) Hope we have many outings where we click way too many pictures. It has been so much fun knowing you and being savage to you XD and lastly, Luv you Sarthak, you're the best - your maa. "Tu yahi chahta tha na?" 😊

Bohra Ankit Narendra : Khandu!!....everytime i think of coding your the first person who comes to my mind. You've always been there to guide me with coding stuff. The best memories i'll remember is the ITSP work. The nighouts, Square Pizzas, Computer room setups and ofcourse Fifa 😊. Without you the project would have not even been 20% complete 😊. Also the running, talks and tension during placements 😊. You are gonna kill it in the coding world. All the Best!! Stay the same!

Hope you're continuing :) I'll miss you seeing high and our ManCity vs Juventus matches, outings to sunny 🌞 Tere Ghar wala nightout best tha Yaar ♥ Placements me Kaafi acha runner tha tu ♥ Machate reh life me Codar :) HM kab bhaag rha?

Rohan Kaushik : D2 T4, ITSP, 4th sem tripling, 2nd & 3rd year winters, MI, Sunny, AD & Hoppi ♥, 4th year roomies, Bhandardara, Weekender, house parties, Gymkhana, workouts, Nerul trips and the list goes on and on. The more I think about it, the fewer stories I have without you in them. Corona did us wrong, Long Standing Dreams shattered 😊. Gonna miss the seshes and the bakchodi. Thanks for being there when I needed it the most. Also imma bitch slap you if you keep up this no-texting routine. #Rumies4lyf

Ishita Shah : Hi girlfriend. I've so much to tell you, we need to videocall soon - I want to say this here because I think (and hope) that it'll never change. I'm glad I'm staying in Bombay so we get to do stupid things before you run off to Japan. If I don't get a convocation, I'm crashing yours, ok? I miss getting pepperoni pizzas with youu :((I'm still gonna hustle you into clicking pictures with me. Thank me for that picture on last sunny night. We never knew it'd be our last :'(((kalaghoda was amazing, we need to do that again! That and so many other things. Like walks, and pizza and gossip and pizza and sunny and more pizzaaa! Himanshu Goyal : Khandu baby! ♥♥ You're the roommate I had but never deserved. 🙏 Whenever something good happened I was sleeping on the bed next to you. 😂😂 We started with an Appy Fizz bottle and chips, then H1, then H12, from Domino's Pizza to Joey's things escalated quickly (aur humare pet bhi 😂😂). I will miss our random dates to cheese cake, rcity, Jimmis. ♥😂 We have come a long way with our DACs. 😂 If you ever want to watch a movie together, talk to someone, ya buss backchodi karni ho, just message/call me. ♥♥ You hold a special place in my heart, and no one can EVER replace you. 😂♥ Love you 359. ♥♥♥

Sanket Agrawal : Sir pai lagu. XLR8 was really a memorable experience with you all and the team really gave me a good friend :) I still remember the night when you asked me "coding krni hai, kya karu?" and from then to becoming the manager has really shown how dedicated you were and how much you have grown. Our meetings however small they aren't awkward which is a good thing i suppose xD You are a real cool and smart guy. Let's catch up some day over FIFA? All the best and stay in touch :) Always there for you.

Shobhna Misra : Saaaarthak! First of all, thank you very very much for all the help during the elections (and giving me company when I was stress eating xD). Thank you for all the help and support during our tenure and beyond. I will miss hanging out with you, and learning quirky stories about the institute :P All the best for your future, and stay in touch! P.S. Final year me bohot zyada chill mat maar lena :P

Arsh Akhtar Ansari : Probably the coolest dude in in insti. Tere wing ke abbreviations wale nashe ke sessions were epic♥. Although m har baar sober hi waapis aaya hoon 😂. Your second year laxmi mein drunk incident was pretty fun too. Apan log bohot zyada hangout nhi kr paaye. I wish we had. Abhi jab bhi insti aaunga sunny challenge pakka. And haan continue with your extreme sports 😂

Sanit Gupta : Dude, you are easily one of the coolest people I have met in insti. Even though we didn't hang out much, the few times we did were a lot of fun - sunny, robot 2.0, brownies and what not. I wish main bhi tab weekender aa paya hota. Take care dude and keep in touch

Taksh Satra : Yo saap!! U have been among the earliest friends I made in insti..... May not be through a good mutual friend in the beginning 😊.....But u ended up becoming one of the closest friends made in insti.....Almost saare exam ke prep, saare assignments, past papers tere saath hi kiye hai....Tere room ko apna samaj ke hi use kiya hai.....especially sophie year me....Almost CS minor hi tere bharose nikala hai.....Best quality of u was your sorted mind and being sincere about u actually like....U have always tried to help me whenever I was in any trouble...uske liye thanks a lot!!!!....Hope hum aage bhi contact me rahe....aage ke liye all the best!!!!♥♥♥♥

Aayush Anurag : Bro you were always the Go-to Guy for electives and Minor. Thanks for introducing me to Patra (One of the best advice given to me in insti), making numerous lectures bearable and motivating me for Gym. Bohot sahi banda hai bhai tu♥. Conversations mein hamesha saamne wale ki baat sunta hai. Bas apna Sameer Hill wala plan drowned in Mumbai rains 😊. Stay the same (Pet andar hi better lagta hai 😊).

Adwitiya Rao : Will judge you for another year

Bidish Ghosh : Dude, remember the hackathon with Dhruv in first year? xD Crazy experience tha, although I started understanding tab se hi ki its not my cup of tea. Uske baad I recall H9 me 1st year summers me Nihal ke saath bakchodi; tereko chicken khaane ke liye convince kar rahe the (still have a video of it lol) You were a great manager, and WnCC treats me bharpoor entertainment provide kiya tune :P Wishing you all the best for the future; baaki Japan jaane se pehle mil liyo ek baar :P

Ayushi Panghal : Sarthak, I am so glad I went to Sunny that night. :) All the stumbling and smuggling later, i had two v cute and happy drunk babies haha, wish we could have more of those nights though. Also, thank you for making those lecture and tut hours bearable and keeping me posted on MM 650 while it lasted lol. Tum to dual ho, insti aake milti rahungey agar zinda rahe toh. XD All the best for your future. Ayu. <3

Shashank Raut Desai : Aadha khamba baaki hai abhi bhi smh. Baaki senti next year :P

Anirudh Mittal : I would have described you as a proper "Laundiya baaz" from my 1st-2nd year experience but thanks to Inter IIT and every other interaction after that I saw your good and really cool side xD Thankfully, we have one more year to you teaching me the "tricks"! \m/
