Aayushman Mishra : Aur Investment banker XD teri smile dekh ke hi samaj aajata hai kisina na kisi pe tharak raha hoga. Bohot maza aaya yaar saath kaam karke

Viraj Singh Parihar : Bhai, infi bakchodi ki hai apan ne elections se abhi tak. Vada Pav ke liye Dadar(local mai), Vashi Best ki bus mai, laxmi pav bhaji, gullo paiso ke liye jhagadna. Mere sem ki attendance se jyada to teri crush hai :P But seriously tera dedication towards studies (including personal tuition's) & last sem mai badminton ke liye, Hats Off Bhai _/_ Ek baat 10 baar puchta hai phir karta khud ke man ki hai, insti mai kitne logo ki tune naav poorii hi dooba di hai XD. Bhai bachpan se tujse milne tak, jitni masti maine nahi ki, utni pichle 2 saal mai tere saath ki hai <3 Remember, whenever or wherever you are reading this, I am always saying: Ae Bantai, Aajana Mere Gully Mai, kareng na kuch....<3 <3

Kirtesh Ajay Gadiya : Well I have seen you from freshie year. You never used to get disappointed even after rejection. You always motivated me to work in Techfest in freshie year summer but I didn't come. But i was there for 3 days of Techfest in coordie year. Then IBS thing happened. You fought hard in elections but results didn't swing in your way. But I hope you learned from it. I also felt bad though. You keep working hard, there is going to be a great success for you in near future. I am always there for you.

Rajesh Thorve : Inspiration ♥ 'Surange ki Degree' topic pe book likhi jaayegi aage XD Thank you for always having a belief in me :) Hopefully Insti reopen hone ke baad Laxmi challenge sab for one last time 🥹 PS - Bhava tuch aamchya manatla GSSA ♥

Ishika Jain : Hi DG! May you get your abs one day. I'll miss all those core strengthening tips, 0 sugar, itni daal me itna protein, muesli ka dabba, wo fish ki goli, waffle ice cream mt khaa, and what not! I wish ek saal aur rehte to aapke sath puri team ki abs ban jati. The amount of efforts you put in towards your goal are just incomparable! I'll miss you a lot!

Prathamesh Patil : You are by far the best kamina I have seen in the institute. You are full of qualities which make one hate you but still be very good friends with you. The way you deal with setbacks is amazing and I would love to someday learn that skill. Tere sath 2 election kiye. Kabhi nahi jeeta tu. Apna secy ka election bhi nahi jeeta tu. Kabhi to ye record sudhar le.

Pujan Biswas : "Tujhe kaise pata chala?, Surange ne bataya!" Kyun karta hai aisa? This ode is to the inter IIT gold medalist, in Elec BTech who was a TF manager and proved ki TF se bhi GS jaate hai with a smoking hot GF... wait that's someone else. Jokes apart, are you Bear Grylls? coz you aced the survival test (remember freshie video) From proving ki 1 mark kam kaise diya issne to the philo talks in the last sem, we have seen it all..bas ek aakhiri bhukh bachi hai, Bukhara ki, daaru cheap jagah pe hi hogi bhai. St. Regis :P waapas nahi, gharpe pata nahi chala XD ISHI Taraha apne andar ke fire se world conquer karlo I mean PE and IB?. Pls imp logo ke beech bhulna mat. Your therapist, Bisso!

Parth Thakral : The very first line was , " Hi! I am Atharv Surange.... !!" Wahaan se yahaan tak kya kya nhi kia. Logon ki bitching, Career Talks, and what not. Election room se 2 bje jaake room mein mugna and fir bolna ki main mugta nhi hun, main to class mein dhyaan deta hun. Prof ki fun class mein fun ke naam pe badminton khelna ya padhaanam WTF XD. And fir har ek step lene se pehle sochna ki degree to nhi rukegi na , ROFL. Apke upar ISHI Tarah and degree jokes bnte rhenge chahe ap kahin bhi rho. And Laxmi jaake chakna jrur khayenge (without drinks XD) and bill Thorve pay krega. Ap apne friends ke lie itne senti ho ki apke friends ko bhi jhak maarke senti hona padta hai apke lie. Will Miss you forever.

This definitely proved the hearsay ki kuch bhi gossip chahiye toh Surange k paas hogi 😂. MAC was really fun bhai. Woh samaan na hona, evening cricket, aur 5 min ka hotspot 😂.
