

ABHISHEK KUMAR

Electrical Engineering
Football | Hostel Council

Yearbook
2020

Kurapati Hitesh : Word Chillin will feel jealous of you. Agr manager ka post dena hoga tho first option..GK and verbal thesaurus..Talented. I could sustain in IITB is just because of you, always being competitive for last position in marks.Guru of many things..Felt happy of your placement more than you..You have seen lot in your life and all the obstacles are building blocks for you. MI, TF, fresher's , all events with u are memorable.Hostel mera backup room tumhara ..One line to tell about our bonding: "This account in yearbook was created by me and you were clueless" Aajao bhai Hyd..Thoda aur jhel lunga tujhe bade bharii #room_sticker#bindass

Patil Akhilesh Subhash : {{{(I hope this will go to abhishek and not hitesh :P.) I really respect you guys unconditional friendship. }}} Most chill guy I know in EE. Still manages to do everything. Knows what is good practically. Neighbour in H18 who never had any complaints. I hope I would get such neighbour in future also :P.
