**Tarun Raj Anugula :** Vijay, u are very clever and your thought process is unique, i think u don't even know this.

**Pankaj Kumar Sahu :** Hi Vijay! I must say your thought process is unique and admirable. You are the person who also helped me when the time was little hard to me. You are the psychological person of IEOR in my eyes. I consider you as one of my closest friend. JD n bilkul sahi bola h tu Heera hai Heera. U remembered We used to play badminton in first year kitna maja aata tha na yaar sabk sath khelne m. You are intelligent as well and have a different way of dealing things. bese tere sath hum sab n bhut maje kiye hai jab bhi kisi ka birth day aata tha yaad hoga tumko. You are kind,wonderful, awesome, fabulous. aur yad kro jab apn KGF movie dekhne gye the toh wala incident bhi yaad hi hoga hahahahaha. Thanks Vija

**Vartika Singh :** Hii Vijay, we didn't have many conversations, but I remember the ones we have. Be it your explanations about eigen vector or ML or anything. Be it your poetry. Your singing skills, your perception towards things. You're just different (good different 😊). Also, I value the moments from Hitchki, Harry's, mood Indigo, laxmi, JNPT, Goa, New year's eve and so on. You just added a new colour to all of them. 😊 Thank you, I hope we'll be in touch in Mumbai ( rehna pdega 😊).
