**Gyaneshwar Patle :** You are most humble person I have ever met till now. Your support for all batch mates is incredible in this two years of Mtech. specially during placement you were there for all of us selflessly. That is why you are called as Baba 😊 Thank you so much... Mini milia, night canteen Jaise Kuch time Jo hmesha Yaad rhenge. Mujhe Yaad rhenga ki Mera darwaja kiske Karan tuta tha 🤔. Pune aate rhna

**Amit Kumar Singh :** Hi baba! U r really baba in knowledge, skills aur parties, lucknow ke nabab to ho hi aur saukh v waise hi h, sbke projects me help karana, new ideas dena, placement time coding test aur uska preparation , guidance aur mock interview are unforgettable. All the best for phd!!

**Utkarsh Kulshrestha :** Mr. Gendaswami Dhoundiyal. You have been an important part of my journey in IITB. Always a pillar of support to which I've relied quite often. You don't know but almost all of my friend circle knows about you. Always looked upto you to solve my petty issues coz I trusted your knowledge. Zyada urho mat, bakchod bhi bahut barhe ho. Khopri kholne ka mann karta hai tmhari. But sparing you coz it's difficult to once again gather so much of information into one single entity. I always gave a thought to your views after our vehement discussions and found logic in your words (hamesha ni bsdk). Keep Rocking, \*pun intended and lose some weight fat ass. Thank you for acting poor to keep our ego high. :

**Moni Shankar Dey :** A very down to earth guy with terrific sense of humor, he never ceases to amaze me. One heck of a nerd, you have impressive knowledge in almost any field - science, engineering & arts. Despite you not sitting for placements, you prepared us very well for it and were instrumental for success of the batch. A true lucknowi nawab, tumhara dil & pet dono bare hai. 'Bakchodi Param Dharam' is your motto & you're the bakchod of highest order. Have fond memories of Sunny, pizza party & hookah party. Will surely miss you & ur room, & the bakchodi we did. Our conversation ranged from philosophical to downright absurd. Although our paths diverge from hereon, I hope we meet again soon. All the best Baba !
