Vikash Kumar : BabaYou are beautiful.... We both a had a great journey in just 3rd semester kyunki tune to bahut ignore kiya tha 1st year me mujhe just because of Vinay. Chilling out at marine drive, lake side, sameer hill, post-dinner walk bahut miss karta hun yaar. Thank you for being with me and guiding me whenever I needed. Anmol aur Sweta se baat karwane ke liye thank you. Tumhare ghar ka khana bahut yaad aata hai. MECL ka exam to yaad hi rahega...Muhje to lagta tha ki restaurant me veg khana paise ki barbadi hai lekin you made worth it. Rajdhani to kabhi nahi bhul sakta. And hopefully agli baar milenge to ek gazetted officer dusre gazetted officer ki taur pe milenge. Aur gift ke taur pe gaaliyon

Ashish Kumar : Arre bhaiya, woh practical lab yaad aate h abhi bhi.. no one was good enough except you to make us understand what were those rocks..😂😂 Congrats for the GSI.. I hope we could spend more time learning from you in and out of the department.

Akansha Keshariya : Ab tumhare lie kya likhu, you know every beat of my heart. saal kitne bhi gujar gae , pr tum wahi ho. Till 2015, that one week of chittaurgarh was best part of my life. And only you can, nobody else. don't ever try to get away from me. you are everything to me, my life, my world. Love you sweetheart:-* missing you , come soon:-)
