**Kesha Tamakuwala :** Hi Ishita, figuring out Tarang together was a lot of fun. Considering how clueless and lost we were at the start, it all turned out to be surprisingly okay! I love how compassionate, supportive and courageous you are. I wish I would have got to know you better but teko khush dekhke bohot accha lagta hai. You are an amazing person and I hope get to do all the great things in life. Good luck and stay in touch!
