Amrit Prittam Nayak : Bacchar bro.. The good times at "Sunny" , boat house and sessions in hostel room will always be missed. Discussion about any topic with you was really insightful. The trip to Goa revealed your fun-side. Your taste in classic movies is really great. I am glad you were a part of this beautiful journey at insti. Stay in touch !

Neeraj Kumar : Ritesh, where do I start. Sitting in H-8 study room, listening to Eric Clapton, and we hit it off. We share lots of common interests like music, shows; but I need sleep and you don't ;) I will forever remember our summer together, how we managed to survive without a room. Let's go for a night walk one more time ,4 of us. Let's have Kolkata rolls once more. Let's spend one more night on H-13 terrace... Keep the thrust of knowledge you possess-- all the best for a great future ahead. Stay in touch.

Dibyanandan Bhowmick : Baccha.. pyare ho bohot tum, aur dil se sachme accha. 😊 Talented, friendly.. I like how you put so strong rationale in arguments while keeping your head humble. Be it a fest or a mere outing, you are the natural leader who knows how to take responsibilities, and pursue them nicely. What a mature guy are you 🤔🤔🤔🤔 my starlight.🌟

Rahul Verma : Mr Ritesh, mera first roommate at IITB. I really appreciate your dedication and enthusiasm to learn and study physics. I really learned a lot from you not only as being of your roommate but also being your friends as well. You are really a very hard-working, focused, simple living and kind hearted person.always be in touch with me .I wish you all the best for your future endeavors. Thanks for being the part of this phase of my life.

Rohit Kumar : Hi Bachhar bro, we had very good bonds in first year but that broke ...you remember, one incident when you ask me for classical notebook in the study room hostel 8, and somehow you said (C), and then I shouted on you, I'm sorry bro for that, it was because of lack of my knowledge at that time..... I am very much inspired by your determination and endless hardwork, that always makes me fan of you but after that incident I never courage to speak and talk you openly. I wish you will forgive me my friends. I wish you all the best for your future endeavor, keep rocking 💖💖💖💖
